INSTRUCTIONS:

1. Refer to the DC-ADM 804 for procedures on the inmate grievance system.
2. State your grievance in Block A in a brief and understandable manner.
3. List in Block B the specific actions you have taken to resolve this matter informally. Be sure to include the identity of staff members you have contacted.

A. Provide a brief, clear statement of your grievance. Additional paper may be used, maximum two pages.

On November 22, 2002, I was called back to FB Unit. I was confronted by Unit Manager Mr. Everhart, and a Security SGT. I was then told to wait in Ms. Deskevich office and while I was in her office I ask her whats this about. She said wait until Mr. Everhart tell me, and she had nothing to do with whats going on. Mr. Everhart and Security SGT. (name I don't no) entered ms. Deskevich office, immediately Mr. Everhart informed me that they received three (3) C.I. informant request slips/information stating I've been stalking, threatened and plan on taking action against Ms. Deskevich. I then turn to Ms. Deskevich and ask her if I cause her to feel threatened, afraid and/or had any problem with me. She said NO. In fact she had me help her fill out some paperwork she needed my old ceelly non-speaking english to fill out) If she felt threatened, fraid, and scare of me she won't have asked me for assistance. Mr. Everhart then bring up an one and half year old misconduct report I received at Western Pen. (unauthorized use of mail) his reasoning was because of the old misconduct report. I would repeat and do it again. I was told to pack my things I'll be moving to CB Unit. Because he feel afraid for Ms. Deskevich even though she don't feel afraid of and/or threaten by me.

B. List actions taken and staff you have contacted, before submitting this grievance. Attach the copy of the DC-135A with the staff member's response of your informal resolution attempt.

At this meeting were presented: Mr. Everhart, Ms. Deskevich, and A security SGT. (whom name I don't no) Co. Mullen, and Regular FB unit 2 to 10 SGT. I asked why I had to move since I wasn't given an misconduct report for the allegations of the C.I. informants, nor was there any incident report, block card report, and/or any Facts, evidences, and/or Ms. Deskevich herself reporting I have been stalking her or any informal meeting with me about harassing, threaten, and/or being crime / criminal charges against me.

Your grievance has been received and will be processed in accordance with DC-ADM 804.

① all behind of hearsay information given by C.I. informants. Because I'm being falsely accused of stalking. I'm thinking about filing Criminal Complaints against all parties involved.

About 3-4 days ago, I confronted inmate Williams about spreading vicious False rumors about me. I was told he was doing so by 6 people on FB unit. I asked him was it true he was spreading vicious rumors that I'm incarcerated for raping/murdering three (3) 60 to 70 year old women. He said no, I then said that If I hear anymore rumors about me and if I do you and I handle our business. I then showed him my status charge sheet.

I don't no for sure if inmate Williams is one of C.I. informant, but if he is, well he just used and involved FB unit State employees to help him conspire and act under the color of law against me for him. I will then be bring charges against: CO. Brown, unit manager-Mr. Everhart, Counsel-Ms. Deskevich, 6 - 2 SGT, 2 - 10 SGT, CO. Conair, and other John Doe's who I.D. is not known to me at this time.

I'm being Discriminated against by S.C.I. Houtzdale and all its State employees, Staff members, and guards.

This is the second time that staff members and guards brought up my misconduct report(It was one and half years ago) to justify why actions is being taking against me. The First was when I worked over the school building and after three (3) days I was told by security LT., and CO. Ross who hired me that I'm being terminated because of the misconduct report I received at S.C.I.-Pittsburgh. (unauthorized use of mail).

The second was on 11/22/02, When mr. Everhart called me back to FB unit to justify his reason for moving me to CB unit, because of past one and half year ago same misconduct use before (unauthorized use of mail) against me to take unwarranted action against me.

I been at S.C.I. Houtzdale for one (1) year and haven't received no misconduct reports, bad block card, accidents reports, no bad work report, and/or any informations to warrant criminal charges against me, nor can you find anyone: staff members, guards, State employees, and inmates to say anything bad about me. (one or two persons will - take into considerations of those False accusations).

I Did my time for misconduct report at S.C.I. Pittsburgh: 60 days D.C. and 8 month ADM. Custody. When will this D.O.C. and its employees and S.C.I. Houtzdale stop judging me, Falsely accuse me, and discriminating against me.

Marcel Cook, AJ3114	SCI Houtzdale	CB-14	November 22, 2002

The following is a summary of my findings regarding your grievance:

Inmate Cook has filed this grievance regarding his move to C Unit from F Unit. He alleges that he was informed that he was moving to C Unit because staff had received three "C.I. Informant" request slips stating that he had been stalking, threatening and planning actions against Ms. Deskevich. He argues that he asked Ms. Deskevich if she was feeling threatened or afraid and she said "no." Cook adds that an incident from his past was used as part of this reasoning. He concludes by asking why a misconduct report had not been issued.

I personally made the decision to move Cook from the unit and informed him so. He was told that information had been received that raised concern regarding his focus on Ms. Deskevich. I had received information that he had been speaking with other inmates about his interest in her and making gestures behind her back so other inmates could see them. Also, it was reported that he had been intentionally attempting to loiter in the beverage alcove area in order to gain additional access to Ms. Deskevich's office. Staff had observed Cook attempting to loiter in the beverage alcove area and this raised concern. There was a brief discussion about the fact that Cook was transferred to this facility as a result of related activities and we wanted to avoid any problems again. At no time was there a mention of three request slips referring to threats or planned actions against this staff member. Ms. Deskevich was not asked if she was feeling threatened or afraid.

Had an actual threat been heard or substantiated, Cook would have been placed in the RHU and a misconduct report issued. This incident comes down to information received and actions observed that raise concern but do not constitute issuance of a misconduct. I decided that it was in the best interest of everyone to move inmate Cook from the unit. This alleviated the potential for nefarious behavior and addressed the concerns we had. No inmate has the right to be housed in a particular unit or cell.

This grievance is denied.

Re: DC-ADM 804 – Final Review
Grievance No. 36698

Dear Mr. Cook:

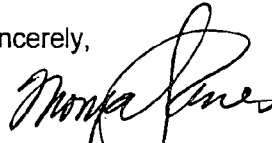

This is to acknowledge receipt of your appeal to final review of the above numbered grievance.

In accordance with the provisions of DC-ADM 804, effective May 1, 2002, I have reviewed the entire record of this grievance; including your initial grievance, the grievance officer's response, your appeal from initial review and the superintendent's response. I have also carefully reviewed the issues you raise to final review.

Upon completion of this review, it is the decision of this office to uphold the responses provided by staff at the institutional level. One basis of your appeal was that Unit Manager Everhart should not have been assigned as grievance officer since he was named in the grievance. Perhaps another unit manager or the major of unit management would have been a more appropriate choice to serve as grievance officer, however, the result would have been the same. Mr. Everhart would still have been required to provide the same information, but through another party. After considering the justification for the decision to move you to another unit, I determined that the move was appropriate. Your allegations of discrimination and false accusation have no merit.

The responses provided at the institutional level are appropriate and in accordance with Department of Corrections policies and procedures. Accordingly, your appeal to final review must be denied.

Sincerely,

Thomas L. James
