SECURE VALUE ULTIMATE

Includes all of the above Secure Value Plus, but changes the definition of Failure as follows:

For Secure Value Ultimate and Major Value Contracts, "Failure" is defined as Failure of a covered part under service. A Failure is deemed to have occurred when a covered part can no longer perform the function for which it was designed solely due to the condition of the part, and not due to the action or inaction of any non-covered parts. In addition, a Failure will be deemed to have occurred when a covered part has worn beyond the manufacturer's tolerances allowed for the particular Vehicle at the mileage when the problem occurs.

MAJOR VALUE

Administrator agrees, subject to the terms and conditions as itemized herein, that it will, for the period of time this Contract is in effect, make repair or replacement as a result of Failure (parts and labor) to any part (except as noted in Section "What is Not Covered by Contract") of Contract Holder's vehicle covered hereunder or cause such repairs or replacements to be made by an authorized repair facility.

Benefits

CAR RENTAL REIMBURSEMENT: Should Contract Holder's vehicle become inoperable and have to remain overnight for repair at the Dealership, Administrator agrees, in the event of a Failure of a covered component, to furnish or reimburse the Contract Holder for rental car transportation (except where prohibited by law). Such expense shall be limited to thirty dollars (\$30) per calendar day and not to exceed one hundred fifty dollars (\$150) per occurrence. Should vehicle remain overnight for required repairs, one (1) day car rental reimbursement will apply.

ADDITIONAL CAR RENTAL BENEFITS: Car rental benefit will be increased to the amount specified herein if repairs are delayed due to parts availability, provided additional authorization is obtained from the Administrator. Additional car rental coverage due to parts availability will be thirty dollars (\$30) per day with a one hundred fifty dollar (\$150) limit (except where prohibited by law).

TOWING AND ROAD SERVICE: Administrator agrees in the event of a Failure of a covered component to reimburse Contract Holder for expenses up to a total of fifty dollars (\$50) for towing and/or emergency road service labor, provided your vehicle is disabled as a result of a Failure of a covered part, and such labor is performed at the scene (except where prohibited by law).

TRAVEL EXPENSES: Contract Holder will receive reimbursement from Administrator up to seventy-five (\$75) per day for a maximum of three (3) days for expenses for meals (restaurants only) and/or lodging (hotels/motels only) incurred provided: (1) Contract Holder cannot utilize vehicle due to a Failure covered under this Contract, and is more than one hundred (100) miles from home; and (2) meals and/or lodging are required because the Failure, as defined, causes a delay en route. The date of the Failure shall be considered the first day of the three (3) day maximum period (except where prohibited by law). The expense must be incurred between the time

of the breakdown and the time when repairs are completed; or by the end of third calendar day subsequent to the Failure if the repairs are not completed, whichever occurs first.

CONTRACT RENEWAL: This Contract may be renewed for continuous one (1) year terms at the then prevailing renewal rate. Contact Administrator at least thirty (30) days or one thousand (1,000) miles prior to the expiration of this Contract for details, including rates and inspection requirements.

Maintenance Requirements

As a condition precedent to the obligation of Administrator to repair or replace covered parts or components, Contract Holder shall have complied with all Terms and Conditions of Contract including specifically, but without limitation, the requirements for maintaining the vehicle.

- A. You must service and maintain serviceable, covered parts according to Manufacturer's recommendations for new vehicles.
NOTE: Most Manufacturers have separate required maintenance schedules for "normal" and "more severe" operating conditions. Most vehicles today are operated under the "more severe" conditions which require more frequent maintenance, including shorter (3,000 miles) oil and filter changes and transmission fluid changes. All operating conditions require coolant changes at 30,000 miles. Other maintenance requirements are listed in your owner's manuals. Check with your Issuing Dealer's Service Manager.
- B. Used vehicles are required to have the oil changed every three months or 3,000 miles (oil filter every other oil change). Transmission oil change and engine tune-up required every 12 months or 12,000 miles.
- C. Be sure ONLY the proper high quality grade of lubricants and coolants as recommended by the Manufacturer are used in your vehicle.
- D. Damage caused by inadequate fluid levels is not covered by this Contract. Check your fluid levels every 300 miles or when refueling. **KEEP ALL YOUR MAINTENANCE RECEIPTS AND REPAIR ORDERS** - Proof of proper maintenance may be required for certain repairs under this Contract.

What To Do In The Event Of A Failure

It is the duty of Contract Holder to use all reasonable means and precautions to protect the vehicle from further damage. Continued operation of the vehicle after any Failure occurs shall, in all cases, constitute failure to protect the vehicle; and any further damage as a result of Contract Holder's failure to protect the vehicle shall not be recoverable.

1. Return the vehicle to Issuing Dealer during normal Service Department working hours.
2. While traveling out of Issuing Dealer's area, covered repairs may be made by the nearest dealer or Repair Facility of your choice. The Repair Facility must obtain an authorization number from Administrator's Claim Department (800-942-0400) prior to proceeding with repairs.
3. In the event of any dispute between Administrator and the repair facility, Administrator shall have the right to take possession and remove said vehicle to a repair facility of Administrator's choice.
4. Administrator will then reimburse you for all covered repairs.

Transfer Rights

This Contract is for the benefit of the original Contract Holder and is transferable subject to a transfer fee and inspection, providing:

1. Proof of transfer of the remaining Manufacturer's warranty is provided, if applicable.
2. Contract is being transferred to a subsequent private purchaser of Contract Holder's vehicle.
(Transfer rights are voided when vehicle is either traded or sold to an Automobile Dealer or Broker.)

Transfer Procedure

Submit the following:

1. Transfer application (available from Dealer or Administrator)
2. Bill of sale showing sale date and mileage at time of sale
3. \$50.00 check to Administrator within fifteen (15) days of transfer of vehicle ownership

Contract Cancellations

- A. In the event of a valid repossession or total loss of the vehicle covered under this Contract, the rights under this Contract shall immediately transfer to the lienholder.
- B. If the covered vehicle and/or this Contract has been financed through a lender and Contract Holder defaults in repayment obligations to that lender, Administrator reserves the right to either cancel this Contract or transfer the rights under this Contract to the lender. In the event of cancellation, the lender shall be entitled to any resulting refunds.
- C. 1. This Contract is cancelable by Contract Holder or Lienholder. The entire Contract fee will be considered unearned, if notice of cancellation is given during the first 60 days provided that you have not entered a claim.
2. If a claim against Contract is made during the first 60 days, or if a cancellation is requested after the above time period, Administrator will refund an amount of the unearned Contract fee according to the pro-rata method reflecting the greater of the days in force or the miles driven related to the Term of this Contract.
3. A \$35.00 service charge (\$25.00 in AL, CA, WA) will be deducted from all refunds.
4. You may cancel by providing the Administrator with:
 - a. The customer copy of the Declaration Page,
 - b. A simple letter signed by Contract Holder stating the current mileage, date and requesting cancellation.
- D. If a lien is outstanding against the covered vehicle and/or this Contract itself, any refunds will be made payable to the lienholder.
- E. Cancellation rights are for the benefit of the original Contract Holder only (except for lienholders).

NOTE: Georgia only - The cancellation service charge is waived, and all cancellation notices will conform to OCGA33-24-44.

Limit of Liability

The aggregate Limit of Liability for each Vehicle Service Contract shall be equal to the purchase price of the vehicle and the Limit of Liability per loss shall be equal to the actual cash value of the vehicle at the time of the loss.

SALES, INC., it is hereby

ORDERED, DIRECTED, AND DECREED that Plaintiff is directed to file a more

alleges this Defendant violated, within twenty (20) days, ~~or this matter will be dismissed with~~
~~prejudice.~~

INTERSTATE NATIONAL DEALER

Defendant

No. 00 - 1239 C.D.

**DEFENDANT'S, TEAM MOTOR SALES, INC.
PRELIMINARY OBJECTIONS TO PLAINTIFF'S COMPLAINT**

AND NOW, comes Defendant, TEAM MOTOR SALES, INC., by and through its Attorneys, JUBELIRER, CAROTHERS, KRIER & HALPERN, and files the within Preliminary Objections to Plaintiff's Complaint, and in support thereof avers the following:

1. Plaintiff has filed a claim against the above-captioned Defendants, alleging breach of contract, fraud, and breach of warranty.

2. As to this Moving Defendant, Plaintiff basically alleges that Team sold him a Jeep Wrangler, misrepresenting that a "100 point test" had been performed, and the Jeep Wrangler was in good working condition. Plaintiff's alleged harm is that the Jeep Wrangler was not in good working condition and the front and/or four wheel drive did not work properly as of June 1, 2000, when the car had approximately 51,000 miles on the odometer. In his Complaint, Plaintiff sets forth related averments against Interstate National Dealer Services, Inc. who has filed an Answer with New Matter.

3. Pennsylvania Rule of Civil Procedure No. 1019(a), provides that the material facts upon which a cause of action is based shall be stated in a concise and summary form.

4. At Count III Plaintiff alleges that the liability of Team Motor Sales, Inc. is based upon "consumer fraud within the meaning of the Pennsylvania Statutes" (paragraph 20) but fails to identify what statutes have allegedly been violated.

5. Pennsylvania is a fact pleading state. As such, specificity in pleading is required. Rule 1019(a) of the Pennsylvania Rules of Civil Procedure requires that a plaintiff plead "[t]he material facts on which a cause of action or defense is based...in a concise and summary form."

6. The purpose of this rule of civil procedure is to assure that a defendant is apprised of that against which he is to defend. Landau v. Western Pennsylvania National Bank, 445 Pa. 217, 282 A.2d 335 (1971); Smith v. Wagner, 403 Pa.Super. 316, 588 A.2d 1308 (1991).

7. Plaintiff has not identified the Pennsylvania Statutes he alleges Moving Defendant violated.

8. Without this data, Moving Defendant cannot assess the merits of Plaintiff's cause(s) of action or the adequacy thereof, and is fundamentally prejudiced in the preparation of a defense.

9. Plaintiff's open ended averment that some unidentified statute has been violated could be interpreted to mean any number of claims throughout the pendency of this case, to this Defendant's detriment.

10. Moving Defendant cannot defend against claims Plaintiff has asserted without knowing the material facts upon which such claims are based. The statute Plaintiff alleges Defendant violated is essential to the claims made, and defenses to be asserted.

WHEREFORE, Defendant, TEAM MOTOR SALES, INC., respectfully requests that Plaintiff be directed to file a more specific pleading with regard to Count III, specifically identifying the Pennsylvania Statute he alleges this Defendant violated.

**ANSWER TO DEFENDANT INTERSTATE NATIONAL DEALER
SERVICES, INC.'S NEW MATTER**

AND NOW, comes Plaintiff, Richard J. Kromer, by and through his attorneys, The Hopkins Law Firm, and answers the New Matter of Defendant Interstate National Dealer Services, Inc. as follows:

29. No answer is required of this paragraph.

30. Denied. When Plaintiff purchased the motor vehicle, the odometer read 43,023 miles. When the vehicle was brought in for transmission problems, the odometer read between 50,000 and 51,000 miles.

31. Denied. Plaintiff maintained the vehicle correctly.

32. Denied. Plaintiff denies the transmission was damaged as a result of mud and water contamination in the transfer case while Plaintiff owned the motor vehicle.

33. Denied. To the best knowledge, information and belief, the cause of the failure of the transmission was either no oil in transmission when it was purchased or the transmission was damaged when purchased.

34. Denied. Plaintiff denies he abused the vehicle or operated the vehicle off road and further denies Plaintiff was under an obligation to lubricate the transfer case within the first 7,000 miles of his ownership.

35. Admitted in part and denied in part. Plaintiff admits the provisions of the New Vehicle Service Contract states, "What Is Not Covered by Contract", allegedly excludes liability for "damage caused by loss of oil, lubricant or coolant, regardless of the cause," Plaintiff denies the language set forth under Paragraph H prohibits Plaintiff's recovery. By way of further answer, Plaintiff states the exclusions set forth in Paragraph H are void.

36. Admitted.

37. (a) Denied. Plaintiff denies he abused the vehicle.

(b) Denied. Plaintiff denies he failed to properly maintain the vehicle or to check the oil levels in the transmission, transaxle or other vehicle components inasmuch as same was not necessary within the first 7,000 miles of Plaintiff's operation.

(c) Denied. Plaintiff denies he was under an obligation to check the oil levels in the transmission, transaxle or other vehicle components inasmuch as same was not necessary within the first 7,000 miles of Plaintiff's operation.

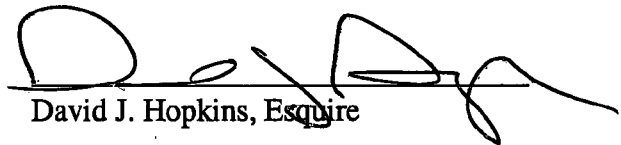

(d) Denied. Plaintiff denies the transmission, transaxle or other components were submerged in water.

(e) Denied. Plaintiff denies the transmission was damaged as a result of mud and water contamination in the transfer case while Plaintiff owned the motor vehicle.

(f) Denied. Plaintiff denies he failed to properly lubricate the transfer case, the transmission, or other vehicle components inasmuch as same was unnecessary within the first 7,000 miles of Plaintiff's ownership of the vehicle.

WHEREFORE, Plaintiff, Richard J. Kromer, respectfully request the Court dismiss Defendant's Interstate National Dealer Services, Inc.'s New Matter with prejudice.

Respectfully submitted,

David J. Hopkins, Esquire
