Dear Mr. & Mrs. Shilala:

Because the Pennsylvania Department of Transportation has been unable to reach an agreement with you for the purchase of the right-of-way required from your property for the above improvement, the Department has acquired the necessary interest by filing a Declaration of Taking to the above Court and Term Number. A copy of the Declaration of Taking is attached hereto, together with a memorandum explaining your rights as a condemnee under the Eminent Domain Code.

One of the most important of these rights is your right to receive payment of \$9,600.00, the amount to which the Department estimates you are entitled as just compensation. This payment will be made to you without jeopardizing in any way your right to petition the court to appoint a Board of Viewers to determine the amount of damages to which you are entitled. Your Right-of-Way Representative will visit you shortly to help you apply for your payment on account. We urge you to sign the necessary papers so that we can process your payment without delay.

If you do not apply for your payment on account within 30 days, the money will be deposited into court, where it will be held for you without interest. The money thus deposited may then be withdrawn only by your application to court.

Even though we have had to file a Declaration of Taking - and even after payment to you or into court of your estimate of just compensation - we remain willing and anxious to discuss your claim with you. Of course, it is our primary aim to settle your claim; however, it is also our responsibility to see that you are fully advised of your rights and how to protect them.

Dear Mr. & Mrs. McClure:

Because the Pennsylvania Department of Transportation has been unable to reach an agreement with you for the purchase of the right-of-way required from your property for the above improvement, the Department has acquired the necessary interest by filing a Declaration of Taking to the above Court and Term Number. A copy of the Declaration of Taking is attached hereto, together with a memorandum explaining your rights as a condemnee under the Eminent Domain Code.

One of the most important of these rights is your right to receive payment of \$10,100.00, the amount to which the Department estimates you are entitled as just compensation. This payment will be made to you without jeopardizing in any way your right to petition the court to appoint a Board of Viewers to determine the amount of damages to which you are entitled. Your Right-of-Way Representative will visit you shortly to help you apply for your payment on account. We urge you to sign the necessary papers so that we can process your payment without delay.

If you do not apply for your payment on account within 30 days, the money will be deposited into court, where it will be held for you without interest. The money thus deposited may then be withdrawn only by your application to court.

Even though we have had to file a Declaration of Taking – and even after payment to you or into court of your estimate of just compensation – we remain willing and anxious to discuss your claim with you. Of course, it is our primary aim to settle your claim; however, it is also our responsibility to see that you are fully advised of your rights and how to protect them.

Sincerely yours,

Michael Hnat
