To the Hon Judges of the Courts
of Justice at Sessions at Sep Sessions
1869

The undersigned citizens
of Alameda Co in the County of Alameda
respectfully represent that at Jan'y
Sessions 1868 an Road was ordered to
be laid out from San Francisco in said
to Alameda's Township - That said
order has ^{lifted} given Green and no road
has been opened on said view - They
further represent that to open a road
on said view would be expensive and
do great damage to persons along
said route, while a road could there
be laid to open which would be atten-
ded with much less expense and not
do so much injury to property, holders
along the line thereof. They therefore
ask your Honor to grant them as
they desire to vacate said road and
report a route for road not
subject to these objections
And they will serve
