PLAINTIFFS' COMPLAINT

NOTICE

You have been sued in court. If you wish to defend against the claims set forth in the following pages, you must take action within twenty (20) days after this complaint and notice are served, by entering a written appearance personally or by attorney and filing in writing with the court your defenses or objections to the claims set forth against you. You are warned that if you fail to do so the case may proceed without you and a judgment may be entered against you by the court without further notice for any money claimed in the complaint or for any other claim or relief requested by the plaintiff. You may lose money or property or other rights important to you.

YOU SHOULD TAKE THIS PAPER TO YOUR LAWYER AT ONCE. IF YOU DO NOT HAVE A LAWYER OR CANNOT AFFORD ONE, GO TO OR TELEPHONE THE OFFICE SET FORTH BELOW TO FIND OUT WHERE YOU CAN GET LEGAL HELP.

David S. Meholick, Court Administrator
Clearfield County Courthouse
Clearfield, PA 16830
(814) 765-2641, Ext. 5982

1. The amount in controversy in this action does not exceed the amount requiring submission to compulsory arbitration under the applicable local rules of court.

2. The Plaintiffs are James E. Dohner and Lisa M. Dohner, husband and wife, adult individuals, with an address of 334 Turnpike Avenue, Clearfield, Clearfield County, Pennsylvania.

3. The Defendant is Shaner Energy, Inc., d/b/a Shaner Energy, a Pennsylvania corporation with a business address of 40 Pennsylvania Avenue, Huntingdon, Huntingdon County, Pennsylvania.

4. At all times relevant and material hereto, Plaintiffs were the owner of a residential apartment building ("Building") located at 334 Turnpike Avenue, Clearfield, Clearfield County, Pennsylvania.

5. On or about February 10, 2001, Plaintiffs contracted with Defendant to install in a reasonable and workmanlike manner a furnace, tank and fuel line, which included an oil burner ("Oil Burner"). Plaintiffs are currently not in possession of the contract and have therefore not attached said contract to Plaintiffs' Complaint, but Plaintiffs believe and therefore aver that Defendant is in possession of said contract.

6. On or about February 10, 2001, Defendant installed a one-line fuel delivery system ("Fuel Delivery System") from the top of the storage tank for the Oil Burner.

7. Subsequent to the Fuel Delivery System being installed by Defendant in the Building and prior to December 31, 2001, the Fuel Delivery System repeatedly failed

causing heat loss to the Building, which failure of the Fuel Delivery System was reported to Defendants.

8. At all times relevant and material hereto, Defendant was responsible for the design, planning, labor, materials, equipment, and installation to perform and install the Fuel Delivery System and Oil Burner.

9. On or about December 31, 2001, the Fuel Delivery System failed, which directly and proximately resulted in the furnace malfunctioning and corresponding heat loss to the Building.

10. As a direct and proximate result of the heat loss to the Building, plumbing lines and radiators froze in the Building causing water/plumbing lines to break and/or crack resulting in extensive water damage to the Building in the amount of Twenty-One Thousand Five Hundred Ninety-Three and Ninety-Seven Cents (\$21,593.97).

11. The aforesaid damages in the amount of Twenty-One Thousand Five Hundred Ninety-Three and Ninety-Seven Cents (\$21,593.97) sustained by Plaintiffs due to the actions and/or inactions of Defendant directly and proximately resulted from the negligence, carelessness and breach of contract on the part of Defendant which consisted of the following:

- a. Failing to properly design the Fuel Delivery System;
- b. Failing to properly observe the construction and/or installation of the Fuel Delivery System;

- c. Failing to properly inspect the assembly, construction and/or installation of the Fuel Delivery System;
- d. Failing to be vigilant and observant in the design, planning, construction and/or installation of the Fuel Delivery System;
- e. Failing to observe and appreciate the defects and/or negligent design and installation of the Fuel Delivery System;
- f. Failing to take timely and reasonable measures to correct and eliminate the defective and negligent design and installation of the Fuel Delivery System;
- g. Permitting the design and installation of the Fuel Delivery System in a manner which Defendant knew or should have known that said design and installation of the Fuel Delivery System was defective, negligent and not in compliance with industry and engineering standards;
- h. Failing to properly install the fuel oil piping from the fuel oil storage tank to the burner;
- i. Failing to connect the one-pipe fuel oil system to the bottom of the fuel oil tank;
- j. Failing to use a two pipe fuel oil system;
- k. Failing to properly identify and/or resolve problems with the fuel oil delivery system during service calls;

- l. Failing to repair the defective fuel oil delivery system during service calls;
- m. Failing to recognize that the one-pipe fuel oil delivery system was the cause of repeated problems with the Oil Burner installation;
- n. Using a one-pipe fuel oil delivery system in an installation that is not gravity fed;
- o. Installing a one-pipe fuel oil delivery system to remove oil from the top of the fuel tank, route it up to the basement ceiling and then down to the Oil Burner;
- p. Failing to reasonably supervise installation of the fuel delivery system;
- q. Failing to identify improper installation and design of the fuel delivery system;
- r. Failing to observe work on the fuel delivery system and note patent deficiencies in the design and installation of the fuel delivery system;
- s. Failing to assure reasonable installation and design of the fuel delivery system;
- t. Failing to follow normal and established procedures in engineering and applicable industries;
- u. Failing to follow normal and established concepts as to the design and installation of the fuel delivery system;

- v. Failing to provide in a reasonable and workmanlike manner the services that Defendant had undertaken to provide to the Plaintiffs;
- w. Being inattentive;
- x. Violating applicable statutes, codes, regulations, and ordinances; and
- y. Being otherwise careless and negligent as further discovery and investigation may reveal.

COUNT I
Negligence

12. The averments contained in paragraphs 1 through 11 above are incorporated herein by reference as if the same were set forth at length herein.

13. The negligence of the Defendant as aforesaid was a substantial factor in causing the damages the Plaintiffs allege to have occurred as a result of the aforesaid actions and/or inactions.

WHEREFORE, Plaintiffs demand judgment against the Defendant in the amount of Twenty-One Thousand Five Hundred Ninety-Three and Ninety-Seven Cents (\$21,593.97), together with delay damages and costs of suit.

COUNT II
Breach of Contract

14. The averments contained in paragraphs 1 through 13 above are incorporated herein by reference as though the same were set forth at length herein.

15. The Defendant breached its contract with the Plaintiffs.

16. The Defendant's breach of contract was the cause of the Plaintiffs' damages as more fully set forth above.

WHEREFORE, Plaintiffs demand judgment against the Defendant in the amount of Twenty-One Thousand Five Hundred Ninety-Three and Ninety-Seven Cents (\$21,593.97), together with costs of suit.

COUNT III
Breach of Implied Warranty

17. The averments contained in paragraphs 1 through 16 above are incorporated herein by reference as though the same were set forth at length herein.

18. At the time the Plaintiffs entered into the contract with Defendant, the Defendant impliedly warranted that it would diligently and reasonably provide for the services set forth in the contract between Plaintiffs and Defendant.

19. The Defendant breached its implied warranties as aforesaid.

WHEREFORE, Plaintiffs demand judgment against the Defendant in the amount of Twenty-One Thousand Five Hundred Ninety-Three and Ninety-Seven Cents (\$21,593.97), together with costs of suit.

	:
vs.	: CIVIL ACTION - LAW
	:
SHANER ENERGY, INC. d/b/a	: NO.: 03-669-CD
SHANER ENERGY,	:
Defendant	:

ANSWER AND NEW MATTER

AND NOW, comes the Defendant, Shaner Energy, Inc. d/b/a Shaner Energy, by and through its attorneys, SULLIVAN, FORR, STOKAN AND HUFF, and files this its Answer and New Matter to Plaintiffs' Complaint and states as follows:

ANSWER

- | | |
|-----------|----|
| | 1. |
| Admitted. | |
| | 2. |
| Admitted. | |
| | 3. |
| Admitted. | |
| | 4. |

After reasonable investigation, the Defendant is without knowledge or information sufficient to form a belief as to the truth of the averment and, as such, the same is denied and strict proof thereof is demanded at time of trial.

5.

Admitted in part and denied in part. It is admitted that the Plaintiffs' contract with Defendant was to install in a reasonable and workmanlike manner a 137 BTU cast iron boiler with domestic coil which included a cast iron boiler. It is denied that the contract was dated February 10, 2001 as the actual contract date was January 6, 2000. A copy of the proposal and contract dated January 6, 2000 is attached, marked as Exhibit "A" and incorporated by reference.

6.

Denied by virtue of and pursuant to Pa. R.C.P. 1029(e). By way of further answer, it is denied that on February 10, 2001 Defendant installed a one line fuel delivery system from the top of the storage tank for the oil burner. To the contrary, a fuel oil tank was supplied by the Plaintiffs and the Defendant supplied and connected the fuel line from the tank to the furnace.

7.

Denied by virtue of and pursuant to Pa. R.C.P. 1029(e). By way of further answer, it is denied that any fuel delivery system installed by Defendant repeatedly failed causing heat loss to the building, which failure of the fuel delivery system was reported to Defendants. To the contrary, the oil supply to the furnace was a one line system coming out of the top of the

fuel tank and was connected to the furnace which operated properly. Further, the Plaintiffs never reported a repeated failure of the fuel delivery system to the Defendant as there was only one service call on the furnace on October 27, 2000, several months after the furnace was installed on February 10, 2000.

8.

Denied by virtue of and pursuant to Pa. R.C.P. 1029(e). By way of further answer, the Defendant's obligations are set forth in the proposal and contract dated January 6, 2000, attached hereto as Exhibit "A".

9.

Denied by virtue of and pursuant to Pa. R.C.P. 1029(e). By way of further answer, after reasonable investigation, the Defendant is without knowledge or information sufficient to form a belief as to the truth of whether the fuel delivery system on the furnace malfunctioned resulting in corresponding heat loss and, as such, strict proof thereof is demanded at time of trial. Further, it is denied that the Defendant is responsible for any of Plaintiffs' damages.

10.

Denied by virtue of and pursuant to Pa. R.C.P. 1029(e). By way of further answer, any water damage which occurred is solely due to the Plaintiffs' failure to report any malfunction or loss of heat to the Defendant in a timely manner and it is specifically denied that the Defendant is responsible for any of Plaintiffs' alleged losses.

11. (a) through (y)

Denied by virtue of and pursuant to Pa. R.C.P. 1029(e). By way of further answer, paragraph 11 contains legal conclusions to which no response is necessary. To the extent a response is necessary, it is denied that any of Plaintiffs' alleged damages are due to the action and/or inaction of the Defendant or that the Defendant directly and proximately caused any of Plaintiffs' damages by and through any negligence, carelessness or breach of contract on the part of the Defendant.

COUNT I - NEGLIGENCE

12.

The Defendant incorporates by reference its answers to paragraphs 1 through 11 of Plaintiffs' Complaint as if fully set forth at length herein.

13.

Paragraph 13 contains legal conclusions to which no response is necessary. To the extent a response is necessary, the same are denied by virtue of and pursuant to Pa. R.C.P. 1029(e)

WHEREFORE, the Defendant, Shaner Energy, Inc. d/b/a Shaner Energy, demands judgment in its favor and against the Plaintiffs, James E. Dohner and Lisa M. Dohner, and respectfully requests that Plaintiffs' Complaint be dismissed with prejudice.

COUNT II - BREACH OF CONTRACT

14.

The Defendant incorporates by reference its answers to paragraphs 1 through 13 of Plaintiffs' Complaint as if fully set forth at length herein.

15.

Paragraph 15 contains a legal conclusion to which no response is necessary. To the extent a response is necessary, the same is denied by virtue of and pursuant to Pa. R.C.P. 1029(e).

16.

Paragraph 16 contains legal conclusions to which no response is necessary. To the extent a response is necessary, the same are denied by virtue of and pursuant to Pa. R.C.P. 1029(e).

WHEREFORE, the Defendant, Shaner Energy, Inc. d/b/a Shaner Energy, demands judgment in its favor and against the Plaintiffs, James E. Dohner and Lisa M. Dohner, and respectfully requests that Plaintiffs' Complaint be dismissed with prejudice.

COUNT III - BREACH OF IMPLIED WARRANTY

17.

The Defendant incorporates by reference its answers to paragraphs 1 through 16 of Plaintiffs' Complaint as if fully set forth at length herein.

18.

Admitted.

19.

Paragraph 19 contains a legal conclusion to which no response is necessary. To the extent a response is necessary, the same is denied by virtue of and pursuant to Pa. R.C.P. 1029(e).

WHEREFORE, the Defendant, Shaner Energy, Inc. d/b/a Shaner Energy, demands judgment in its favor and against the Plaintiffs, James E. Dohner and Lisa M. Dohner, and respectfully requests that Plaintiffs' Complaint be dismissed with prejudice.

NEW MATTER

1.

The Defendant incorporates by reference his answers to paragraphs 1 through 19 of Plaintiff's Complaint as if fully set forth at length herein.

2.

The Plaintiffs never reported to the Defendant a repeated failure of the fuel delivery system and, to the contrary, the Defendant never received any complaint regarding the heating unit and there was only a routine service call on the furnace on October 27, 2000, several months after the furnace was installed on February 10, 2000.

3.

Any damages that occurred to Plaintiffs' premises occurred solely due to Plaintiffs' own failure to report any malfunction or loss of heat to the Defendant in a timely manner.

4.

Any damage which occurred to the Plaintiffs' property resulted solely due to Plaintiffs' own negligence and carelessness in leaving the premises unoccupied and with the heating unit shut off for an extended period of time which directly caused the freezing of the pipes and radiators in the Plaintiffs' premises.

5.

Other than the routine service call which was conducted on October 27, 2000, the Defendant was at no time notified of any problem with the furnace, boiler or any other part of the heating unit until the alleged date of loss.

6.

Oil was delivered to the Plaintiffs on November 9, 2001 at which time 213.7 gallons were supplied.

7.

The next automatic oil delivery to Plaintiffs took place on December 21, 2001 at which time the oil tank accepted only 12.5 gallons of oil, an amount that would only run the boiler for approximately one to two days.

8.

As a result of the amount of oil utilized by the heating system between November 9, 2001 and December 21, 2001, it is believed and therefore averred that the Plaintiffs' premises was left unoccupied without heat for an extended period of time which directly caused the damage to Plaintiffs' property.

9.

Due to the Claimants' own negligence in leaving the property unoccupied and without heat for an extended period of time, the Plaintiffs failed to exercise due diligence in protecting his own property and the damages that took place on December 31, 2001 are directly related to such negligence on the part of the Plaintiffs.

10.

The Plaintiffs' action is barred by the applicable statute of limitations which is herein and hereby raised as an affirmative offense.

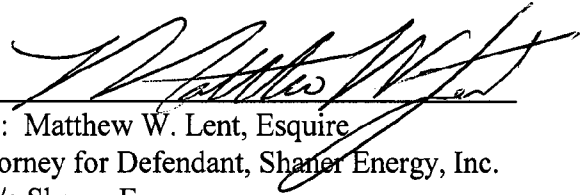

11.

Due to the Plaintiffs' own conduct in causing his own damages and his failure to report any ongoing problem with the furnace to the Defendant prior to the date of loss, the Plaintiffs' action is barred by the doctrines of estoppel and laches which is herein and hereby raised as affirmative defenses.

WHEREFORE, the Defendant, Shaner Energy, Inc. d/b/a Shaner Energy, demands judgment in its favor and against the Plaintiffs, James E. Dohner and Lisa M. Dohner, and respectfully requests that Plaintiffs Complaint be dismissed with prejudice.

Respectfully submitted,

SULLIVAN, FORR, STOKAN & HUFF

ANSWER OF PLAINTIFFS TO DEFENDANT'S NEW MATTER

1. Plaintiff incorporates by reference as if set forth at length herein paragraphs 1 through 19 of Plaintiffs' Complaint.

2. Denied. Plaintiffs' complained to Defendant about failure of the heating unit and fuel delivery system prior to the damages sustained by Plaintiffs.

3. Denied. The averments contained in paragraph 3 are generally denied pursuant to Pa. R.C.P. 1029(e).

4. Denied. The averments contained in paragraph 4 are generally denied pursuant to Pa. R.C.P. 1029(e).

5. Denied. Plaintiffs' complained to Defendant about failure of the heating unit and fuel delivery system prior to the damages sustained by Plaintiffs.

6. Denied. The averments contained in paragraph 6 are generally denied pursuant to Pa. R.C.P. 1029(e).

7. Denied. The averments contained in paragraph 7 are generally denied pursuant to Pa. R.C.P. 1029(e).

8. Denied. The averments contained in paragraph 8 are generally denied pursuant to Pa. R.C.P. 1029(e).

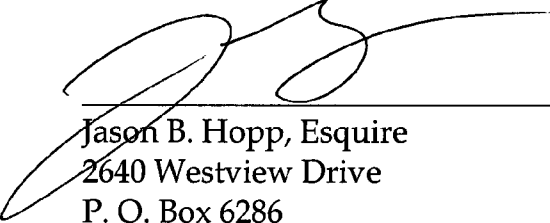

9. Denied. The averments contained in paragraph 9 of Defendant's New Matter are averments of law, conclusions of law, or conclusions of fact to which no responsive pleading is required.

10. Denied. The averments contained in paragraph 10 of Defendant's New Matter are averments of law, conclusions of law, or conclusions of fact to which no responsive pleading is required.

11. Denied. The averments contained in paragraph 11 of Defendant's New Matter are averments of law, conclusions of law, or conclusions of fact to which no responsive pleading is required.

WHEREFORE, Plaintiffs, James E. Dohner and Lisa M. Dohner request that this Honorable Court enter judgment in their favor and against Defendant.
