GENERAL INFORMATION:

Corporation Tax Liens provided under the Fiscal Code arise at the time of settlement (assessment) and are liens upon the franchises and property, both real and personal, with no further notice. The filing of a Notice of Lien with a county Prothonotary is not a requisite, and the lien remains in full force and validity without filing of revival until paid.

Inheritance Tax Liens are liens on real estate which continue until tax is paid.

Personal Income Tax, Employer Withholding Tax, Realty Transfer Tax, Sales and Use Tax, Liquid Fuels Tax, Fuel Use Tax, Motor Carriers Road Tax and Motorbus Tax liens are liens upon the franchises as well as real and personal property of taxpayers, but only after they have been entered and docketed of record by the Prothonotary of the county where such property is situated and shall not attach to stock of goods, wares, or merchandise regularly used in the ordinary course of business of the taxpayer. The lien has priority from the date of entry of record.

PLACE OF THE FILING NOTICE FORM

PLACE OF FILING: The notice of lien shall be filed: (a) In the case of Real Property, in the office of the Prothonotary of the county in which the property subject to the lien is situated and (b) in the case of Personal Property, whether tangible or intangible, in the office of the Prothonotary of the county in which the property subject to lien is situated.

AUTOMATIC REVIVAL OF NOTICE AND PRIORITY OF NOTICE

GENERAL RULE: According to the Fiscal Code, the Notice of Lien is automatically revived and does not require resubmission of the Notice by the Commonwealth. Any Notice of Lien filed by the Commonwealth shall have priority to, and be paid in full, before any other obligation, judgement, claim, lien, or estate is satisfied from a subsequent judicial sale or liability with which the property may be charged. EXCEPTION: The Commonwealth does not maintain priority of tax liens over any existing mortgages or liens which are properly recorded at the time that the tax lien is filed. SEE: Act of December 12, 1994, P.L. 1015, No. 138.

RELEASE OF LIEN

Subject to such regulation as the Secretary or his delegate may prescribe, the Secretary or his delegate may issue a certificate of release of any lien imposed with respect to any tax if: (1) the liability is satisfied, satisfaction consisting of payment of the amount assessed together with all interest and costs in respect thereof; or (2) the liability has become legally unenforceable. EXCEPTION: Interest on Corporation Taxes is computed after a lien is paid.

SETTLEMENT OF ACCOUNT

The "Total" column (Column 7) for each type of tax listed on this Notice of Lien comprises the balance of Tax Due (Column 6) plus assessed additions and/or penalties, and assessed and accrued interest up to the interest computation date on the face of this notice.

If payment or settlement of account is made after the interest computation date, the payment must include the lien filing costs and accrued interest from the interest computation date to and through the payment date.

For any delinquent taxes due on or before December 31, 1981, interest is imposed at the following rates.
