Dear Mr. JOHN MENCER:

We have received medical information indicating that you have a Neuropsychiatric condition which prevents you from safely operating a motor vehicle.

As of 08/30/2003, you may no longer drive. Your driving privilege is hereby recalled indefinitely as mandated by Section 1519(c) of the Vehicle Code.

This decision has been made by comparing your medical condition with the standards recommended by our Medical Advisory Board and adopted by this Department. In order to comply with this action, you must return all current Pennsylvania driver's licenses, learner's permits, temporary driver's licenses (camera cards) in your possession on or before the effective date listed above. If you cannot comply with the requirements stated above, a sworn affidavit stating that you are aware of the sanction against your driving privilege must be submitted. When the Department receives your license or affidavit, we will send you a receipt.

**YOU MAY NOT RETAIN YOUR DRIVER'S LICENSE FOR IDENTIFICATION PURPOSES.** However, you may apply for and obtain a photo identification card at any Driver License Center. You must present two (2) forms of proper identification (e.g., birth certificate, valid U.S. passport, marriage certificate, etc.) in order to obtain your photo identification card.

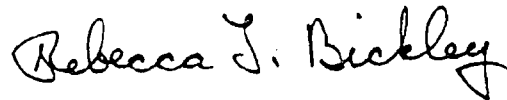

You have the right to appeal to the Court of Common Pleas (Civil Division) within thirty (30) days of the mail date of this notice. If you file an appeal in the County Court, the Court will give you a time-stamped certified copy of the appeal.
