RICHARD MATTHEW MCCLOSKEY,
Defendant

LICENSE SUSPENSION APPEAL

TO THE HONORABLE JUDGE OF SAID COURT:

Defendant, Richard Matthew McCloskey, by and through his undersigned counsel, moves this Court to grant him a hearing upon the merits of the following License Suspension Appeal:

1. Defendant was convicted of violating Section 1532B of the Vehicle Code, DUI on 10-15-99;
2. Defendant avers that the resulting one year suspension is an unconstitutional second punishment which violates both his due process rights as well as his right not to suffer double jeopardy pursuant to both Federal and Pennsylvania State constitutions;
3. Defendant requests a hearing upon the validity of the imposition of this license suspension;
4. The Defendant is full timed employed and the surrendering of his license will make it practically impossible for him to continue his employment;
5. At the time of filing, the Defendant has already successfully completed his minimum period of incarceration and is on parole through Clearfield County Probation;

6. The Defendant is a resident of Clearfield County which is a rural area and the Defendant's license suspension has a greater effect and negative punishing influence on the Defendant than a person losing their license who lives in an urban area such as Philadelphia or Pittsburgh and such a greater penalty is a violation of the Defendant's equal protection rights pursuant to both the Federal and Pennsylvania State Constitutions;

7. Defendant received his notice of license suspension as attached and marked "Defendant's Exhibit One";

8. The filing of this appeal should act as a supersedeas and restrict the Department of Transportation from suspending the Defendant's license until final disposition of this case;

WHEREFORE, the Defendant would request that this court disallow the Department of Transportation to suspend the Defendant's license for the reasons previously suggested.

RESPECTFULLY SUBMITTED:
