VERIFIED COMPLAINT FOR BREACH OF CONTRACT

AND NOW comes Plaintiff, General Electric Capital Corporation ("G.E. Capital"), by its attorneys, Reed Smith LLP, and complains of Defendant Hanslovan Trucking Company, Inc. ("Hanslovan Trucking") as follows:

INTRODUCTION

1. As described more fully below, Ed Hanslovan Coal Company, Inc. ("Hanslovan Coal") has failed to make payments upon, and has therefore breached certain agreements with G.E. Capital herein referred to as Modification Agreement-004 and Modification Agreement-003 (collectively, the "Modification Agreements") through which Hanslovan Coal financed and gave as security certain commercial equipment for use in its mining operations (the "Collateral"). Modification Agreement-004 and Modification Agreement-003 are attached hereto as Exhibits "1" and "2" respectively. Specifically, Hanslovan Coal continues to use and derive proceeds from the use of the Collateral, but has for

an extended period of time, failed to make the required payments to G.E. Capital. The past due payments, fees and late charges are substantial and as of October 1, 2003 exceed \$162,031.82.

2. To further secure the obligations under the Modification Agreements, Defendant executed and delivered to G.E. Capital a Guaranty Agreement (the "Guaranty"). On April 5, 1996, Defendant Hanslovan Trucking, executed its Guaranty in favor of G.E. Capital. The Hanslovan Trucking Guaranty is attached hereto as Exhibit "3". Demand has been made upon Defendant to make the payments defaulted upon by Hanslovan Coal as required in the Guaranty, but Defendant has refused to remit such payments. The demand letter is attached hereto as Exhibit "4".

3. By this action, G.E. Capital requests that judgment be entered in its favor and against the Defendant for breach of the Guaranty as provided below.

4. Defendant Hanslovan Trucking is a corporation with a place of business located at Road 2, Box 230, Morrisdale, Pennsylvania 16858.

JURISDICTON AND VENUE

6. This Court has jurisdiction over Defendant Hanslovan Trucking as it has a principle place of business in Clearfield County, Pennsylvania.

7. Venue is appropriate in this Court pursuant to Pennsylvania Rule of Civil Procedure 1006 because the cause of action for breach of contract arose in Clearfield County.

COUNT I
HANSLOVAN TRUCKING BREACH OF GURANTY

41. G.E. Capital restates and incorporates by reference the allegations contained in Paragraphs 1 through 40 of the Complaint as if fully rewritten herein.

42. As set forth above, Hanslovan Coal has breached its obligations under the Modification Agreements by, inter alia, failing to make payments to G.E. Capital as required.

43. Pursuant to its Guaranty, Defendant Hanslovan Trucking unconditionally guaranteed the

due regular and punctual payment of any sum or sums of money which [Hanslovan Coal] may owe to [G.E. Capital] now or at any time hereafter, whether evidenced by an Account Document, on open account or otherwise, and whether it represents principal, interest, rent, late charges, indemnities, an original balance, an accelerated balance, liquidated damages, a balance reduced by partial payment, a deficiency after sale or other disposition of any leased equipment, collateral or security, or any other type of sum of any kind whatsoever that [Hanslovan Coal] may owe to [G.E. Capital] now or at any time hereafter, and does hereby further guaranty to [G.E. Capital], [its] successors or assigns, the due, regular and punctual performance of any other duty or obligation of any kind or character whatsoever that [Hanslovan Coal] may owe [G.E. Capital] now or at any time hereafter (all such payment and performance obligations being collectively referred to as "Obligations"). [Hanslovan Trucking] does hereby further guarantee to pay upon demand all losses, costs,

attorneys' fees and expenses which may be suffered by [G.E. Capital] by reason of [Hanslovan Coal's] default or default of [Hanslovan Trucking].

See Exhibit "3" (Hanslovan Trucking Guaranty at ¶1).

44. Despite notice and demand by G.E. Capital, Hanslovan Trucking refuses and continues to refuse to tender payment of all amounts owing to G.E. Capital under the Modification Agreements.

45. Hanslovan Trucking is without any contractual or good faith basis to withhold payments due G.E. Capital, and in fact is acting in direct contravention of the terms of its Guaranty.

46. Hanslovan Trucking breached its contractual obligations under its Guaranty by failing to make, or allowing Hanslovan Coal to fail to make, any payments to G.E. Capital for more than five (5) months.

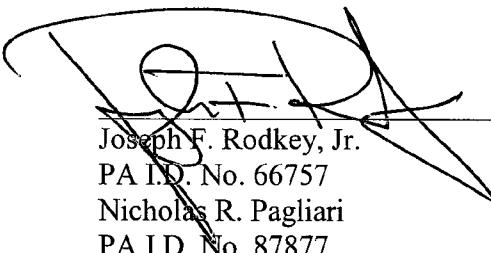

47. Pursuant to the terms of the Modification Agreements, G.E. Capital accelerated the balance on July 7, 2003, and declared all obligations thereunder due and payable in full.

48. Despite demand to do so, Hanslovan Trucking has breached the Hanslovan Trucking Guaranty by failing to make payment for the amounts due and owing under the Modification Agreements.

49. As a direct and proximate result of Hanslovan Trucking's material breach of its Guaranty, there is now due and owing under the Modification Agreements and the Hanslovan Trucking Guaranty the amount of \$1,381,196.10, plus interest, late fees, other charges and attorneys fees and expenses all as provided for by the Modification Agreements (including agreements and documents incorporated therein).

WHEREFORE, Plaintiff G.E. Capital respectfully requests that judgment be entered in its favor and against Defendant Hanslovan Trucking on its unconditional Guaranty in the amount of \$1,381,196.10, together with interest from the date any payments were due under the Modification Agreements, all costs and other expenses incurred in pursuit of this action or provided for under the Modification Agreements, and such other relief as this Court deems just and proper.

\$755,280.00

FOR VALUE RECEIVED, Ed Hanslovan Coal Co., Inc. ("Maker") a corporation, located at ROUTE 2 - BOX 230, MORRISDALE, Clearfield County, PA 16358, promises to pay to the order of GENERAL ELECTRIC CAPITAL CORPORATION, a New York corporation, or any subsequent holder hereof (each, a "Payee"), at 44 Old Ridgebury Road, Danbury, CT 06810, the aggregate sum of Seven Hundred Fifty-Five Thousand Two Hundred Eighty and 00/100 Dollars (\$755,280.00). This Note shall be due and payable in 60 consecutive equal monthly installments of Twelve Thousand Five Hundred Eighty-Eight and 00/100 Dollars (\$12,588.00); each payable on the _____ day of the month commencing with the month of November, 1997, and ending October, 2002. The face amount of this Note, and the amount of each such monthly installment is based on the initial principal advance ("Initial Advance") made by Payee to the Maker contemporaneously herewith, and the amortization of the Initial Advance in monthly installments as set forth above. Each such monthly installment shall be applied first to any late payment fees and costs which are due, next to interest then accrued, and finally to the principal balance of the Initial Advance. An installment shall not be deemed timely paid, regardless of the date of receipt of the check or other instrument paid in connection with such installment, if the same shall not be timely honored.

Any payment received by the holder hereof in connection with the obligations represented by this Note shall be deemed to have been made with the Maker's full knowledge and consent, and by reason of such payment having been made by the Maker or on behalf of the Maker the Maker hereby waives any and all rights whatsoever which the Maker has or may have (1) to recover from the holder hereof any portion of such payment, or (2) to bring action against the holder hereof in connection with such payment.

This Note is payable in lawful money of the United States of America at the office of Payee provided above or at such other place as may be from time to time specified in writing by the holder hereof. This Note is issued pursuant to and is secured by that certain Master Security Agreement dated October 10, 1997, and the various agreements executed in connection therewith (collectively the "Agreements"), each between Payee and the Maker.

In the event any monthly installment is past due by more than ten (10) days, the Maker agrees to pay a late payment charge of five cents (\$.05) per dollar on and in addition to the amount of the past-due payment but not to exceed the maximum charges allowable under then applicable law. If any monthly installment or any other obligation of the Maker to Payee is not paid when due, if any default occurs under any of the Agreements, or if any of the Agreements is terminated, this Note may, at the option of the holder, and without notice or demand of any kind, be declared and thereupon shall immediately become due and payable; provided, however, that in such event, the amount then due and owing under this Note for principal and interest shall be the lesser of: (i) the total of the remaining installments due under this Note, plus accrued late charges; or (ii) the total of (a) the Initial Advance, plus (b) the amount of interest which would have accrued to the date of acceleration if the payments provided for in this Note had been applied first to late charges, then to interest accrued at the maximum non-usurious rate of interest, with any balance allocated to principal, minus (c) all payments of principal, interest and late charges heretofore received by Payee under this Note. After maturity of this Note (whether at the stated maturity date or as a result of acceleration), the amount then due and owing for principal and interest shall bear interest at the maximum lawful rate. A default in the payment of any amount due under this Note shall constitute a default under the terms of each of the Agreements.

If the holder of this Note shall employ an attorney to collect any or all of the indebtedness represented by this Note, the Maker shall, immediately and without demand, reimburse the holder for all costs and expenses, including without limitation attorney's fees incurred by such holder in such case.

Demand for payment, protest, notice of dishonor and all other notices or formalities to which the Maker might otherwise be entitled are hereby waived by the Maker and all others who become parties to this Note, whether as makers, endorsers or guarantors. To the extent permitted by the law of the Maker's place of business.

Maker hereby irrevocably authorizes and empowers the Prothonotary or Clerk, or any attorney for any Court of record to appear for Maker in such Courts, at any time, and confess a judgement against Maker, without process, in favor of any holder hereof, without the filing of a declaration of default, with release of errors, without stay of execution, for such amount as may appear from the face hereof to be due hereunder (or, if such attorney so elects, for the amount which may be due hereon as evidenced by an affidavit signed by a representative of holder setting forth the amount then due) together with charges, attorney's fees and costs as herein provided, and Maker hereby waives and releases all benefits and relief from any and all appraisalment, stay or exemption laws of any state, and as often as the holder hereof shall elect, until all sums payable or that may become payable hereunder by Maker have been paid in full.

THE MAKER HEREBY UNCONDITIONALLY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS NOTE, ANY OF THE RELATED DOCUMENTS, ANY DEALINGS BETWEEN MAKER AND PAYEE RELATING TO THE SUBJECT MATTER OF THIS TRANSACTION OR ANY RELATED TRANSACTIONS, AND/OR THE RELATIONSHIP THAT IS BEING ESTABLISHED BETWEEN MAKER AND PAYEE. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT (INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS.) THIS WAIVER IS IRREVOCABLE MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS NOTE, ANY RELATED DOCUMENTS, OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THIS TRANSACTION OR ANY RELATED TRANSACTION. IN THE EVENT OF LITIGATION, THIS NOTE MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Failure by the holder of this Note to exercise any of its remedies shall not constitute a waiver on the part of the holder of the right to exercise any remedies at any other time. The holder of this Note may proceed against any or all of the collateral securing this Note or against any guarantor hereof, or may proceed contemporaneously or in the first instance against the Maker, in such order and at such times following default hereunder as the holder hereof may determine in its sole discretion. The right and remedies of the holder of this Note shall be in addition to and not exclusive of any other rights and remedies to which the holder is entitled whether by operation of law or in equity.

All of the Maker's obligations under this Note are absolute and shall not be subject to any offset or deduction whatsoever. The Maker waives any right it may

have to assert, by way of counterclaim or defense in any action to enforce the Maker's obligations hereunder, any claim whatsoever against the holder of this Note.

If executed by more than one party, any references herein to the Maker shall be deemed to refer to all thereof, and the obligations of all thereof hereunder shall be joint and several. The provisions of this Note shall be governed by and construed in accordance with the laws of the State of Connecticut. The Maker agrees that all actions or proceedings arising, directly or indirectly, out of this Note may be litigated by Payee's sole discretion and election, in courts in Connecticut, and the Maker hereby subjects itself to the jurisdiction of any local, state or federal court located in Connecticut.

The Maker and Payee intend to comply with all applicable laws governing the maximum rate or amount of interest charged or payable in connection with this Note. In no event shall the Maker be deemed charged or liable for any interest in excess of the maximum lawful contract rate of interest permitted under applicable law, and any payments collected in excess of such maximum shall be credited on the principal balance of this Note (or if this Note has been or would thereby be paid in full, refunded to the Maker). The right to accelerate maturity of this Note does not include the right to accelerate an amount of interest which would cause the Note to be usurious. Payee does not intend to collect any usurious or otherwise unlawful interest in the event of acceleration or otherwise.

MASTER SECURITY AGREEMENT

THIS MASTER SECURITY AGREEMENT, made as of October 10, 1997 ("Agreement"), by and between General Electric Capital Corporation, a New York corporation with an address at 44 Old Ridgebury Road, Danbury, CT ("Secured Party"), and Ed Hauslovan Coal Co., Inc., a corporation organized and existing under the laws of the State of Pennsylvania with its chief executive offices located at ROUTE 2 - BOX 230, MORRISDALE, PA 16858 ("Debtor").

In consideration of the promises herein contained and of certain other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor and Secured Party hereby agree as follows:

1. CREATION OF SECURITY INTEREST.

Debtor hereby gives, grants and assigns to Secured Party, its successors and assigns forever, a security interest in and against any and all property listed on any collateral schedule now or hereafter annexed hereto or made a part hereof ("Collateral Schedule"), and in and against any and all additions, attachments, accessories and accessions thereto, any and all substitutions, replacements or exchanges therefor, and any and all insurance and/or other proceeds thereof (all of the foregoing being hereinafter individually and collectively referred to as the "Collateral"). The foregoing security interest is given to secure the payment and performance of any and all debts, obligations and liabilities of any kind, nature or description whatsoever (whether primary, secondary, direct, contingent, sole, joint or several, or otherwise, and whether due or to become due) of Debtor to Secured Party, now existing or hereafter arising, including but not limited to the payment and performance of certain Promissory Notes and/or Installment Notes from time to time identified on any Collateral Schedule (collectively "Notes" and each a "Note"), and any renewals, extensions and modifications of such debts, obligations and liabilities (all of the foregoing being hereinafter referred to as the "Indebtedness"). Notwithstanding the foregoing, and notwithstanding anything to the contrary contained elsewhere in this Agreement, to the extent that Secured Party asserts a purchase money security interest in any items of Collateral ("PMSI Collateral"): (i) the PMSI Collateral shall secure only that portion of the Indebtedness which has been advanced by Secured Party to enable Debtor to purchase, or acquire rights in or the use of such PMSI Collateral (the "PMSI Indebtedness"), and (ii) no other Collateral shall secure the PMSI Indebtedness.

2. REPRESENTATIONS, WARRANTIES AND COVENANTS OF DEBTOR.

Debtor hereby represents, warrants and covenants as of the date hereof and as of the date of execution of each Collateral Schedule hereto that:

- (a) Debtor is, and will remain, duly organized, existing and in good standing under the laws of the State set forth in the first paragraph of this Agreement, has its chief executive offices at the location set forth in such paragraph, and is, and will remain, duly qualified and licensed in every jurisdiction wherever necessary to carry on its business and operations;
- (b) Debtor has adequate power and capacity to enter into, and to perform its obligations, under this Agreement, each Note and any other documents evidencing, or given in connection with, any of the Indebtedness (all of the foregoing being hereinafter referred to as the "Debt Documents");
- (c) This Agreement and the other Debt Documents have been duly authorized, executed and delivered by Debtor and constitute legal, valid and binding agreements enforceable under all applicable laws in accordance with their terms, except to the extent that the enforcement of remedies may be limited under applicable bankruptcy and insolvency laws;
- (d) No approval, consent or withholding of objections is required from any governmental authority or instrumentality with respect to the entry into, or performance by, Debtor of any of the Debt Documents, except such as may have already been obtained;
- (e) The entry into, and performance by, Debtor of the Debt Documents will not (i) violate any of the organizational documents of Debtor or any judgment, order, law or regulation applicable to Debtor, or (ii) result in any breach of, constitute a default under, or result in the creation of any lien, claim or encumbrance on any of Debtor's property (except for liens in favor of Secured Party) pursuant to, any indenture mortgage, deed of trust, bank loan, credit agreement, or other agreement or instrument to which Debtor is a party;
- (f) There are no suits or proceedings pending or threatened in court or before any commission, board or other administrative agency against or affecting Debtor which could, in the aggregate, have a material adverse effect on Debtor, its business or operations, or its ability to perform its obligations under the Debt Documents;
- (g) All financial statements delivered to Secured Party in connection with the Indebtedness have been prepared in accordance with generally accepted accounting principles, and since the date of the most recent financial statement, there has been no material adverse change;
- (h) The Collateral is not, and will not be, used by Debtor for personal, family or household purposes;
- (i) The Collateral is, and will remain, in good condition and repair and Debtor will not be negligent in the care and use thereof;
- (j) Debtor is, and will remain, the sole and lawful owner, and in possession of, the Collateral, and has the sole right and lawful authority to grant the security interest described in this Agreement; and
- (k) The Collateral is, and will remain, free and clear of all liens, claims and encumbrances of every kind, nature and description, except for (i) liens in favor of Secured Party, (ii) liens for taxes not yet due or for taxes being contested in good faith and which do not involve, in the reasonable judgment of Secured Party, any risk of the sale, forfeiture or loss of any of the Collateral, and (iii) inchoate materialmen's, mechanic's, repairmen's and similar liens arising by operation of law in the normal course of business for amounts which are not delinquent (all of such permitted liens being hereinafter referred to as "Permitted Liens").

3. COLLATERAL.

- (a) Until the declaration of any default hereunder, Debtor shall remain in possession of the Collateral; provided, however, that Secured Party shall have the right to possess (i) any chattel paper or instrument that constitutes a part of the Collateral, and (ii) any other Collateral which because of its nature may require that Secured Party's security interest therein be perfected by possession. Secured Party, its successors and assigns, and their respective agents,

E.S.H.

Debtor shall provide Secured Party with [] of the then current location of the Collateral.

(b) Debtor shall (i) use the Collateral only in its trade or business, (ii) maintain all of the Collateral in good condition and working order, (iii) use and maintain the Collateral only in compliance with all applicable laws, and (iv) keep all of the Collateral free and clear of all liens, claims and encumbrances (except for Permitted Liens).

(c) Debtor shall not, without the prior written consent of Secured Party, (i) part with possession of any of the Collateral (except to Secured Party or for maintenance and repair), (ii) remove any of the Collateral from the continental United States, or (iii) sell, rent, lease, mortgage, grant a security interest in or otherwise transfer or encumber (except for Permitted Liens) any of the Collateral.

(d) Debtor shall pay promptly when due all taxes, license fees, assessments and public and private charges levied or assessed on any of the Collateral, on the use thereof, or on this Agreement or any of the other Debt Documents. At its option, Secured Party may discharge taxes, liens, security interests or other encumbrances at any time levied or placed on the Collateral and may pay for the maintenance, insurance and preservation of the Collateral or to effect compliance with the terms of this Agreement or any of the other Debt Documents. Debtor shall reimburse Secured Party, on demand, for any and all costs and expenses incurred by Secured Party in connection therewith and agrees that such reimbursement obligation shall be secured hereby.

(e) Debtor shall, at all times, keep accurate and complete records of the Collateral, and Secured Party, its successors and assigns, and their respective agents, shall have the right to examine, inspect, and make extracts from all of Debtor's books and records relating to the Collateral at any time during normal business hours.

(f) If agreed by the parties, Secured Party may, but shall in no event be obligated to, accept substitutions and exchanges of property for property, and additions to the property, constituting all or any part of the Collateral. Such substitutions, exchanges and additions shall be accomplished at any time and from time to time, by the substitution of a revised Collateral Schedule for the Collateral Schedule now or hereafter annexed. Any property which may be substituted, exchanged or added as aforesaid shall constitute a portion of the Collateral and shall be subject to the security interest granted herein. Additions to, reductions or exchanges of, or substitutions for, the Collateral, payments on account of any obligation or liability secured hereby, increases in the obligations and liabilities secured hereby, or the creation of additional obligations and liabilities secured hereby, may from time to time be made or occur without affecting the provisions of this Agreement or the provisions of any obligation or liability which this Agreement secures.

(g) Any third person at any time and from time to time holding all or any portion of the Collateral shall be deemed to, and shall, hold the Collateral as the agent of, and as pledge holder for, Secured Party. At any time and from time to time, Secured Party may give notice to any third person holding all or any portion of the Collateral that such third person is holding the Collateral as the agent of, and as pledge holder for, the Secured Party.

4. INSURANCE.

The Collateral shall at all times be held at Debtor's risk, and Debtor shall keep it insured against loss or damage by fire and extended coverage perils, theft, burglary, and for any or all Collateral which are vehicles, for risk of loss by collision, and where requested by Secured Party, against other risks as required thereby, for the full replacement value thereof, with companies, in amounts and under policies acceptable to Secured Party. Debtor shall, if Secured Party so requires, deliver to Secured Party policies or certificates of insurance evidencing such coverage. Each policy shall name Secured Party as loss payee thereunder, shall provide for coverage to Secured Party regardless of the breach by Debtor of any warranty or representation made therein, shall not be subject to co-insurance, and shall provide for thirty (30) days written notice to Secured Party of the cancellation or material modification thereof. Debtor hereby appoints Secured Party as its attorney in fact to make proof of loss, claim for insurance and adjustments with insurers, and to execute or endorse all documents, checks or drafts in connection with payments made as a result of any such insurance policies. Proceeds of insurance shall be applied, at the option of Secured Party, to repair or replace the Collateral or to reduce any of the indebtedness secured hereby.

5. REPORTS.

(a) Debtor shall promptly notify Secured Party in the event of (i) any change in the name of Debtor, (ii) any relocation of its chief executive offices, (iii) any relocation of any of the Collateral, (iv) any of the Collateral being lost, stolen, missing, destroyed, materially damaged or worn out, or (v) any lien, claim or encumbrance attaching or being made against any of the Collateral other than Permitted Liens.

Any and all financial statements submitted and to be submitted to Secured Party have and will have been prepared on a basis of generally accepted accounting principles, and are and will be complete and correct and fairly present Debtor's financial condition as at the date thereof. Secured Party may at any reasonable time examine the books and records of Debtor and make copies thereof.

6. FURTHER ASSURANCES.

(a) Debtor shall, upon request of Secured Party, furnish to Secured Party such further information, execute and deliver to Secured Party such documents and instruments (including, without limitation, Uniform Commercial Code financing statements) and do such other acts and things, as Secured Party may at any time reasonably request relating to the perfection or protection of the security interest created by this Agreement or for the purpose of carrying out the intent of this Agreement. Without limiting the foregoing, Debtor shall cooperate and do all acts deemed necessary or advisable by Secured Party to continue in Secured Party a perfected first security interest in the Collateral, and shall obtain and furnish to Secured Party any subordinations, releases, landlord, lessor, or mortgagee waivers, and similar documents as may be from time to time requested by, and which are in form and substance satisfactory to, Secured Party.

(b) Debtor hereby grants to Secured Party the power to sign Debtor's name and generally to act on behalf of Debtor to execute and file applications for title, transfers of title, financing statements, notices of lien and other documents pertaining to any or all of the Collateral. Debtor shall, if any certificate of title be required or permitted by law for any of the Collateral, obtain such certificate showing the lien hereof with respect to the Collateral and promptly deliver same to Secured Party.

(c) Debtor shall indemnify and defend the Secured Party, its successors and assigns, and their respective directors, officers and employees, from and against any and all claims, actions and suits (including, without limitation, related attorneys' fees) of any kind, nature or description whatsoever arising, directly or indirectly, in connection with any of the Collateral.

7. EVENTS OF DEFAULT.

Debtor shall be in default under this Agreement and each of the other Debt Documents upon the occurrence of any of the following "Event(s) of [] (INITIAL)

E.S.H.

Default":

- (a) Debtor fails to pay any installment or other amount due or coming due under any of the Debt Documents within ten (10) days after its due date;
- (b) Any attempt by Debtor, without the prior written consent of Secured Party, to sell, rent, lease, mortgage, grant a security interest in, or otherwise transfer or encumber (except for Permitted Liens) any of the Collateral;
- (c) Debtor fails to procure, or maintain in effect at all times, any of the insurance on the Collateral in accordance with Section 4 of this Agreement;
- (d) Debtor breaches any of its other obligations under any of the Debt Documents and fails to cure the same within thirty (30) days after written notice thereof;
- (e) Any warranty, representation or statement made by Debtor in any of the Debt Documents or otherwise in connection with any of the Indebtedness shall be false or misleading in any material respect;
- (f) Any of the Collateral being subjected to, or being threatened with, attachment, execution, levy, seizure or confiscation in any legal proceeding or otherwise;
- (g) Any default by Debtor under any other agreement between Debtor and Secured Party;
- (h) Any dissolution, termination of existence, merger, consolidation, change in controlling ownership, insolvency, or business failure of Debtor or any guarantor or other obligor for any of the Indebtedness (collectively "Guarantor"), or if Debtor or any Guarantor is a natural person, any death or incompetency of Debtor or such Guarantor;
- (i) The appointment of a receiver for all or of any part of the property of Debtor or any Guarantor, or any assignment for the benefit of creditors by Debtor or any Guarantor; or
- (j) The filing of a petition by Debtor or any Guarantor under any bankruptcy, insolvency or similar law, or the filing of any such petition against Debtor or any Guarantor if the same is not dismissed within thirty (30) days of such filing.

8. REMEDIES ON DEFAULT.

(a) Upon the occurrence of an Event of Default under this Agreement, the Secured Party, at its option, may declare any or all of the Indebtedness, including without limitation the Notes, to be immediately due and payable, without demand or notice to Debtor or any Guarantor. The obligations and liabilities accelerated thereby shall bear interest (both before and after any judgment) until paid in full at the lower of eighteen percent (18%) per annum or the maximum rate not prohibited by applicable law.

(b) Upon such declaration of default, Secured Party shall have all of the rights and remedies of a Secured Party under the Uniform Commercial Code, and under any other applicable law. Without limiting the foregoing, Secured Party shall have the right to (i) notify any account debtor of Debtor or any obligor on any instrument which constitutes part of the Collateral to make payment to the Secured Party, (ii) with or without legal process, enter any premises where the Collateral may be and take possession and/or remove said Collateral from said premises, (iii) sell the Collateral at public or private sale, in whole or in part, and have the right to bid and purchase at said sale, and/or (iv) lease or otherwise dispose of all or part of the Collateral, applying proceeds therefrom to the obligations then in default. If requested by Secured Party, Debtor shall promptly assemble the Collateral and make it available to Secured Party at a place to be designated by Secured Party which is reasonably convenient to both parties. Secured Party may also render any or all of the Collateral unusable at the Debtor's premises and may dispose of such Collateral on such premises without liability for rent or costs. Any notice which Secured Party is required to give to Debtor under the Uniform Commercial Code of the time and place of any public sale or the time after which any private sale or other intended disposition of the Collateral is to be made shall be deemed to constitute reasonable notice if such notice is given to the last known address of Debtor at least five (5) days prior to such action.

(c) Proceeds from any sale or lease or other disposition shall be applied: first, to all costs of repossession, storage, and disposition including without limitation attorneys', appraisers', and auctioneers' fees; second, to discharge the obligations then in default; third, to discharge any other Indebtedness of Debtor to Secured Party, whether as obligor, endorser, guarantor, surety or indemnitor; fourth, to expenses incurred in paying or settling liens and claims against the Collateral; and lastly, to Debtor, if there exists any surplus. Debtor shall remain fully liable for any deficiency.

(d) In the event this Agreement, any Note or any other Debt Documents are placed in the hands of an attorney for collection of money due or to become due or to obtain performance of any provision hereof, Debtor agrees to pay all reasonable attorneys' fees incurred by Secured Party, and further agrees that payment of such fees is secured hereunder. Debtor and Secured Party agree that such fees to the extent not in excess of twenty percent (20%) of subject amount owing after default (if permitted by law, or such lesser sum as may otherwise be permitted by law) shall be deemed reasonable.

(e) Secured Party's rights and remedies hereunder or otherwise arising are cumulative and may be exercised singularly or concurrently. Neither the failure nor any delay on the part of the Secured Party to exercise any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. Secured Party shall not be deemed to have waived any of its rights hereunder or under any other agreement, instrument or paper signed by Debtor unless such waiver be in writing and signed by Secured Party. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion.

(f) DEBTOR HEREBY UNCONDITIONALLY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS AGREEMENT, ANY OF THE OTHER DEBT DOCUMENTS, ANY OF THE INDEBTEDNESS SECURED HEREBY, ANY DEALINGS BETWEEN DEBTOR AND SECURED PARTY RELATING TO THE SUBJECT MATTER OF THIS TRANSACTION OR ANY RELATED TRANSACTIONS, AND/OR THE RELATIONSHIP THAT IS BEING ESTABLISHED BETWEEN DEBTOR AND SECURED PARTY. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT (INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS). THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT, ANY OTHER DEBT DOCUMENTS, OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THIS TRANSACTION OR ANY RELATED TRANSACTION. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

In the event any bankruptcy proceedings are instituted by or against Debtor under any applicable bankruptcy law within 90 days after receipt by GE Capital of any such payment, such payment shall be deemed applicable to unpaid obligations then due thereunder in the inverse order of maturity.

6) Debtor hereby certifies, agrees and acknowledges that the Equipment is installed and fully operational and is now and will continue to be used in the conduct of Debtor's business.

7) This Agreement shall be binding upon and shall inure to the benefit of all the parties hereto and their respective administrators, successors and permitted assigns.

All insurance shall provide that the Mortgagee is the Certificate Holder and the Mortgagors shall provide all such Certificates to the Mortgagee. Notwithstanding the foregoing, a mortgagee with a lien against the Premises senior in priority to this Mortgage ("Senior Mortgagee") shall have superior rights to insurance up to the amount of the Senior Mortgagee's mortgage.

3. All renewal or replacement policies shall be delivered by the Mortgagors, premiums paid, to the Mortgagee at least thirty (30) days before the expiration of the expiring policies. Each insurance policy shall provide that the Mortgagee shall be furnished with not less than thirty (30) days' prior written notice before any termination, cancellation, non-renewal or reduction in scope becomes effective as to the Mortgagee. If the Mortgagee becomes the owner of the Premises or any part thereof by foreclosure or otherwise, such policies shall become the absolute property of the Mortgagee.

C. DAMAGE, DESTRUCTION AND CONDEMNATION. If the Premises or any part thereof shall be damaged or either partially or totally destroyed, or if title to or the temporary use of the whole or any part of the Premises shall be taken, condemned or purchased under threat of condemnation by a competent authority for a public use or purpose, the Mortgagee shall be entitled to receive and shall receive any and all insurance proceeds or condemnation awards with respect thereto (hereinafter, the "Proceeds"), subject,

however, to the rights of any Senior Mortgagee. The Mortgagee shall have the right to participate in the defense of any condemnation action and the valuation of the Premises in connection therewith. So long as no Event of Default shall have occurred and be continuing hereunder, the Mortgagee shall remit such Proceeds to the Mortgagors to restore, replace or repair the Premises; provided, however, that if an Event of Default shall have occurred and be continuing hereunder, the Mortgagee shall have the right, in its sole and absolute discretion, to determine whether to apply such Proceeds to prepay the principal, interest and other charges on the Secured Obligations or to remit such Proceeds to the Mortgagors to restore, replace or repair the Premises. In any case in which Proceeds (and such additional funds) are to be applied to restore, replace or repair any part of the Premises, such restoration, replacement or repair shall in any event be subject to the satisfaction of the following conditions:

1. The Mortgagors shall submit or cause to be submitted to the Mortgagee for its approval, an estimate of the cost of restoration, replacement or repair of the Premises, accompanied by an architect's certification as to such costs and final plans and specifications with respect thereto. All buildings and improvements so restored, replaced or repaired shall be of substantially the same character and value as the buildings and improvements prior to such damage or destruction and shall be suitable for the purposes for which they were originally erected. The Mortgagors shall furnish the Mortgagee with evidence reasonably satisfactory to the Mortgagee that all buildings and improvements so restored, replaced and/or repaired and their contemplated use fully comply with all zoning and building laws, ordinances and regulations, and with all other applicable federal, state or local laws and requirements.

2. If at any time the estimated cost of restoration, replacement or repair shall exceed the Proceeds available therefor, the Mortgagors shall escrow additional monies with the Mortgagee in an amount equal to such excess estimated cost.

3. Each disbursement of the Proceeds during the course of restoration, replacement or repair shall be subject to receipt by the Mortgagee of a requisition signed by the Mortgagors stating (a) the requisition number, (b) the name and address of the person or entity to whom payment is to be made, or if the payment is to be made to the Mortgagors for a reimbursable advance, the name and address of the person or entity to whom the advance was made together with proof of payment by the Mortgagors, and (c) that each obligation for which payment is sought is unpaid or unreimbursed and has not been the basis of any previously paid requisition. Each requisition shall be accompanied by (i) an approved certification by a licensed A.I.A. architect reasonably acceptable to the Mortgagee as to the cost of materials furnished and work done and evidence that such work and materials are free and clear of liens, (ii) if requested by the Mortgagee, an updated title insurance endorsement as of the date of each such disbursement insuring the continued validity and priority of this Mortgage and (iii) such other documents, certificates or instruments as the Mortgagee shall reasonably require. No payment made prior to the final completion of work shall exceed 90% of the value of the work performed or materials furnished and incorporated into the Premises from time to time, and at all times the undisbursed balance of said Proceeds

(together with the additional security referred to in the preceding paragraph) shall be at least sufficient to pay for the cost of completion of the work, free and clear of liens. Said Proceeds are to be released not more than once a month, and the disbursement of said Proceeds shall be subject to such other provisions and safeguards as the Mortgagee then requires in connection with construction loans for similar projects. The administration of such provisions shall be at the sole cost and expense of the Mortgagor.

4. Final payment shall be made upon receipt by the Mortgagee of a certification by a licensed A.I.A. architect reasonably acceptable to the Mortgagee as to completion in accordance with the approved plans and specifications and, if requested by the Mortgagee, the issuance to the Mortgagee of a title policy endorsement reasonably satisfactory to the Mortgagee insuring the continued validity and priority of this Mortgage as a mortgage lien.

5. All costs and expenses incurred by the Mortgagee in disbursing said funds shall be paid for by the Mortgagors and may be deducted by the Mortgagee from the funds to be so advanced for such restoration, replacement or repair.

6. Nothing herein shall be construed to require the Mortgagee to advance any sums for any such restoration, replacement or repair beyond the amount of the Proceeds actually received by the Mortgagee and set aside for such purpose less the amount of the Mortgagee's costs and expenses referred to above.

7. The Mortgagors shall promptly notify the Mortgagee of any damage, destruction or institution of any proceedings for the condemnation or taking, by powers of eminent domain or purchase under threat thereof, of the whole or any part of the Premises.

8. Prior to an Event of Default, the Mortgagors shall adjust any insurable loss and settle any condemnation proceedings, provided the Mortgagors shall have obtained the prior written consent of the Mortgagee thereto which shall not be unreasonably withheld or delayed. Following the occurrence of an Event of Default, the Mortgagee shall have the exclusive right to adjust any insurable loss and settle any condemnation proceedings.

9. Any moneys released to the Mortgagors or paid or applied to the cost of restoration, replacement or repair shall in no event be deemed a payment of the Secured Obligations. The Mortgagee shall be under no obligation to question the amount of the Proceeds and may accept the same in the amount in which the same shall be paid.

10. Anything to the contrary herein contained notwithstanding, any Proceeds paid over to the Mortgagee and not used for repair, replacement or restoration shall be applied to pay any sums then due and owing to the Mortgagee with respect to the Secured Obligations, and, subject to the rights of the holders (including the Mortgagee) of any Permitted Encumbrances, any excess shall be paid over to the Mortgagor.

D. **COMPLIANCE WITH LAWS.** The Mortgagors shall comply in all material respects with all applicable federal, state and local laws, rules, regulations, ordinances,

building codes and orders in effect from time to time including, but not limited to, those relating to the environment, the payment of taxes, assessments and other governmental charges, zoning, and the use, occupancy, transfer or encumbering of the Premises the failure to comply with which would result in a lien upon the Premises or otherwise impair the value of the Premises. The Mortgagors additionally agrees to pay all costs required to comply with any of the above conditions, and to indemnify and hold the Mortgagee harmless against any loss, liability, cost or expense (including attorneys' fees) arising out of or relating to any proceeding instituted in connection with any alleged or actual violation of any of the foregoing not caused by the Mortgagee.

E. TAXES AND OTHER CHARGES; MECHANICS' LIENS. Except as otherwise provided in this Section II(E), the Mortgagors shall pay all taxes, water and sewer rents, fines, impositions and other similar claims, liens and encumbrances assessed, or which may be assessed, against the Premises or any part thereof, without any deduction or abatement, not later than five (5) days before the same shall become due and payable and shall simultaneously with each such payment, furnish to the Mortgagee receipts for the payment thereof in full. The Mortgagors will pay, from time to time when the same shall become due, all lawful claims and demands of mechanics, materialmen, laborers, and others, which, if unpaid, might result in, or permit the creation of, a lien on the Premises or any part thereof, or on the revenues, rents, issues, income and profits arising therefrom, and will do or cause to be done everything necessary so that the lien hereof shall be fully preserved, at the cost of the Mortgagors and without expense to the Mortgagee. If the Mortgagors shall in good faith, and by proper legal action, contest any taxes, assessments, fines, impositions, claims, liens, encumbrances or other charges, or the validity thereof, and provided no Event of Default is then existing and continuing, then the Mortgagors shall not be required to pay the same or to produce such receipts as long as such contest operates to prevent collections, and is maintained and prosecuted with diligence and shall not have been terminated or discontinued adversely to the Mortgagor. In addition to the foregoing, the Mortgagors will pay when due and will not suffer to remain outstanding, any charges for utilities, whether public or private, with respect to the Premises.

F. FURTHER ASSURANCES; FILING AND RECORDING.

1. The Mortgagors will, at its sole cost and expense, perform, execute, acknowledge and deliver all and every such further acts, deeds, conveyances, mortgages, security agreements, assignments, notices of assignment, financing statements, transfers and assurances as the Mortgagee shall from time to time reasonably require, for the better assuring, conveying, assigning, transferring and confirming unto the Mortgagee the property and rights hereby conveyed or assigned or intended now or hereafter so to be, or which the Mortgagors may be or may hereafter become bound to convey or assign to the Mortgagee, for carrying out the intention or facilitating the performance of the terms of this Mortgage or for filing, registering or recording this Mortgage and, on demand, will execute and deliver, and hereby authorizes the Mortgagee and irrevocably appoints the Mortgagee as the agent and attorney-in-fact of the Mortgagors to execute and file in its own name or in the

Mortgagor's name, to the extent it may lawfully do so, all such documents, instruments, certificates and financing statements.

2. The Mortgagors, forthwith upon the execution and delivery of this Mortgage, and thereafter from time to time upon request by the Mortgagee, and as may be required by law, will cause this Mortgage and any security instrument creating a lien or evidencing the lien hereof upon the Premises and the fixtures thereon and each instrument of further assurance to be filed, registered or recorded in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien hereof upon, and the interest of the Mortgagee in, the Premises and the fixtures thereon.

3. The Mortgagors will pay all filing, registration or recording fees, and all expenses incident to the execution and acknowledgment of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Premises and the fixtures thereon, and any instrument of further assurance, and all federal, state, county and municipal stamp taxes and other taxes, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of this Mortgage, any mortgage supplemental hereto, any security instrument with respect to the Premises and the fixtures thereon or any instrument of further assurance.

G. **RIGHT TO REMEDY DEFECTS; INDEMNIFICATION.** If the Mortgagors shall at any time fail to pay any amount payable by it hereunder or fails to comply with any provision of this Mortgage, the Mortgagee may, after reasonable notice to the Mortgagors, pay such amount or comply with such provision and make such expenditures, including reasonable counsel fees, in connection therewith and with enforcing this Mortgage and for repairing, maintaining and preserving the Premises, for establishing, preserving, protecting and restoring the validity and priority of the lien hereof, for obtaining official tax searches of the Premises, for protecting and preserving any use being made of the Premises now or hereafter and for advances to any trustee or receiver of the Premises, as the Mortgagee deems advisable; each amount so paid or expended, with interest at the rate then in effect under the Secured Obligations plus four percent (4%) shall become part of the Secured Obligations and be secured hereby; and the Mortgagors shall pay to the Mortgagee, on demand, the amount of each payment or expenditure, with such aforesaid interest, but no such payment or compliance by the Mortgagee shall constitute a waiver of the Mortgagor's failure so to do or affect any right or remedy of the Mortgagee with respect thereto. The Mortgagors agrees to and does hereby indemnify the Mortgagee, its officers, directors, employees, agents, affiliates and assigns and the Mortgagors shall hold the Mortgagee, its officers, directors, employees, agents, affiliates and assigns harmless from and against any and all losses, claims, damages or liabilities (including all costs, expenses and reasonable counsel fees incurred in investigating or defending such claim) suffered by the Mortgagee, its directors, officers, employees, affiliates and agents and caused by, relating to, arising out of, resulting from or in any way connected with any of the items enumerated in the immediately preceding sentence, except to the extent resulting from the gross negligence or willful misconduct of the Mortgagee or its agents.

V. REMEDIES.

In case one or more Events of Default shall have occurred, the Mortgagee shall have the following rights and remedies:

A. The Mortgagee may declare all amounts outstanding (with accrued interest thereon) and all other amounts owing to it under the Secured Obligations to be immediately due and payable, whereupon the same shall become due and payable forthwith without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Mortgagor.

B. To take any action at law or in equity to collect the payments due under the Secured Obligations secured hereby or to enforce the performance and observance of the obligations, agreements and covenants of the Mortgagors contained in this Mortgage and the other Loan Documents.

C. Enter into possession of the Premises and employ watchmen to protect the Premises from injury.

D. To institute an action of mortgage foreclosure, or take other action as the law may allow, at law or in equity, for the enforcement of this Mortgage, and proceed therein to final judgment and execution for the entire unpaid balance of the Secured Obligations, including costs of suit, interest and reasonable attorneys' fees. In case of any sale of the Premises by virtue of judicial proceedings, the Premises may be sold in one parcel and as an entirety or in such parcels, manner or order as the Mortgagee in its sole discretion may elect. The failure to make any tenants parties defendant to a foreclosure proceeding and to foreclose their rights will not be asserted by the Mortgagors as a defense in any proceeding instituted by the Mortgagee to collect the Secured Obligations secured hereby or any deficiency remaining unpaid after the foreclosure sale of the Premises. Notwithstanding anything herein to the contrary, the Mortgagors shall continue to be responsible for the payment of taxes, insurance and all other amounts payable with respect to the Premises until title to the Premises shall be conveyed at a sheriff's sale or other similar proceeding.

E. If the Event of Default relates to the payment of any tax, assessment, water or sewer rent or governmental charge, or the payment of a premium for insurance, or the obligation to keep the Premises in satisfactory repair and condition, or to otherwise preserve the security of this Mortgage, then the Mortgagee, in addition to or in lieu of exercising any other rights which it may have hereunder or under any other document executed in connection with any Secured Obligations secured hereby, may pay the tax, assessment, water or sewer rent, governmental charge, insurance premium, or the cost of placing the Premises in satisfactory repair and condition, or the cost of otherwise preserving the security of this Mortgage, and the amount so paid shall be added to the moneys owing on the Secured Obligations and shall be secured hereby and shall be due and payable on demand with interest equal to the prevailing interest rate under the Secured Obligations plus four percent (4%).

F. Upon the occurrence of any Event of Default, the Mortgagee is hereby empowered and appointed attorney-in-fact of the Mortgagors to enter upon and take possession of the Premises and rent the same, either in its name or in the name of the owner of such property, and to demand, collect and receive from the tenants, lessees or other occupants then in possession of the Premises or any part thereof, the rents, issues and profits as they become due as well as all past due rents, income or profits which have not been collected by the Mortgagors, to endorse the name of the Mortgagors or any subsequent owner of the Premises on any checks, notes or other instruments for the payment of money, to give any and all acquaintances or any other instrument in relation thereto in the name of the Mortgagors, and to institute, prosecute, settle or compromise any summary or legal proceedings in the name of the Mortgagors or in the name of the Mortgagee for the recovery of such rents, income or profits, or for the abatement of any nuisance thereon, and to defend, at the Mortgagee's option and sole discretion, any legal proceedings brought against the Mortgagors arising out of the operation of the Premises. All rents, issues and profits collected or received by the Mortgagors after an Event of Default shall be accepted and held for the Mortgagee in trust and shall not be commingled with the funds and property of the Mortgagors, but shall be promptly paid over to the Mortgagee; and the Mortgagors agrees to pay the Mortgagee, if demanded by it, a reasonable rental for the portion of the Premises occupied by the Mortgagors, monthly in advance as a tenant from month to month, and in default of any such payment the Mortgagors may be dispossessed by summary proceedings, such tenancy to expire upon delivery of deed in foreclosure; and the Mortgagee shall apply the rents, issues and profits, after the payment of the necessary charges and expenses, including management fees and commissions, on account of the Secured Obligations hereby secured, being accountable only for rents, issues and profits as are collected by it while in possession.

G. Upon the filing of a complaint to collect the amount due on any Secured Obligation, the Mortgagee shall be entitled to the appointment of a receiver of the rents, issues and profits of the Premises without the necessity of proving either inadequacy of the security or insolvency of the Mortgagors or any person who may be legally or equitably liable to pay moneys secured hereby, and the Mortgagors and each such person waive such proof and consent to the appointment of a receiver.

H. To exercise any and all rights and remedies conferred upon secured parties by the Uniform Commercial Code and other applicable laws.

In addition to the above remedies, if the Mortgagors commits a breach or threatens to commit a breach of this Mortgage, the Mortgagee shall have the right and remedy, without posting bond or other security, to have the provisions of this Mortgage specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach will cause immediate and irreparable injury to the Mortgagee and that the Mortgagee's rights in and to the Premises will not provide an adequate remedy therefor.

All proceeds received from the sale or other disposition of the whole or any part of the Premises shall be applied as follows: (i) first, to the payment of all fees, costs and expenses incurred by the Mortgagee in connection with such sale or disposition; (ii) second, to the payment in full of the Secured Obligations; and (iii) third, the balance, if any, of such proceeds remaining after payment in full of the foregoing, to the Mortgagors or as a court of competent jurisdiction may otherwise direct.

Without limiting the foregoing, in exercising its remedies upon the occurrence of an Event of Default, the Mortgagee (i) shall not be responsible nor liable for any shortage, discrepancy, damage, loss or destruction of any part of the Premises regardless of the cause thereof unless the same shall happen through its gross negligence or willful misconduct; (ii) shall be entitled to the appointment (without notice and without proof of diminution in value of the Premises) of a receiver to take possession of all or any portion of the Premises and to exercise such powers as the court shall confer upon the receiver; and (iii) generally may perform all acts necessary or proper to carry out the intention of this Mortgage, as fully and completely as though the Mortgagee were the absolute owner of the Premises for all purposes, and the Mortgagors hereby ratifies and confirms all that the Mortgagee shall do by virtue of this grant of power.

The rights and remedies of the Mortgagee hereunder shall be in addition to every other right and remedy now and hereafter provided by law; the rights and remedies of the Mortgagee shall be cumulative and not exclusive one of the other; the Mortgagee may exercise the same at such times, in such order, to such extent, and as often as Mortgagee deems advisable, and without regard to whether the exercise of one precedes, concurs with, or succeeds the exercise of another; no delay or omission by the Mortgagee in exercising a right or remedy shall exhaust or impair the same, or constitute a waiver of, or acquiescence in, the Event of Default; and no waiver of an Event of Default by the Mortgagee shall extend to or affect any other Event of Default or impair any right or remedy with respect thereto.

1. The Mortgagors hereby agrees to indemnify the Mortgagee, its directors, officers, employees, affiliates and agents from and against any and all liabilities, suits, obligations, fines, damages, penalties, claims, losses, costs, charges and expenses (including, without limitation, reasonable architect's, engineer's, accountant's, consultant's and attorneys' fees and disbursements) (collectively, the "Losses") which may be imposed upon, incurred or asserted against the Mortgagee, its directors, officers, employees, affiliates and agents by reason of: (a) any construction relating to the Premises; (b) any capital improvements, other work or thing done in, on or about the Premises; (c) any use, non-use, misuse, possession, occupation, alteration, repair, condition, operation, maintenance or management of the Premises or any street, drive, sidewalk, curb, passageway or space comprising a part thereof or adjacent thereto; (d) any negligence or willful act or omission on the part of the Mortgagors, any lessee or any other occupant of the Premises or any agent, contractor, servant, employee, licensee or invitee or any of them; (e) the claims of any lessee or any party acting through or under any such lessee or otherwise arising under or as a consequence of any lessee; (f) any accident, injury (including death) or damage to any person or property occurring in, on or about any sidewalks, drives, curbs, passageways, streets, spaces or alleys adjacent to or on the Premises; (g) any Event of Default; (h) any lien or claim which may be alleged to have arisen on or against the Premises under any law or any liability asserted against the Mortgagee with respect thereto; (i) any tax or other imposition,

including, but not limited to, any imposition attributable to the execution, delivery, filing or recording of this Mortgage or any other documents executed by the Mortgagors in connection herewith; (j) any contest permitted pursuant to the provisions of this Mortgage or the other Loan Documents; and (k) any and all violations of law, including, without limitation, any and all federal, state and local laws, rules and regulations relating to the environment, existing at the Premises. The foregoing indemnity shall not apply to Losses resulting or arising from the gross negligence or willful misconduct of the Mortgagee.

2. The obligations of the Mortgagors under this Article IV shall not in any way be affected or limited by the absence of any insurance, by the amount of any insurance policy or by the failure or refusal of any insurance carrier to perform any obligation on its part under any insurance policies. If any claim, action or proceeding is made or brought against the Mortgagee or any of its directors, officers, employees, affiliates and agents, by reason of any event as to which the Mortgagors are obligated to indemnify the Mortgagee or any of its directors, officers, employees, affiliates and agents, then, upon demand by the Mortgagee, the Mortgagors, at its sole cost and expense, shall resist or defend such claim, action or proceeding in the Mortgagee's, or any of its directors, officers, employees, affiliates and agents, name, if necessary, by the attorneys for the Mortgagor's insurance company or by such attorneys as the Mortgagee shall approve in writing, which approval shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, the Mortgagee or any of its directors, officers, affiliates, employees and agents may engage its own attorneys in its reasonable discretion to defend it or to assist in its defense and the Mortgagors shall pay the reasonable fees and disbursements of such attorneys.

IV. EVENTS OF DEFAULT.

The following shall constitute events of default under this Mortgage (each, an "Event of Default"):

A. If any Event of Default or default shall occur under the terms of any of the Secured Obligations.

B. If the Mortgagors shall default in the performance or observance of any covenant, agreement or condition contained in this Mortgage and such default shall continue for fifteen (15) days after notice thereof from the Mortgagee.

C. If any representation or warranty made by the Mortgagors in this Mortgage or in any other Loan Document shall prove to have been false, incorrect or misleading in any material respect on the date as of which made.

D. If the Premises shall be sold, transferred, assigned or otherwise conveyed, including without limitation, the entering into by the Mortgagors of a long-term lease of the Premises, or if title to the Premises or any part thereof shall be transferred or conveyed to any person, firm, corporation, trust, association or other entity, including without limitation, the passing of title to, or possession of the Premises by, a receiver, trustee or assignee for the benefit of creditors.

E. If any default shall occur under the terms of any of the Permitted Encumbrances.

F. If a default or event of default occurs under a mortgage that is prior or subordinate to the lien of this Mortgage, including without limitation, if any mortgagee claims a right to possession or commences a foreclosure action.

G. (i) The Mortgagors shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian or other similar official for all or any substantial part of its assets, or (ii) the Mortgagors shall make a general assignment for the benefit of creditors; or (iii) the Mortgagors shall commence, or there shall be commenced against the Mortgagors, any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief of any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iv) there shall be commenced against the Mortgagors any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distress or similar process against all or any substantial part of its assets, which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (v) the Mortgagors shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clauses (i), (ii), (iii) or (iv) above; or (v) the Mortgagors shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due.

H. The Mortgagors shall (i) default in any payment with respect to any indebtedness for money borrowed, whether from the Mortgagee or any other lender, beyond the period of grace, if any, provided in the instrument or agreement under which such indebtedness was created; or (ii) default in the observance or performance of any other agreement or condition relating to any such indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur, the effect of which default or other event is to cause, or to permit the holder of such indebtedness (or a trustee or agent on behalf of such holder) to cause, with the giving of notice if required, such indebtedness to become due prior to its stated maturity. In addition, the Mortgagors acknowledges and agrees that any Event of Default hereunder or under any other Loan Document shall be an event of default under and with respect to all other indebtedness, whether actual or contingent, of the Mortgagors to the Mortgagee.

I. A final judgment shall be entered against the Mortgagors by any court for the payment of money which, together with all other outstanding judgments against the Mortgagors, exceeds fifty thousand dollars (\$50,000) in the aggregate, which judgment is not fully covered by insurance, or a warrant of attachment or execution or similar process shall

be issued or levied against property of the Mortgagors which, together with such other property subject to such process, exceeds in value fifty thousand dollars (\$50,000) in the aggregate and, if within sixty (60) days (ten (10) days if such aggregate amount exceeds one hundred thousand dollars (\$100,000)) after the entry, issue or levy thereof, such judgment, warrant or process shall not have been discharged or stayed pending appeal, or, if within sixty (60) days (ten (10) days if such aggregate amount exceeds one hundred thousand dollars (\$100,000)) after the expiration of any such stay, such judgment, warrant or process shall not have been discharged.

J. The Mortgagors shall enter into any junior financing of the Premises without the prior written consent of the Mortgagee.

V. **REMEDIES.**

In case one or more Events of Default shall have occurred, the Mortgagee shall have the following rights and remedies:

A. The Mortgagee may declare all amounts outstanding (with accrued interest thereon) and all other amounts owing to it under the Secured Obligations to be immediately due and payable, whereupon the same shall become due and payable forthwith without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Mortgagor.

B. To take any action at law or in equity to collect the payments due under the Secured Obligations secured hereby or to enforce the performance and observance of the obligations, agreements and covenants of the Mortgagors contained in this Mortgage and the other Loan Documents.

C. Enter into possession of the Premises and employ watchmen to protect the Premises from injury.

D. To institute an action of mortgage foreclosure, or take other action as the law may allow, at law or in equity, for the enforcement of this Mortgage, and proceed therein to final judgment and execution for the entire unpaid balance of the Secured Obligations, including costs of suit, interest and reasonable attorneys' fees. In case of any sale of the Premises by virtue of judicial proceedings, the Premises may be sold in one parcel and as an entirety or in such parcels, manner or order as the Mortgagee in its sole discretion may elect. The failure to make any tenants parties defendant to a foreclosure proceeding and to foreclose their rights will not be asserted by the Mortgagors as a defense in any proceeding instituted by the Mortgagee to collect the Secured Obligations secured hereby or any deficiency remaining unpaid after the foreclosure sale of the Premises. Notwithstanding anything herein to the contrary, the Mortgagors shall continue to be responsible for the payment of taxes, insurance and all other amounts payable with respect to the Premises until title to the Premises shall be conveyed at a sheriff's sale or other similar proceeding.

E. If the Event of Default relates to the payment of any tax, assessment, water or sewer rent or governmental charge, or the payment of a premium for insurance, or the obligation to keep the Premises in satisfactory repair and condition, or to otherwise preserve the security of this Mortgage, then the Mortgagee, in addition to or in lieu of exercising any other rights which it may have hereunder or under any other document executed in connection with any Secured Obligations secured hereby, may pay the tax, assessment, water or sewer rent, governmental charge, insurance premium, or the cost of placing the Premises in satisfactory repair and condition, or the cost of otherwise preserving the security of this Mortgage, and the amount so paid shall be added to the moneys owing on the Secured Obligations and shall be secured hereby and shall be due and payable on demand with interest equal to the prevailing interest rate under the Secured Obligations plus four percent (4%).

F. Upon the occurrence of any Event of Default, the Mortgagee is hereby empowered and appointed attorney-in-fact of the Mortgagors to enter upon and take possession of the Premises and rent the same, either in its name or in the name of the owner of such property, and to demand, collect and receive from the tenants, lessees or other occupants then in possession of the Premises or any part thereof, the rents, issues and profits as they become due as well as all past due rents, income or profits which have not been collected by the Mortgagors, to endorse the name of the Mortgagors or any subsequent owner of the Premises on any checks, notes or other instruments for the payment of money, to give any and all acquaintances or any other instrument in relation thereto in the name of the Mortgagors, and to institute, prosecute, settle or compromise any summary or legal proceedings in the name of the Mortgagors or in the name of the Mortgagee for the recovery of such rents, income or profits, or for the abatement of any nuisance thereon, and to defend, at the Mortgagee's option and sole discretion, any legal proceedings brought against the Mortgagors arising out of the operation of the Premises. All rents, issues and profits collected or received by the Mortgagors after an Event of Default shall be accepted and held for the Mortgagee in trust and shall not be commingled with the funds and property of the Mortgagors, but shall be promptly paid over to the Mortgagee; and the Mortgagors agrees to pay the Mortgagee, if demanded by it, a reasonable rental for the portion of the Premises occupied by the Mortgagors, monthly in advance as a tenant from month to month, and in default of any such payment the Mortgagors may be dispossessed by summary proceedings, such tenancy to expire upon delivery of deed in foreclosure; and the Mortgagee shall apply the rents, issues and profits, after the payment of the necessary charges and expenses, including management fees and commissions, on account of the Secured Obligations hereby secured, being accountable only for rents, issues and profits as are collected by it while in possession.

G. Upon the filing of a complaint to collect the amount due on any Secured Obligation, the Mortgagee shall be entitled to the appointment of a receiver of the rents, issues and profits of the Premises without the necessity of proving either inadequacy of the security or insolvency of the Mortgagors or any person who may be legally or equitably liable to pay moneys secured hereby, and the Mortgagors and each such person waive such proof and consent to the appointment of a receiver.

H. To exercise any and all rights and remedies conferred upon secured parties by the Uniform Commercial Code and other applicable laws.

In addition to the above remedies, if the Mortgagors commits a breach or threatens to commit a breach of this Mortgage, the Mortgagee shall have the right and remedy, without posting bond or other security, to have the provisions of this Mortgage specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach will cause immediate and irreparable injury to the Mortgagee and that the Mortgagee's rights in and to the Premises will not provide an adequate remedy therefor.

All proceeds received from the sale or other disposition of the whole or any part of the Premises shall be applied as follows: (i) first, to the payment of all fees, costs and expenses incurred by the Mortgagee in connection with such sale or disposition; (ii) second, to the payment in full of the Secured Obligations; and (iii) third, the balance, if any, of such proceeds remaining after payment in full of the foregoing, to the Mortgagors or as a court of competent jurisdiction may otherwise direct.

Without limiting the foregoing, in exercising its remedies upon the occurrence of an Event of Default, the Mortgagee (i) shall not be responsible nor liable for any shortage, discrepancy, damage, loss or destruction of any part of the Premises regardless of the cause thereof unless the same shall happen through its gross negligence or willful misconduct; (ii) shall be entitled to the appointment (without notice and without proof of diminution in value of the Premises) of a receiver to take possession of all or any portion of the Premises and to exercise such powers as the court shall confer upon the receiver; and (iii) generally may perform all acts necessary or proper to carry out the intention of this Mortgage, as fully and completely as though the Mortgagee were the absolute owner of the Premises for all purposes, and the Mortgagors hereby ratifies and confirms all that the Mortgagee shall do by virtue of this grant of power.

The rights and remedies of the Mortgagee hereunder shall be in addition to every other right and remedy now and hereafter provided by law; the rights and remedies of the Mortgagee shall be cumulative and not exclusive one of the other; the Mortgagee may exercise the same at such times, in such order, to such extent, and as often as Mortgagee deems advisable, and without regard to whether the exercise of one precedes, concurs with, or succeeds the exercise of another; no delay or omission by the Mortgagee in exercising a right or remedy shall exhaust or impair the same, or constitute a waiver of, or acquiescence in, the Event of Default; and no waiver of an Event of Default by the Mortgagee shall extend to or affect any other Event of Default or impair any right or remedy with respect thereto.

GE Capital Account No. 6048055-003

THIS MODIFICATION AGREEMENT ("Modification Agreement") is made and entered into as of this ____ day of August 2002, by and between GENERAL ELECTRIC CAPITAL CORPORATION ("GE Capital"), a Delaware corporation with a place of business at 44 Old Ridgebury Road, Danbury, Connecticut and ED HANSLOVAN COAL COMPANY, INC. ("Debtor") a corporation with a place of business at Route 2 Box 230, Morrisdale, PA 16858

RECITALS

WHEREAS, the Debtor leased certain commercial equipment from GE Capital pursuant to a Master Lease Agreement dated April 5, 1996 (as modified or amended, the "Lease");

WHEREAS, the Debtor is currently in default of the obligations due under the Lease;

WHEREAS, the Debtor has requested that GE Capital modify the obligations due under the Lease; and

WHEREAS, GE Capital is willing to modify Debtor's obligations under the Lease as requested subject to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of these promises and the covenants contained herein and for other good and valuable consideration, the receipt and adequacy of which the parties hereby acknowledge, the parties hereby agree as follows:

I. **ACKNOWLEDGMENTS, REPRESENTATION AND COVENANTS:** Debtor does hereby represent, acknowledge, warrant and covenant to GE Capital that:

(1) The recitals set forth above are true and accurate;

(2) The Lease is duly executed, binding obligation of Debtor and has not been terminated and the copies of same attached hereto as Exhibit A, respectively, and made a part hereof are true, complete and accurate copies of same;

(3) The Debtor has adequate power and capacity to enter into this Modification Agreement;

(4) The entry into and performance by Debtor of the obligations under this Modification Agreement, and the Lease do not (i) violate any judgment, order law or regulation applicable to Debtor; or (ii) result in any breach of, constitute a default under or result in the creation of any lien, charge, security interest or other encumbrance upon any unit of Equipment (as defined in the Lease) pursuant to any indenture security agreement, deed of trust, bank loan or credit agreement or other instrument to which Debtor is a party;

(5) There are no suits or proceedings pending or threatened in court or before any regulatory commission, board or other administrative governmental agency against or affecting Debtor, which will have a material adverse effect on the ability of Debtor to fulfill its obligations under this Modification Agreement, or the Lease;

(6) The financial statements of Debtor, heretofore delivered to GE Capital accurately present the financial position of Debtor, as of the date of delivery, and there has been no material adverse change in the financial condition of Debtor since the date of such financial statements;

(7) Debtor agrees that, notwithstanding any provision to the contrary herein, it will continue to fulfill any and all of its duties and obligations under the Lease except as those duties and obligations are modified by this Modification Agreement;

(8) As of the date hereof, there is Five Hundred Thirteen Thousand One Hundred Ninety Seven Dollars and 32/100 (\$513,197.32) due and owing under the Lease, ("the Account Balance")

II. MODIFICATION:

(1) The payment schedule of the Lease is hereby modified to reflect payment of the Account Balance as follows:

(a) One (1) payment of Seven Thousand Seven Hundred Nineteen Dollars and 88/100 (\$7,719.88) by August 31, 2002;

(b) Thirty Six (36) monthly payments of Fourteen Thousand Forty One Dollars and 4/100 (\$14,041.04), each payable on the 15th of the month commencing with the month of September 2002, and ending August 2005.

(2) The Lease is hereby modified, as necessary, to incorporate the modifications set forth herein.

III. ADDITIONAL SECURITY: To further secure its obligations to GE Capital under the Lease, and as additional consideration for entering into this Modification Agreement, the Debtor agrees to grant GE Capital:

Township, Clearfield County,

(1) a security interest in and to the premises located at Morris, by executing, a Mortgage and Security Agreement in favor of GE Capital, substantially in the form annexed as Exhibit B hereto within ten (10) days of the date hereof;

(2) a security interest in certain mineral reserves, more fully described in the annexed Exhibit C, by executing a Mortgage and Security Agreement in favor of GE Capital substantially in the form annexed as Exhibit D hereto within ten (10) days of the date hereof;

IV. REMAINING TERMS AND CONDITIONS CONTINUE IN EFFECT

(1) Except as expressly modified herein, all conditions and terms of the Lease shall continue in full force and effect in accordance with its original terms and conditions. NO TERMS OR CONDITIONS OF THE LEASE HAVE BEEN ALTERED OR ADJUSTED IN ANY WAY EXCEPT FOR THE DUE DATES OF PAYMENT OF THE ACCOUNT BALANCE.

(2) All Exhibits referenced herein and attached hereto are incorporated herein by reference.

(3) If this Modification Agreement is deemed unenforceable in any respect, then the parties agree that the Lease shall be enforceable in accordance with their original terms and conditions as if this Modification Agreement had never been executed.

(4) It is the intention of the parties to comply with all applicable usury laws; accordingly, it is agreed that, notwithstanding any provision to the contrary in this Modification Agreement or the Lease, in no event shall any of the foregoing require the payment or permit the collection of interest in excess of the maximum amount permitted by applicable law. If any such excess interest is contracted for, charged or received thereunder, or in the event that all of the Account Balance shall be prepaid, so that under any of such circumstances the amount of interest contracted for, charged or received under this Modification Agreement or the Lease results in the Account Balance exceeding the maximum amount of interest permitted by applicable law, then in such event (a) the provisions of this Section shall govern and control, (b) neither Debtor nor any other person or entity now or thereafter liable for the payments shall be obligated to pay the amount of such interest to the extent that it is in excess of the maximum amount of interest permitted by applicable law, (c) any such excess which may have been collected shall be either applied as a credit against the then unpaid Account Balance or refunded to the party having paid same; at the option of GE Capital, and (d) the effective rate of interest shall be automatically reduced to the maximum lawful contract rate allowed under applicable law as now or hereafter construed by the courts having jurisdiction thereof.

(5) Any payment received from Debtor may be applied by GE Capital at any time against any obligation due and owing by Debtor under the Modification Agreement or the Lease, in GE Capital's sole discretion, notwithstanding any statement appearing on or referred to in any remittance from customer or any prior application of such payment. In the event any bankruptcy proceedings are instituted by or against Debtor under any applicable bankruptcy law within 90 days after receipt by GE Capital of any such payment, such payment shall be deemed applicable to unpaid obligations then due thereunder in the inverse order of maturity.

(6) Debtor hereby certifies, agrees and acknowledges that the Equipment is installed and fully operational and is now and will continue to be used in the conduct of the Debtor's business.

(7) This Modification Agreement shall be binding upon and shall inure to the benefit of all the parties hereto and their respective administrators, successors and permitted assigns.

(8) No waiver, amendment, release, or modification of this Modification Agreement shall be established by conduct, custom, or course of dealing, but solely by an instrument in writing duly executed by the parties.

(9) Debtor shall take any and all acts and execute any and all documents reasonably requested by GE Capital to effectuate the terms of this Modification Agreement. In the event the Debtor fails to do so, or fails to timely execute any of the documents referenced herein, then this Modification Agreement shall become null and void and of no force or effect, and the parties shall return to the status quo and shall be deemed to have waived any rights or defenses with respect to the Lease.

(10) This Modification Agreement shall be governed by and interpreted under the laws of the State of Connecticut.

(11) The invalidity or unenforceability of any one or more phrases, sentences, clauses, or section contained in this Modification Agreement shall not affect the validity or enforceability of the remaining portions of this Modification Agreement, or any part thereof.

(12) Debtor unconditionally waives its rights to a jury trial or any claim or cause of action based upon or arising out of this Modification Agreement, any of the related documents, any dealing between GE Capital and the Debtor relating to the subject matter of this Modification Agreement or any related documents or transactions, and/or the relationship that is being established between GE Capital and the Debtor. The scope of this waiver is intended to be all encompassing of any and all disputes that may be filed in any court. This waiver is irrevocable. This waiver may not be modified either orally or in writing. This waiver also shall apply to any subsequent amendments, renewals, supplements or modifications to this Modification Agreement, any related documents, or to any other documents or agreements relating to this transaction or any related transaction. This Modification Agreement may be filed as a written consent to a trial by the court.

(13) Debtor agrees to pay all reasonable attorneys' fees and other costs incurred by GE Capital in connection with the enforcement, assertion, defense or preservation of GE Capital's rights and remedies under this Modification Agreement, or if prohibited by law, such lesser sum as may be permitted. Debtor further agrees that such fees and costs shall constitute and be added to the Account Balance.

(14) This Modification Agreement may be executed in counterparts and facsimile signatures shall be deemed originals.

IN WITNESS WHEREOF, the parties hereto have executed this Modification Agreement and have caused this Modification Agreement to be executed by their respective duly authorized representatives as of the day first above-written.

MASTER LEASE AGREEMENT6048055-002
000034280

THIS MASTER LEASE AGREEMENT, dated as of March 07, 1996, (the "Master Agreement") is entered into between Vision Financial Group, Inc., a Pennsylvania corporation (hereinafter called "Lessor", having its principal place of business at The Pennsylvanian, 1100 Liberty Avenue, Pittsburgh, Pennsylvania 15222, and Ed Hanslovan Coal Co., Inc., a Pennsylvania corporation (hereinafter called "Lessee"), having its principal place of business at Box 230, Route 2, Morrisdale, Pennsylvania 16858.

As used herein, the terms "Basic Rent Date", "Casualty Value", "Expiration Date", "Installation Date", "Installation Location", "Overdue Rate" and any additional defined terms required shall have the meanings with respect to each item of Equipment set forth on the Equipment Schedule which describes such item of Equipment.

Section I - Lease and Rental

1.1 Lease of Equipment. Subject to the terms and conditions of this Master Agreement, Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the items of personal property (collectively the "Equipment" or individually an "item of Equipment") described in Equipment Schedules executed by Lessor and Lessee from time to time pursuant to this Master Agreement. Each Equipment Schedule shall be considered a separate lease incorporating the terms and conditions of this Master Agreement and shall be referred to herein as the "Lease" with respect to the Equipment described on such Equipment Schedule. Notwithstanding Lessee's possession and use of the Equipment, Lessor shall retain the full legal title to the Equipment, it being expressly understood that the Lease is a true lease of Equipment owned by Lessor and not a security instrument. On the Installation Date of each item of Equipment, such item of Equipment shall be deemed delivered, accepted by Lessee and subject to the terms and conditions of the Lease. Upon Lessor's request, Lessee will promptly execute and deliver an Acceptance Certificate (prepared by Lessor), confirming such Installation Date. Lessor may complete information, on Lessee's behalf, on the Acceptance Certificate if it is returned incomplete by Lessee.

1.2 Rental. Lessee shall pay to Lessor or its Assignee the rent set forth on the Lease for each item of Equipment (hereinafter referred to as "Basic Rent"). Lessee shall also pay to Lessor or its Assignee the following amounts ("Supplemental Rent" and, together with Basic Rent, "Rent"): (i) On the date provided herein, any amount payable hereunder as Casualty Value or any other amounts payable by Lessee pursuant to the Lease; and (ii) On demand, to the extent permitted by applicable law, interest at the Overdue Rate on any payment of Rent which is not received by Lessor or Assignee on the applicable due date. Interest shall accrue from the due date until the amount is received.

1.3 Net Lease. The Lease is a net lease, and Lessee acknowledges and agrees that Lessee's obligation to pay all Rent thereunder, and the rights of Lessor in and to such Rent, shall be absolute and unconditional and shall not be subject to any abatement, reduction, set-off, defense, counterclaim or recoupment ("Abatements") for any reason whatsoever, including, without limitation, Abatements due to any present or future claims of Lessee against Lessor under the Lease or otherwise, against the manufacturer or supplier of any item of Equipment, or by reason of any defect in or damage to, or any loss or destruction of any item of Equipment, or the interference with the use thereof, or the bankruptcy or insolvency of Lessor, it being the express intention of Lessor and Lessee that all Rent payable by Lessee thereunder shall be and continue to be payable in all events. To the extent permitted by applicable law, Lessee hereby waives any and all rights and remedies conferred upon a lessee by sections 2A-508 through 2A-522 of the UCC, including, but not limited to, Lessee's rights to: (i) cancel or repudiate this Lease; (ii) reject the Equipment or revoke acceptance of the Equipment; (iii) a security interest in the Equipment in Lessee's possession or control for any reason; (iv) specific performance, replevin, detinue, sequestration, claim and delivery of the like for any Equipment identified to this Lease. To the extent permitted by applicable law, Lessee also hereby waives any rights now or hereafter conferred by statute or otherwise which may require Lessor to sell, lease or otherwise use any Equipment in mitigation of Lessor's damages hereunder or which may otherwise limit or modify any of Lessor's rights or remedies hereunder.

1.4 Term of Lease. The term of the Lease for each item of Equipment shall commence on the Installation Date and shall expire on the Expiration Date for such item of Equipment unless, as provided herein, the Lease shall have been earlier terminated, or the term of the Lease shall have been extended. The Lease shall be automatically extended beyond the Expiration Date, unless (i) Lessor has previously terminated the Lease (as provided in Section 4.2) or (ii) at least 120 days prior to the Expiration Date, Lessee gives Lessor written notice of its election to terminate the Lease on the Expiration Date and then properly surrenders the Equipment to Lessor (as set forth in Section 3.11 herein) on the day immediately following the Expiration Date. The term of the Lease extension shall be for successive full monthly periods until terminated by either party giving to the other not less than four months prior written notice of termination. If the term of the Lease is so extended, all terms and conditions of the original Lease shall remain in full force and effect.

Section II - Representations and Warranties

2.1 Warranties; Disclaimers. Lessee represents to Lessor that, as of the Installation Date, Lessee shall have (a) inspected the Equipment, (b) determined that all items of Equipment are of a size, design, capacity and manufacture selected by it, and (c) satisfied itself that all items of Equipment are suitable for Lessee's purposes. Lessee acknowledges that (i) Lessor did not select, manufacture or supply the Equipment, (ii) Lessor acquired the Equipment or the right to possession and use of the Equipment in connection with the Lease, and (iii) Lessee has reviewed and approved the supply contract evidencing Lessor's purchase of the Equipment. EXCEPT AS SPECIFICALLY PROVIDED HEREIN, LESSOR HEREBY DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES, EITHER EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE DESIGN OR CONDITION OF THE EQUIPMENT, ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OR CAPACITY OF THE EQUIPMENT, OR ITS CONFORMITY TO THE SPECIFICATIONS OF ANY ORDERS RELATING THERETO, IT BEING AGREED THAT ALL SUCH RISKS, AS BETWEEN LESSOR AND LESSEE, ARE TO BE BORNE BY LESSEE AT ITS SOLE RISK AND EXPENSE. LESSOR SHALL NOT BE LIABLE IN ANY WAY TO LESSEE (i) FOR ANY LOSS, DAMAGE, OR EXPENSE OF ANY KIND CAUSED DIRECTLY OR INDIRECTLY BY THE EQUIPMENT, ITS OPERATION, OR THE INSTALLATION, USE, MAINTENANCE, HANDLING, OR STORAGE THEREOF, OR BECAUSE IT IS OR BECOMES UNSUITABLE OR UNSERVICEABLE, OR FOR ANY INTERRUPTION OF SERVICE OR LOSS OF USE THEREOF, OR (ii) FOR ANY LOSS OF BUSINESS OR PROFITS OR INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHATSOEVER OR HOWSOEVER CAUSED, AND REGARDLESS OF WHETHER A CLAIM IS BASED UPON CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY IN TORT, OR OTHER THEORY. LESSOR MAKES NO PATENT WARRANTIES OR REPRESENTATIONS WHATSOEVER. Lessee agrees to look solely to the manufacturer or the supplier of the Equipment and all assignable warranties made by the manufacturer or the supplier of Lessor are hereby assigned to Lessee for the term of the Lease.

2.2 Quiet Enjoyment. Lessor covenants that so long as no Event of Default has occurred under the Lease, Lessee may quietly possess the Equipment subject to and in accordance with provisions of the Lease.

Section III - Covenants of Lessee

3.1 Use of Equipment. Lessee shall use the Equipment in a manner which will not disqualify it for manufacturer maintenance, and in compliance with all laws, rules and regulations of every governmental authority having jurisdiction over the Equipment and with the provision of all policies of insurance carried by Lessee pursuant to Section 3.5. Lessee shall pay all costs, expenses, fees and charges incurred in connection with the use and operation of the Equipment.

3.2 Maintenance. Lessee shall, at its expense, take all actions necessary to maintain and repair the Equipment to keep it in as good operating condition as it was when it first became subject to the Lease, ordinary wear and tear resulting from proper use excepted and, unless otherwise expressly provided for in the Lease, shall enter into and keep in force a maintenance agreement with the manufacturer or other maintenance provider acceptable to Lessor to provide such maintenance and repair. Lessee shall, at its expense, promptly replace all parts of any item of Equipment that become worn out, lost, stolen, destroyed, or unfit for use with replacement parts free of any encumbrance (and title thereto shall vest in Lessor immediately upon installation); provided, however that the foregoing requirement to replace parts of Equipment shall not apply in the case of an Event of Loss as described in Section 3.4(b)(ii) herein.

3.3 Taxes. In addition to the due hereunder, Lessee agrees to pay and Lessor for, and hold Lessor harmless from and against all taxes, assessments, fees and charges (hereinafter called "Imposts") together with any penalties, fines or interest thereon levied and imposed by any governmental agency or unit (state, local, federal, domestic or foreign): (a) with respect to the Lease; (b) upon the Equipment, its value or any interest of Lessor and/or Lessee therein; (c) upon or on account of any sale, rental, purchase, ownership, possession, use, operation, maintenance, delivery or return of the Equipment; or (d) on account of, or measured by, the gross earnings or gross receipts arising from the Equipment, or value added thereto, other than taxes imposed on or measured by the net income or capital of Lessor. If Lessor is obligated to directly pay any Impost, the amount of such Impost shall become Supplemental Rent to be paid by Lessee upon Lessor's demand. Unless otherwise specified in the Lease, Lessee agrees to make and file all reports and returns required to be made with respect to Imposts and indemnifies and holds Lessor harmless from all loss, cost, damage or expense arising out of any failure to prepare and promptly file any such reports or returns. In the event Lessor is billed for any Impost or is obligated to file any tax report or return, Lessee shall reimburse Lessor, upon invoice, an amount equal to Lessor's average administrative costs of preparing such reports and returns plus any related payments. If any Impost is assessed while Lessee has possession of the Equipment, then Lessee's liability for such Impost shall continue, notwithstanding the expiration or termination of the Lease, until all such Imposts are paid by Lessee.

3.4 Loss of Equipment.

(a) **Risk of Loss.** Lessee shall bear the entire risk of the Equipment being lost, damaged, destroyed or rendered permanently unfit or unavailable for use after its shipment to Lessee and until it is surrendered to Lessor in accordance with Section 3.11 hereof.

(b) **Damage/Event of Loss.** (i) In the event any item of Equipment is damaged to a material extent in Lessor's judgement by any occurrence whatsoever, Lessee shall promptly notify Lessor and shall determine within 15 days of the date of such notice whether such item of Equipment can be repaired. If such Equipment can be repaired, Lessee shall, at its cost and expense, repair such Equipment to its original condition. (ii) In the event any item of Equipment shall be lost, stolen, destroyed, damaged beyond repair or rendered permanently unfit or unavailable for use (through a governmental taking or any other event), for any reason whatsoever (any such occurrence being referred to as an "Event of Loss"), Lessee shall promptly notify Lessor and pay to Lessor, on the first day of the month immediately following such Event of Loss, an amount equal to the Casualty Value applicable to such item of Equipment calculated as of the immediately preceding Basic Rent Date plus any unpaid Rent and the installment of Basic Rent for such item of Equipment due on the Basic Rent Date following the Event of Loss. After the payment of such amounts, Lessee's obligation to pay further Basic Rent for such item of Equipment shall cease, but Lessee's obligation to pay Supplemental Rent, if any, for such item of Equipment, and to pay Rent for all other items of Equipment shall remain unchanged. (iii) Following payment of the Casualty Value and Basic Rent for an item of Equipment in accordance with the provisions of paragraph (ii) of this Section 3.4(b), Lessee may, as agent for Lessor, dispose of such item of Equipment as soon as it is able to do so on an as is, where is basis without representation or warranty. Lessee may, after paying Lessor the amounts specified in the immediately preceding paragraph (ii) retain all of such sale proceeds up to an amount equal to the sum of the Casualty Value plus the reasonable costs of sale with any excess proceeds remitted to Lessor.

(c) **Disposition of Insurance and Other Proceeds.** The proceeds of insurance or any condemnation of an item of Equipment for which an Event of Loss has occurred shall be paid to Lessor (to the extent that Lessor has not previously received all Casualty Value and other payments required to be made by Lessee pursuant to the Lease), and the remainder, if any, shall be paid to Lessee. The proceeds of insurance with respect to damage to an item of Equipment, the repair of which, in the opinion of Lessee, is practicable, shall unless an Event of Default hereunder has occurred and is continuing, be applied either to such repair or to the reimbursement of Lessee for the cost of such repair.

3.5 Insurance.

(a) **Coverage.** Lessee will insure for the following risks with insurers of recognized responsibility: (i) All risk of loss and physical damage to the Equipment in amounts not less than the greater of (i) the fair market replacement value or (ii) the aggregate Casualty Value of all Equipment from time to time. (ii) Comprehensive public liability and property damage insurance with respect to the condition, possession, maintenance, operation and use of the Equipment, in an amount not less than \$2,000,000 for each occurrence.

(b) **Delivery of Certificates.** Lessee shall deliver to Lessor and any Assignee(s) a valid Certificate of Insurance for each such insurance policy upon the execution thereof and a Certificate of Insurance for each renewal policy not less than 30 days prior to the expiration of the original policy or any renewal policy. Such insurance shall (i) include as additional parties insured and loss payees Lessor and any Assignee(s) of whom Lessee has notice, (ii) provide that such insurance shall not be materially changed or canceled without at least 30 days notice to Lessor and such Assignees, and (iii) provide that such policy shall not be invalidated by any negligence of, or breach of warranty by, Lessee. Upon the request of Lessor, Lessee shall provide any additional data related to the insurance as Lessor reasonably requests.

3.6 Indemnity. Lessee hereby indemnifies and holds Lessor harmless from and against all claims, costs, expenses, damages, losses and liabilities whatsoever (including without limitation claims involving strict liability in tort), incurred by Lessor (including fees and expenses of counsel), as a result of or incident to (a) the ownership, management, control, use, operation, or storage of the Equipment, or any part thereof during the term of the Lease, (b) any defect in the Equipment resulting in costs, expenses, damages or liabilities, (c) any actual or claimed patent or similar infringement, or (d) any default by Lessee under the Lease. Lessee and Lessor shall each give the other immediate written notice of any suit, attachment, lien or other judicial process affecting the Equipment of which they have knowledge. Lessee shall satisfy, pay and discharge any and all judgments and fines that may be recovered against Lessor in any such action or actions. Lessor shall have the right to appear in defense of any such suit or proceeding. The appearance of Lessor in such a suit or proceeding shall not constitute a waiver of its right to require Lessee to fulfill its obligations under the Lease.

3.7 Inspection. Lessee shall permit any person designated by Lessor, at Lessor's expense, to visit and inspect the Equipment, or any part thereof, at such reasonable times and places and as often as Lessor may reasonably request.

3.8 Possession; Assignment; Pledge. Lessee shall not:

(a) ASSIGN OR IN ANY WAY DISPOSE OF ALL OR ANY PART OF ITS RIGHTS OR OBLIGATIONS UNDER THIS LEASE OR ENTER INTO ANY SUBLEASE OF ALL OR ANY PART OF THE EQUIPMENT WITHOUT THE PRIOR WRITTEN CONSENT OF LESSOR. Lessor hereby agrees that Lessee may permit the parent or a subsidiary of Lessee to use the Equipment in the ordinary course of its business at the Installation Location; or

(b) Assign the Lease or its interest hereunder, or

(c) Create, incur, assume or suffer to exist any liens on or with respect to the Equipment, Lessor's title thereto or any interest therein (and Lessee will promptly, at its own expense, take such action as may be necessary duly to discharge any such lien), except (i) the respective rights of Lessor and Lessee as herein provided, (ii) inchoate materialmen's, mechanic's or other like liens arising in the ordinary course of business of Lessee and not delinquent, and (iii) liens granted by Lessor to any Assignee; or

(d) Move any item of Equipment from the Installation Location (set forth in the Lease) without the prior written consent of Lessor, such consent not to be unreasonably withheld.

3.9 Identification. Upon request, Lessee shall mark or permit Lessor to mark each item of Equipment in a reasonably prominent location with a legend stating Lessor's ownership of such item of Equipment and Lessee shall not allow the name of any other party to be placed on the Equipment.

3.10 Alterations, Modifications or Additions. Lessee may, at its own expense and upon prior notice to Lessor, make or permit others to make Equipment alterations, modifications or additions (such as memory upgrades and feature additions), provided such alterations, modifications or additions are readily removable without causing material damage to the Equipment, do not interfere with the maintenance thereof, do not create a safety hazard, and are not subject to any security interest, rent or other right or claim held or retained by a third party. Such alterations, modifications and additions may be removed by Lessee at the expiration or termination of the Lease term (including any extensions), and shall be removed at such time if requested by Lessor. Any such alterations, modifications and additions which are not removed by Lessee shall become the property of Lessor. Except as specially provided above, no Equipment alterations, modifications or additions shall be made or permitted by Lessee.

3.11 Transportation and Equipment Return. All transportation, rigging, insurance and other charges payable for delivery of the Equipment to and from the premises of Lessee, and all installation, disconnect and packing charges, shall be paid by Lessee or the Equipment supplier. On or before the Expiration Date or earlier termination of the Lease, Lessee shall at its cost and expense surrender possession of the Equipment at such location(s) in the continental United States of America as Lessor may direct. The Equipment shall be repacked and returned to Lessor in the original or functionally equivalent packing materials provided by the vendor at delivery, with all cables, diagnostics, documentation and accessories (if any) provided upon delivery or at any time during the term of the Lease. Upon the return of the Equipment, Lessee shall identify on the outside of each container the serial numbers and models of the Equipment packed therein. The Equipment is to be in the same condition upon its surrender as when the Lease commenced (ordinary wear and tear resulting from proper use excepted). Computer, communications and similar equipment shall be returned with a certificate from the manufacturer that the Equipment (including any software) has been tested and is functioning properly, that the operating system is at current level, and that the Equipment is qualified for manufacturer maintenance at standard rates without any reconditioning, initial set-up or license charges. In the event that Lessee does not provide such a certificate, Lessor shall have the right to have the Equipment tested and Lessee shall promptly pay for the cost of such testing and any parts, shipping materials, or repairs necessary to bring the Equipment to its original performance condition (ordinary wear and tear excepted) and any updates necessary to bring the operating system to current level. The Lease shall remain in full force and effect and Lessee shall continue to pay Rent on the Equipment until it is surrendered to Lessor in the condition and with the certification described above.

3.12 Financial Statements. Lessee shall upon execution hereof and within 90 days after the close of each fiscal year thereafter, furnish, or cause to be furnished to Lessor and any Assignee, the reviewed annual financial statements of Lessee. In addition, upon request, Lessee will provide to Lessor and any Assignee quarterly financial statements in a form reasonably acceptable to the Lessor.

3.13 Federal Income Taxes. All Tax Benefits are for the account of the Lessee.

3.14 Representations and Warranties. Lessee hereby covenants, represents and warrants to Lessor that (i) it is a corporation duly organized, validly existing and in good standing in its state of incorporation and in every jurisdiction in which the Equipment will be located, (ii) it has taken all corporate action required to authorize the execution, delivery and performance of this Master Agreement and each Lease, and such execution, delivery and performance will not conflict with or violate any provisions of its charter or articles or certificate of incorporation, by-laws or any provisions of any agreement, order, decree or judgment by which it is bound, nor is it now in default under any of the same, (iii) there is no litigation or proceeding pending or threatened against it which may have a materially adverse effect on Lessee or which would prevent or hinder performance of its obligations hereunder, (iv) this Master Agreement, each Lease and all documents provided therewith constitute valid obligations of Lessee, binding and enforceable against it in accordance with their respective terms, (v) it has the power to enter into each Lease and no further action by any party is required to effectuate this Master Agreement and each Lease, (vi) all financial statements heretofore presented to Lessor are true, correct and present fairly the financial condition and results of operations of Lessee and do not contain any untrue statements or material omissions.

Section IV - Default & Remedies

4.1 Events of Default. The occurrence of any of the following shall constitute an "Event of Default" hereunder:

- (a) Lessor shall fail to receive all or any portion of any installment of Rent or other payment on or before the date such sum becomes due and payable; or
- (b) Any representation or warranty made in the Lease, or in any report, certificate, financial statement or other statement furnished to Lessor pursuant to the provisions of the Lease, shall prove to have been false or misleading in any material respect as of the date on which the same was made; or
- (c) An attachment or other lien against the Equipment resulting from any Lessee action, failure to act or responsibility shall be issued or entered and shall remain undischarged or unbonded for ten days; or
- (d) Lessee (i) becomes insolvent, or (ii) files any application or petition in any tribunal for the appointment of a receiver or trustee for all or a significant portion of its assets, or (iii) commences any proceeding under any bankruptcy or reorganization statute or under any provision of the U.S. Bankruptcy Code or under any dissolution or liquidation law whether now or hereafter in effect, or if any petition or application of the type described above is commenced against Lessee and is not dismissed within thirty days, or (iv) makes an assignment for the benefit of creditors or an order is entered appointing a trustee or receiver for Lessee or any significant portion of its assets or adjudicating Lessee a bankruptcy; or
- (e) A proceeding or case is commenced without the application or consent of Lessee, in any court of competent jurisdiction, seeking (i) the liquidation, reorganization, dissolution, winding up of Lessee or composition or readjustment of the debts of Lessee, (ii) the appointment of a trustee, receiver, custodian, liquidation or similar official for Lessee or for all or any substantial part of its assets, or (iii) similar relief with respect to Lessee under any law providing for the relief of debtors; or an order for relief is entered with respect to Lessee in an involuntary case under the United States Bankruptcy Code, and now or hereafter in effect, or an action under the laws of the jurisdiction of incorporation or organization of Lessee, similar to any of the foregoing, is taken with respect to Lessee without its application or consent; or
- (f) Lessee ceases to exist or terminates its independent operations by reason of any discontinuance, dissolution, liquidation, merger, sale of substantially all of its assets, or otherwise ceases doing business as a going concern; or
- (g) Lessee defaults under any promissory note, credit agreement, loan agreement, conditional sales contract, guaranty, lease, indenture, bond, debenture or other material obligation whatsoever, and a party thereto or a holder thereof is entitled to accelerate the obligations of Lessee thereunder; or Lessee defaults in meeting any of its trade, tax or other current obligations as they mature, unless such obligations are being contested diligently and in good faith.

4.2 Remedies.

- (a) If an Event of Default occurs under the Lease, Lessor may give Lessee notice of the Event of Default and upon the giving of such notice or at any time thereafter do any or all of the following (as Lessor in its sole discretion elects): (1) proceed by appropriate court action or actions to enforce performance by Lessee of the applicable covenants and terms of the Lease or to recover damages for the breach thereof, (2) take possession (by summary proceedings or otherwise) of any or all items of Equipment subject to the Lease without prejudice to any other remedy or claim herein referred to; (3) hold, sell, lease, or otherwise dispose of, any or all items of Equipment subject to the Lease, in any manner Lessor (in its sole discretion) elects; (4) receive from Lessee upon demand for any or all Equipment subject to the Lease the following amounts which Lessee shall be obligated to pay: (i) any unpaid Rent past due, (ii) as liquidated damages for loss of bargain and not as a penalty, the Rent otherwise due on the Basic Rent Date immediately following the date such demand is made, plus the remaining aggregate Casualty Value for such Equipment under the Lease calculated as of the Basic Rent Date immediately preceding the date such notice is given, (iii) all costs and expenses incurred in searching for, taking, removing, keeping, storing, repairing, and restoring such items of Equipment, (iv) all other amounts then owing by Lessee hereunder, and (v)

all costs and expenses, including (without limitation) reasonable legal fees and expenses, incurred by Lessor as a result of an Event of Default, termination of this Lease, or the exercise by Lessor of its remedies under this Section 4.2; (5) by notice to Lessee, declare the Lease (for any or all Equipment) terminated without prejudice to Lessor's rights in respect of all obligations set forth in this Section 4.2 and any other obligations under the Lease then accrued and remaining unsatisfied; or (6) avail itself of any other remedy or remedies provided for by any statute or otherwise available by law, in equity or in bankruptcy or insolvency proceedings.

(b) The remedies set forth in Section 4.2(a) are not intended to be exclusive, and each shall be cumulative. The amounts to be paid to Lessor under clause (4) of Section 4.2(a) shall be increased by interest, at the Overdue Rate, to the date of receipt by Lessor of the amount payable under said clause, from the respective due dates of such amounts or (with respect to costs, expenses, and losses for which Lessor is entitled to payment or reimbursement under said clause) from the respective dates incurred by Lessor.

(c) Any amounts received by Lessor as the result of its sale, lease during the original term hereof, or other disposition of the Equipment under subparagraph (3) of Section 4.2(a) shall be paid or applied in the following order: (1) to any remaining obligation of Lessee under subparagraph (4) of Section 4.2(a), (2) to reimburse Lessee for the Casualty Value previously paid as liquidated damages, and (3) to Lessor, any remaining balance.

Section V - Miscellaneous

5.1 Security Deposit. Lessee shall pay to Lessor for each item of Equipment described on a Lease, as a security deposit, an amount equal to the last Basic Rent payment payable thereunder, or such other amount which is expressly set forth in the Lease; such security deposit shall be paid with the first Basic Rent payment and will be returned to Lessee within 15 days of the Expiration Date, provided that (i) all the Equipment under the Lease has been returned to Lessor at the place and in the condition required herein and (ii) there are no uncured events of default by Lessee under the Lease. Lessor shall have the right to deduct from the security deposit any amount not paid to Lessor when due. No such deduction shall diminish Lessee's obligation to pay all sums due Lessor and any amounts deducted from the security deposit which are subsequently paid by Lessee shall be used to restore the security deposit to its original amount. Upon demand from Lessor, Lessee shall pay the amount necessary to so restore the security deposit.

5.2 Expenses. Lessor and Lessee each shall bear and be responsible for its own respective costs and expenses incurred in connection with the preparation, execution and delivery of this Master Agreement and the Lease. Lessee shall pay and be responsible for any license or registration fees for the Equipment. Lessee shall, unless otherwise provided on the Lease, reimburse Lessor for any out-of-pocket Lessor costs and expenses in arranging or committing the debt financing for Equipment leased thereunder, provided that Lessee's liability for such amounts shall not exceed one percent of the aggregate Basic Rent payable throughout the term of such Lease.

5.3 Performance of Lessee's Obligations. If Lessee shall fail to make any payment or perform any act required by the Lease, Lessor may, but shall not be obligated to, make such payment or perform such act for the account of and at the expense of Lessee without waiving or releasing any obligation or default. All sums expended and losses incurred by Lessor pursuant to this Section 5.3, plus interest thereon at the Overdue Rate from the date on which such sums are expended (or losses are incurred) to the date on which Lessee reimburses Lessor therefor, shall be included as Supplemental Rent hereunder and shall be paid by Lessee to Lessor upon demand.

5.4 Assignment by Lessor. Lessor may sell, transfer, grant a security interest in or assign part or all of its right, title and interest in and to the Lease, the Equipment, the Rent or any other sums due or to become due by Lessee hereunder, to third parties; and such third parties may also make such sales, transfers, grants and assignments to other third parties (all third parties referred to in this Section 5.4 being called an "Assignee" or the "Assignees"). In the event of an assignment of the Lease, (a) such assignment (unless otherwise expressly set forth therein) will not relieve the original Lessor from its duties and obligations hereunder and shall not be construed to be an assumption by the Assignee of such obligation; (b) upon notice from Lessor, Lessee shall make all payments for Rent and other amounts due under the assigned Lease directly to the Assignee identified in such notice or its designee; (c) Lessee's obligations hereunder shall not be subject to any reduction, abatement, defense, set-off, counterclaim or recoupment for any reason whatsoever; and (d) Lessee will not, after obtaining knowledge of any such assignment, consent to any modification of the assigned Lease without the consent of any Assignees of which Lessee has notice. Reference to Lessor throughout this Master Agreement shall be deemed to include any Assignees; provided, however, that the Assignees shall have no duties and obligations hereunder, except the obligation, so long as no Event of Default has occurred and the Assignee continues to receive all sums assigned

hereunder, to permit Lessee to possess, use, and quietly enjoy the Equipment, according to the terms hereof. Lessee acknowledges that any sale, assignment or grant of security interest shall not materially change Lessee's duties or obligations under this Lease nor materially increase the burdens or risks imposed on Lessee.

5.5 Further Assurances. It is expressly understood and agreed that all of the Equipment shall be and remain personal property notwithstanding the manner in which the same may be attached or affixed to realty, and Lessee shall do all acts and enter into all agreements necessary to insure that the Equipment remains personal property and hereby indemnifies Lessor for all loss, cost, damage, and expense (including fees and expenses of counsel) related to or arising out of any claim that the Equipment constitutes a fixture or a part of the realty in or upon which it is located. Upon request of Lessor, Lessee shall at any time and from time to time after the execution and delivery of the Lease, execute and deliver such further documents (including but not limited to opinions of counsel, acknowledgements of assignment, waivers, certificates, and UCC-1 financial statements) and do such further acts and things as Lessor may reasonably request in order fully to effect the purposes of the Lease, and any assignment hereof. Lessee hereby appoints Lessor, with full power of substitution, as its agent and attorney-in-fact, which appointment is irrevocable and coupled with an interest, to execute any financing statements in Lessee's name and to perform all other acts which Lessor deems appropriate and necessary to perfect Lessor's interest in the Equipment.

5.6 Rights, Remedies, Powers. Each and every right, remedy and power granted to Lessor hereunder shall be cumulative and in addition to any other right, remedy or power herein specifically granted or now or hereafter existing in equity, at law, by virtue of any statute or otherwise and may be exercised by Lessor from time to time concurrently or independently and as often and in such order as Lessor may deem expedient. Any failure, partial exercise, or delay on the part of Lessor in exercising any such right, remedy or power, or abandonment or discontinuance of steps to enforce the same, shall not operate as a waiver thereof or affect Lessor's right thereafter to exercise the same.

5.7 Confession of Judgement. UPON LESSEE'S DEFAULT HEREUNDER, LESSEE HEREBY AUTHORIZES AND EMPOWERS ANY ATTORNEY OF ANY COURT OF RECORD TO APPEAR FOR LESSEE AND, WITH OR WITHOUT ONE OR MORE DECLARATIONS FILED, ENTER A JUDGEMENT OR JUDGEMENTS AGAINST LESSEE IN FAVOR OF LESSOR, ITS SUCCESSORS OR ASSIGNS, AS OF ANY TERM FOR THE FULL AMOUNT THEN DUE, WITH OR WITHOUT ACCELERATION, TOGETHER WITH INTEREST THEREON AND ANY OTHER SUMS DUE HEREUNDER PLUS COST OF SUIT AND AN ATTORNEY'S COMMISSION OF FIFTEEN PERCENT (15%), WITHOUT STAY OF EXECUTION. LESSEE HEREBY RELEASES LESSOR FROM ALL ERRORS AND DEFECTS WHATSOEVER IN ENTERING SAID JUDGEMENT, WAIVES ALL EXEMPTIONS FROM LEVY AND SALE OF ANY PROPERTY THAT NOW IS OR HEREAFTER MAY BE EXEMPTED BY LAW AND AGREES THAT NO WRIT OF ERROR, APPEAL, PETITION TO STAY, OPEN OR STRIKE OFF JUDGEMENT OR OTHER OBJECTION SHALL BE FILED OR MADE WITH RESPECT THERETO.

5.8 Headings. Section headings are inserted for convenience only and shall not affect any interpretation of this Master Agreement. The words "herein", "hereof", "hereby", "hereto", "hereunder", and words of similar import refer to this Master Agreement as a whole (including any supplements, addenda and riders thereto to the extent applicable and the Lease on which the leased Equipment is described) and not to any particular section, or subdivision hereof.

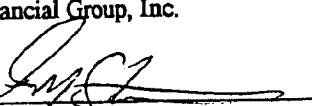

5.9 Governing Law. This Master Agreement and each Lease shall be deemed to have been made under, and shall be governed by, the laws of the Commonwealth of Pennsylvania in all respects, including matters of construction, validity and performance.

5.10 Severability. If any provision of the Lease is prohibited by, or is unlawful or unenforceable under any applicable law of any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such prohibition without invalidating the remaining provisions hereof; provided, however, that any such prohibition in any jurisdiction shall not invalidate such provisions in any other jurisdiction; and provided, further, that where the provisions of any such applicable law may be waived, they hereby are waived by Lessee to the full extent permitted by law to the end that the Lease shall be deemed to be a valid and binding agreement in accordance with its terms.

5.12 Chattel Paper. An executed Lease (Equipment Schedule), marked "Original", shall be the original of the Lease for the Equipment described on such Lease. All other executed counterparts of the Lease shall be marked "Duplicate". To the extent that the Lease constitutes chattel paper, as such term is defined in the Uniform Commercial Code of the applicable jurisdiction, no security interest in the Lease may be created through the transfer of possession of any counterpart other than the Original of a Lease.

IN WITNESS WHEREOF, Lessor and Lessee have caused this Master Agreement to be executed as of the date first written above.

Lessor's obligations hereunder are contingent upon Lessor being able to raise long-term senior non-recourse debt against the security of this Lease and the Equipment. If Lessor determines that the aforesaid financing is not available under terms acceptable to Lessor, the Lessor shall have the right, upon notice to Lessee, to terminate this Lease. Upon the happening of such an event, Lessor shall be released from all obligations under this Equipment Schedule.

Purchase/Renewal Option: Provided that Lessee has given 90 or more days' written notice to the Lessor and no Event of Default has occurred hereunder, the Lessee shall have the option to purchase all (but not less than all) of the Equipment subject to this Equipment Schedule on its original Expiration Date for \$236,872, or renew for (7) additional rents of \$35,261 and then purchase for an amount equal to \$1.00.

(iii) The Lessee shall replace all parts that become worn out, lost, stolen, destroyed, damaged beyond repair or other wise rendered permanently unfit for use with replacement parts each of which shall be in at least as good condition as the part being replaced (assuming the replaced part to have been maintained to the standard required by this Lease), be free of liens except those permitted by the Lessor and immediately become the property of Lessor. The Lessor shall not be required in any way to maintain, repair or rebuild any item of Equipment and Lessee expressly waives the right to perform any such actions at the expense of the Lessor pursuant to any law at any time in effect.

(iv) The Lessee shall deliver to the Lessor copies of the plans, specifications, operation manuals and other warranties and documents furnished by the manufacturer of the Equipment and such other documents in the Lessee's possession relating to the maintenance and methods of operation of the Equipment.

(v) Lessor, at its sole discretion, may from time to time, at reasonable times and with reasonable notice to Lessee, inspect the Equipment at its sole cost and expense. Lessor shall notify, in writing to Lessee, any discrepancies found pertaining to the general condition of the Equipment as required by the Lease and this Equipment Schedule. Lessee shall then have 30 days to rectify the discrepancies, within thirty (30) days Lessor shall have the right to cause such discrepancies to be rectified and shall invoice Lessee for all costs and expenses related to rectifying the discrepancies. (a) The Equipment must be in good operating order within the Manufacturer's accepted tolerances for operation in all material respect and in compliance with Section 3.1 of the Lease.

(b) When the Equipment is surrendered to Lessor, it will be free of all evidence of advertising or insignia placed on it by Lessee in a manner as not to cause damage to the appearance of the Equipment and meet all legal and regulatory conditions necessary for the Lessor to sell or lease it to a third party.

(c) The Equipment shall have no abnormal dents or scrapes, and not require major repairs.

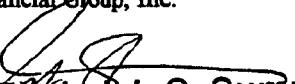

(d) All components and features furnished with the Equipment will be in working condition subject to normal wear and tear.

(iii) In the event that any necessary repairs or replacements are not completed by the Expiration Date, Lessee shall pay to Lessor, interim rent equal to the Daily Lease Factor, multiplied by the Lessor's Cost of the item of Equipment, for each day in excess of the term of this Lease, until such repairs or replacements are completed and the Equipment returned to the Lessor. The frequency of such payments shall not be less than monthly.

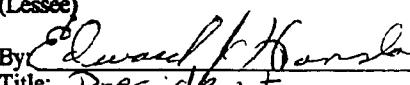

By execution hereof, the undersigned confirm that this Equipment Schedule, marked "Original", together with a reprographic copy of the Master Lease Agreement incorporated herein by reference, will constitute an original, separable, and enforceable agreement of lease, independent of any other Equipment Schedules.

The Lease constitutes the entire agreement between the Lessor and Lessee with respect to the Equipment, and any change or modification thereto and any related agreement must be in writing and signed by the parties thereto.

The Undersigned hereby waives notice of acceptance of this guaranty and of any liability to which it applies or may apply under the terms hereof, and waives presentment, demand for payment, notice of dishonor or non-payment, protest, notice of protest on any such liabilities, suit or taking other action by Lessor against, and giving any notice of default or other notices of any kind to, or making any demand on any party liable thereon, including the Undersigned.

Lessor may, at any time and from time to time, without the consent of or notice to the Undersigned and without impairing or releasing the obligations of the Undersigned hereunder (1) change the manner, place or terms of payment or change or extend the time of payment of or extend or renew the term of or renew or alter any liability of the Lessee under the Lease and this guaranty shall apply to the liabilities of the Lessee, as changed, renewed or altered in any manner, and (2) exercise or refrain from exercising any rights against Lessee or others (including the Undersigned) or otherwise act or refrain from acting, and (3) settle or compromise liabilities hereby guaranteed (including any liabilities hereunder) or may subordinate the payment of all or any part thereof to the payment of any liabilities which may be due to Lessor or others, and (4) apply any sum whatsoever paid or howsoever realized to any liability or liabilities of Lessee regardless of what liability or liabilities of Lessee remain unpaid.

No invalidity, irregularity, or unenforceability of the liabilities hereby guaranteed shall affect, impair, or be a defense to this guaranty and this guaranty is a primary obligation of the Undersigned.

This guaranty is a continuing one and the Undersigned agree(s) that all liabilities to which it applies or may apply under the terms thereof shall be conclusively presumed to have been created in reliance hereon and as to each of the Undersigned this guaranty shall continue until all of the liabilities of the Lessee have been fully and completely performed and discharged.

In the event that said Equipment Lease shall have more than one Lessee, this guaranty shall apply to the obligations of all such Lessees, jointly and severally.

No delay on the part of Lessor in exercising any of its rights under the Lease or under this guaranty and no partial or single exercise thereof and no action or nonaction by Lessor, with or without notice to the Undersigned or anyone else, shall constitute a waiver or any right or shall affect or impair this guaranty. Lessor shall not be required to first resort to Lessee or to any other persons, firms or entities for payment and in the event of any default by Lessee, the Undersigned shall be responsible to Lessor for full performance of all of Lessee's obligations under this Lease.

UPON DEFAULT, UNDERSIGNED HEREBY EMPOWER THE PROTHONOTARY OR ANY ATTORNEY OF ANY COURT OF RECORD WITHIN THE UNITED STATES OR ELSEWHERE TO APPEAR FOR THEM AND, WITH OR WITHOUT ONE OR MORE DECLARATIONS FILED, ENTER A JUDGMENT OR JUDGMENTS AGAINST THEM OR ANY OF THEM IN FAVOR OF LESSOR, ITS SUCCESSORS OR ASSIGNS, AS OF ANY TERM FOR THE SUM THEN DUE, INTEREST THEREON, AND ANY OTHER SUMS DUE BY LESSEE PLUS COSTS OF SUIT AND AN ATTORNEY'S COMMISSION OF FIFTEEN PERCENT (15%) FOR COLLECTION WITH RELEASE OF ALL ERRORS AND WITHOUT STAY OF EXECUTION.

This guaranty and every part thereof shall be binding upon the Undersigned and upon the heirs, legal representatives, successors and assigns the Undersigned, and of each of them respectively and shall inure to the benefit of Lessor, its successors and assigns.

IN WITNESS WHEREOF, this Guaranty has been duly executed by the Undersigned intending to be legally bound, this 3rd day of April, 1996.

(b) Collect any rental payment under the Lease (other than Excepted Amounts) prior to the date for payment thereof provided for by the Lease or extend any time for payment or grant any waiver of consent under the Lease.

2.5 Power of Attorney in Respect to the Lease. Debtor does hereby irrevocably constitute and appoint GE Capital its true and lawful attorney with full power of substitution, for it and in its name, place and stead, to ask, demand, collect, receive, receipt for, sue for, compound and give acquittance for any and all rents, income and other sums which are assigned under Section 1.1(b) of this Agreement with full power to settle, adjust or compromise any claim thereunder as fully as Debtor could itself do, and to endorse the name of Debtor on all commercial paper given in payment or in part payment thereof, and in its discretion to file any claim or take any other action or proceedings, either in its own name or in the name of Debtor, or otherwise, which GE Capital may deem necessary or appropriate to collect any and all sums which may be or become due or payable under Lease, or which may be necessary or appropriate to protect and preserve the right, title and interest of GE Capital in and to the Collateral.

2.10 Acknowledgment of Commercial Loan. Debtor acknowledges that GE Capital has advised Debtor that it is receiving the Loan evidenced by the Note from GE Capital in the ordinary course of GE Capital's commercial lending business and that GE Capital is acquiring the Note for its own account for investment and not with a view to, or for sale in connection with, any distribution thereof.

2.11 Disclaimer of Tax Benefits. Debtor acknowledges and agrees that GE Capital has made absolutely no representations or warranties as to the availability of tax benefits, including but not limited to the investment tax credit and depreciation deductions.

SECTION 3 APPLICATION OF MONIES RECEIVED

3.1 Application of Rents and Other Payments by Lessee. Debtor agrees to instruct Lessee to make all payments due under the Lease (excluding Excepted Amounts) directly to GE Capital or in accordance with GE Capital's instructions until such time as Debtor's obligations hereunder and under the Note have been discharged. Debtor agrees that should it receive any such payments or any proceeds for or with respect to the Collateral (other than Excepted Amounts) it will promptly forward such payments to GE Capital or in accordance with GE Capital's instructions. The rents and other sums received by GE Capital pursuant to this Agreement shall be held by GE Capital as part of the Collateral and, so long as no event of default referred to in Section 4 hereof has occurred and is continuing, or, which with the lapse of time or the giving of notice, or both, would constitute an event of default as so defined, all such rents and other sums shall be paid and applied as follows:

(a) The amounts from time to time received by GE Capital which constitute payment of rent under the Lease shall be applied first, to the payment of the amounts of interest and principal (with interest being allocated first, then principal) then due and payable on the Note; second, any balance on such payment of rentals shall be applied first to interest and then to principal for each successive payment due under the Note.

(b) Any amounts received by GE Capital which constitute settlement by Lessee of an Event of Loss or payment by Lessee of the Casualty Value pursuant to Section 3.4 of the Lease, shall be paid and applied to prepay the Note.

3.2 Application of Payments in Event of Default. Notwithstanding anything else contained in this Section, if any event of default referred to in Section 4 hereof has occurred and is continuing, all amounts received by GE Capital (other than Excepted Amounts) under this Agreement shall be applied in the manner provided for in Section 4 with respect to proceeds and avails of the Collateral.

SECTION 4 DEFAULTS AND OTHER PROVISIONS

4.1 Event of Default Defined. The term "Event of Default" for the purpose hereof shall mean (i) any one or more breaches by Debtor under the terms and conditions of the Note or this Agreement; (ii) a failure by Debtor in the due observance or performance of any covenant, condition or agreement required to be observed or performed by Debtor pursuant to the terms of the Lease; or (iii) a default by Lessee as defined in Section 4.1 of the Lease.

4.2 Remedies Upon Event of Default. Upon the occurrence of an Event of Default GE Capital shall be entitled to take all actions permitted to GE Capital under the Uniform Commercial Code and any other applicable law, including but not limited to selling the Lease and its right in the Equipment at private or public sale, in bulk or in parcels, with or without notice, and without having the Equipment present at such sale. In addition to, and without in any way limiting the foregoing GE Capital may at its sole discretion:

(a) Upon the occurrence of an Event of Default under Section 4.1(i), all of Debtor's right, title and interest in and to the Lease and the Equipment leased thereunder shall be deemed irrevocably and unconditionally assigned to GE Capital and Debtor shall otherwise cooperate with GE Capital in all reasonable ways to enable GE Capital to collect the rent or other amounts due under the Lease, take possession of the Equipment leased thereunder, or otherwise obtain any remedy available under the Lease or protect GE Capital's investment.

(b) Upon the occurrence of an Event of Default under Section 4.1, Debtor shall, within ten (10) days after GE Capital's written demand to Debtor, immediately prepay to GE Capital the full amount of the then outstanding balance of the Note (the "Pay-Off Balance"). Upon receipt of the Pay-Off Balance, GE Capital agrees to release its security interest in the Collateral. Debtor's obligations under this paragraph shall be absolute and unconditional, and GE Capital shall not be required to first seek or exhaust any other remedies against any Lessee or any Equipment. Should Debtor refuse to pay the Pay-Off Balance to GE Capital within said ten (10) day period, then Debtor shall also be obligated to pay GE Capital all costs, expenses, and reasonable attorney's fees incurred by GE Capital in connection with the enforcement and collection of said Pay-Off Balance.

(c) Notwithstanding all other provisions of this Agreement, in the event a Lease Payment is not paid by Lessee on or before the tenth (10th) day after GE Capital shall have given Debtor written notice of Lessee failure to timely remit lease payments in accordance with the Lease (the "Past Due Date"), Debtor may, not later than the tenth (10th) day following the Past Due Date (the "Debtor Payment Date"), either (i) provided that there exists no other Lessee breach of its obligations under the Lease, cure such rent default by paying to GE Capital, in immediately available funds, such past due Lease Payment ("Cure Payment"); or (ii) deliver to GE Capital a notice informing GE Capital that Debtor has elected not to make such payment. Debtor will be deemed to have elected not to make such payment if no such notice is received by GE Capital on or before Debtor Payment Date. If Debtor elects not to make such payment, GE Capital may immediately proceed to take whatever action it may deem necessary to enforce its rights with respect to the Lease and Equipment under the provisions of this agreement or otherwise. The Cure Payment procedure provided for herein relates solely to a Lessee's failure to timely remit Lease Payments and is not applicable to any other breaches by Lessee of its obligations under the Lease.

4.3 Sale of Collateral. Any sale by GE Capital whether under any power of sale hereby given or by virtue of judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of Debtor in and to the property sold and shall be a perpetual bar, both at law and in equity, against Debtor, its successors and assigns and any and all persons claiming the property sold or any part thereof under, by or through Debtor, its successors or assigns (subject, however, to the then existing rights, if any of Lessee under the Lease and to the rights and interest of Debtor, its successors and assigns, in the proceeds of such sale which are in excess of the amount required to satisfy the provisions of Sections 4.4 (a) and 4.4 (b) hereof).

(Initial)

4.4 Application of Sale Proceeds and Other Recoveries. The proceeds of any sale of the Collateral or any part thereof, and the proceeds and the avails of any remedy hereunder shall be paid and applied as follows:

(a) To the payment of cost and expenses of foreclosure or suit, if any, and of such sale, and the reasonable compensation of the agents, attorneys and the counsel of GE Capital and of all proper expenses, liabilities and advances incurred or made hereunder by GE Capital, or the holder or holders of the Note, and of all taxes, assessments or liens (if any) superior to the lien of these presents, except any taxes, assessments or other superior lien subject to which said sale may have been made;

(b) To the payment to GE Capital or the holder or holders of the Note to the amount then owing or unpaid on the Note for principal and interest and in case any such proceeds shall be insufficient to pay the whole amount so due upon the Note then to the payment of such principal and/or interest then owing on the Note as GE Capital or the holders of such Note shall elect; and

(c) To the payment to Debtor of all sums remaining.

4.5 No Waiver; Remedies Cumulative. No delay or omission of GE Capital, its successors or assigns, or of any holder of the Note, to exercise any right or power arising from any default on the part of Debtor shall exhaust or impair any such right or power or prevent its exercise during the continuance of such default. No waiver by GE Capital or any holder or holders of the Note of any such default, whether such waiver be full or partial, shall extend to or be taken to affect any subsequent default or to impair the rights resulting therefrom, except as may be otherwise provided herein.

PROMISSORY NOTE

\$1,489,093.77

Dated: April 5, 1995

FOR VALUE RECEIVED, Vision Financial Group, Inc., a corporation organized under the laws of the State of Pennsylvania ("Borrower"), hereby promises to pay to the order of GENERAL ELECTRIC CAPITAL CORPORATION, a corporation organized under the laws of the laws of the State of New York ("GE Capital"), the principal sum of One million four hundred eighty-nine thousand ninety-three and 77/100 Dollars (U.S. \$1,489,093.77) (the "Principal Sum") together with interest thereon at the rate of nine and eight tenths percent (9.8%) per annum payable in the manner and at the times hereinafter set forth.

This promissory note is given pursuant to the terms of a loan and security agreement (the "Loan Agreement") dated of even date herewith between the Borrower and GE Capital to which this promissory note is subject in all respects. Capitalized terms used in this promissory note and not otherwise defined shall have the meanings assigned to them in the Loan and Security Agreement dated April 5, 1995 between Borrower and GE Capital (the "Loan Agreement").

This promissory note is given to evidence a loan of the Principal Sum by GE Capital to the Borrower the repayment of which, together with interest thereon, shall be satisfied by GE Capital's receipt of the payments which are required to be made in accordance with the Lease referred to in Schedule A hereto (the "Account Document"). Payment by the party named in the Account Document (the "Account Party") of the installments due thereunder in the manner and at the times required by the Account Document shall constitute payment of the Principal Sum and all interest due hereunder; similarly, any default by the Account Party to make the payments required to be made in the manner and at the times set forth in the Account Document shall constitute default hereunder. All payments received by GE Capital shall be applied first in payment of all outstanding interest (including default interest, if applicable) and the balance of each payment shall thereafter be applied to reduce the outstanding amount of the Principal Sum.

The acceptance by GE Capital of any payment which is less than payment in full of all amounts due and owing at such time shall not constitute a waiver of GE Capital's right to receive payment in full at such time or at any prior or subsequent time. Interest shall be calculated on the basis of a 365 day year.

Time is of the essence hereof. If any installment or any other sum due under this promissory note is not received within ten (10) days after its due date, the Borrower agrees to pay, in addition to the amount of each such installment or other sum, a late payment charge of five percent (5%) of the amount of said installment or other sum, but not exceeding any lawful maximum. In the event that (i) payment of any amount due hereunder is not made within ten (10) days after the same becomes due and payable; or (ii) the provisions of the Loan Agreement so require, then the entire principal sum remaining unpaid, together with all interest thereon and any other sum payable under this promissory note, at the election of GE Capital, shall immediately become due and payable, with interest thereon at the lesser of eighteen percent (18%) per annum or the highest rate not prohibited by applicable law from the date of such accelerated maturity until paid (both before and after any judgment). The payment by the Account Party of late charges and interest on overdue installments, as provided for in the Account Document, shall constitute full satisfaction of the Borrower's obligation for late charges and default interest.

It is the intention of the parties hereto to comply with the applicable usury laws; accordingly, it is agreed that, notwithstanding any provision to the contrary in this promissory note or the Loan Agreement, in no event shall this promissory note or the Loan Agreement require the payment or permit the collection of interest in excess of the maximum amount permitted by applicable law. If any such excess interest is contracted for, charged or received under this promissory note or the Loan Agreement, or in the event that all of the principal balance shall be prepaid, so that under any of such circumstances the

event (a) the provisions of this paragraph shall govern and control, (b) either the Borrower nor any other person or entity now or hereafter liable for the payment hereof shall be obligated to pay the amount of such interest to the extent that it is in excess of the maximum amount of interest permitted by applicable law, (c) any such excess which may have been collected shall be either applied as a credit against the then unpaid principal balance or refunded to the Borrower, at the option of GE Capital, and (d) the effective rate of interest shall be automatically reduced to the maximum lawful contract rate allowed under applicable law as now or hereafter construed by the courts having jurisdiction thereof. It is further agreed that without limitation of the foregoing, all calculations of the rate of interest contracted for, charged or received under this promissory note or the Loan Agreement which are made for the purpose of determining whether such rate exceeds the maximum lawful contract rate, shall be made, to the extent permitted by applicable law, by amortizing, prorating, allocating and spreading in equal parts during the period of the full stated term of the indebtedness evidenced hereby, all interest at any time contracted for, charged or received from the Borrower or otherwise by GE Capital in connection with such indebtedness; provided, however, that if any applicable state law is amended or the law of the United States of America preempts any applicable state law, so that it becomes lawful for GE Capital to receive a greater interest per annum rate than is presently allowed, the Borrower agrees that, on the effective date of such amendment or preemption, as the case may be, the lawful maximum hereunder shall be increased to the maximum interest per annum rate allowed by the amended state law or the law of the United States of America.

The Borrower and all sureties, endorsers, guarantors or any others (each such person, other than the Borrower, an "Obligor") who may at any time become liable for the payment hereof jointly and severally consent hereby to any and all extensions of time, renewals, waivers or modifications of, and all substitutions or releases of, security or of any party primarily or secondarily liable on this promissory note or the Loan Agreement or any term and provision of either, which may be made, granted or consented to by GE Capital, and agree that suit may be brought and maintained against any one or more of them, at the election of GE Capital without joinder of any other as a party thereto. The Borrower and each Obligor hereby waives presentment, demand for payment, notice of nonpayment, protest, notice of protest, notice of dishonor, and all other notices in connection herewith, as well as filing of suit (if permitted by law) and diligence in collecting this promissory note or enforcing any of the security hereof, and agrees to pay (if permitted by law) all expenses incurred in collection, including GE Capital's actual attorneys' fees.

THE BORROWER HEREBY UNCONDITIONALLY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS PROMISSORY NOTE, ANY OF THE RELATED DOCUMENTS, ANY DEALINGS BETWEEN THE BORROWER AND GE CAPITAL RELATING TO THE SUBJECT MATTER OF THIS TRANSACTION OR ANY RELATED TRANSACTIONS, AND/OR THE RELATIONSHIP THAT IS BEING ESTABLISHED BETWEEN THE BORROWER AND GE CAPITAL. The scope of this waiver is intended to be all encompassing of any and all disputes that may be filed in any court (including, without limitation, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims). THIS WAIVER IS IRREVOCABLE MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS PROMISSORY NOTE, ANY RELATED DOCUMENTS, OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THIS TRANSACTION OR ANY RELATED TRANSACTION. In the event of litigation, this promissory note may be filed as a written consent to a trial by the court.

This promissory note, the Loan Agreement and the documents executed in connection therewith constitute the entire agreement of the Borrower and GE Capital with respect to the subject matter hereof and supersedes all prior understandings, agreements and representations, express or implied.

No variation or modification of this promissory note, or any waiver of any of its provisions or conditions, shall be valid unless in writing and signed by an authorized representative of the Borrower and GE Capital. Any such waiver, consent, modification or change shall be effective only in the specific instance and for the specific purpose given.

Assignor shall have no authority to, and will not, without GE Capital's prior written consent, accept collections, repossess or consent to the return of the Equipment, or modify or amend, in any respect, the terms of any of the Agreements. Any failure or delay by GE Capital in enforcing any right hereunder shall not be deemed a waiver of such right or of any subsequent default by Assignor or of GE Capital's right to require strict performance of Assignor's obligations under this Assignment. This Assignment shall be binding upon Assignor and its successors and assigns and shall inure to the benefit to GE Capital and its successors and assigns. The balance of any such proceeds shall be applied to GE Capital to the indebtedness secured hereby, in such order and manner as GE Capital may determine.

Assignor waives any right it may have to assert, by way of counterclaim or affirmative defense in any action to enforce Assignor's obligations hereunder, any claim whatsoever against GE Capital. The foregoing provision shall not bar Assignor from asserting the substance of any such counterclaim in a separate action against GE Capital.

Assignor warrants and represents to and covenants with GE Capital that: this Assignment contains the entire agreement of the parties; all prior agreements, commitments, understandings, representations, warranties and negotiations in connection herewith, if any, are hereby merged into this Assignment; and no oral representations shall in any manner whatsoever modify or explain any of the terms and conditions of this Assignment or any of the Agreements.

5. All costs and expenses incurred by the Mortgagee in disbursing said funds shall be paid for by the Mortgagors and may be deducted by the Mortgagee from the funds to be so advanced for such restoration, replacement or repair.

6. Nothing herein shall be construed to require the Mortgagee to advance any sums for any such restoration, replacement or repair beyond the amount of the Proceeds actually received by the Mortgagee and set aside for such purpose less the amount of the Mortgagee's costs and expenses referred to above.

7. The Mortgagors shall promptly notify the Mortgagee of any damage, destruction or institution of any proceedings for the condemnation or taking, by powers of eminent domain or purchase under threat thereof, of the whole or any part of the Premises.

8. Prior to an Event of Default, the Mortgagors shall adjust any insurable loss and settle any condemnation proceedings, provided the Mortgagors shall have obtained the prior written consent of the Mortgagee thereto which shall not be unreasonably withheld or delayed. Following the occurrence of an Event of Default, the Mortgagee shall have the exclusive right to adjust any insurable loss and settle any condemnation proceedings.

9. Any moneys released to the Mortgagors or paid or applied to the cost of restoration, replacement or repair shall in no event be deemed a payment of the Secured Obligations. The Mortgagee shall be under no obligation to question the amount of the Proceeds and may accept the same in the amount in which the same shall be paid.

10. Anything to the contrary herein contained notwithstanding, any Proceeds paid over to the Mortgagee and not used for repair, replacement or restoration shall be applied to pay any sums then due and owing to the Mortgagee with respect to the Secured Obligations, and, subject to the rights of the holders (including the Mortgagee) of any Permitted Encumbrances, any excess shall be paid over to the Mortgagor.

The Mortgagors will pay, from time to time when the same shall become due, all lawful claims and demands of mechanics, materialmen, laborers, and others, which, if unpaid, might result in, or permit the creation of, a lien on the Premises or any part thereof, or on the revenues, rents, issues, income and profits arising therefrom, and will do or cause to be done everything necessary so that the lien hereof shall be fully preserved, at the cost of the Mortgagors and without expense to the Mortgagee. If the Mortgagors shall in good faith, and by proper legal action, contest any taxes, assessments, fines, impositions, claims, liens, encumbrances or other charges, or the validity thereof, and provided no Event of Default is then existing and continuing, then the Mortgagors shall not be required to pay the same or to produce such receipts as long as such contest operates to prevent collections, and is maintained and prosecuted with diligence and shall not have been terminated or discontinued adversely to the Mortgagor. In addition to the foregoing, the Mortgagors will pay when due and will not suffer to remain outstanding, any charges for utilities, whether public or private, with respect to the Premises.

The Mortgagors agrees to and does hereby indemnify the Mortgagee, its officers, directors, employees, agents, affiliates and assigns and the Mortgagors shall hold the Mortgagee, its officers, directors, employees, agents, affiliates and assigns harmless from and against any and all losses, claims, damages or liabilities (including all costs, expenses and reasonable counsel fees incurred in investigating or defending such claim) suffered by the Mortgagee, its directors, officers, employees, affiliates and agents and caused by, relating to, arising out of, resulting from or in any way connected with any of the items enumerated in the immediately preceding sentence, except to the extent resulting from the gross negligence or willful misconduct of the Mortgagee or its agents.

In case one or more Events of Default shall have occurred, the Mortgagee shall have the following rights and remedies:

A. The Mortgagee may declare all amounts outstanding (with accrued interest thereon) and all other amounts owing to it under the Secured Obligations to be immediately due and payable, whereupon the same shall become due and payable forthwith without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Mortgagor.

B. To take any action at law or in equity to collect the payments due under the Secured Obligations secured hereby or to enforce the performance and observance of the obligations, agreements and covenants of the Mortgagors contained in this Mortgage and the other Loan Documents.

C. Enter into possession of the Premises and employ watchmen to protect the Premises from injury.

D. To institute an action of mortgage foreclosure, or take other action as the law may allow, at law or in equity, for the enforcement of this Mortgage, and proceed therein to final judgment and execution for the entire unpaid balance of the Secured Obligations, including costs of suit, interest and reasonable attorneys' fees. In case of any sale of the Premises by virtue of judicial proceedings, the Premises may be sold in one parcel and as an entirety or in such parcels, manner or order as the Mortgagee in its sole discretion may elect. The failure to make any tenants parties defendant to a foreclosure proceeding and to foreclose their rights will not be asserted by the Mortgagors as a defense in any proceeding instituted by the Mortgagee to collect the Secured Obligations secured hereby or any deficiency remaining unpaid after the foreclosure sale of the Premises. Notwithstanding anything herein to the contrary, the Mortgagors shall continue to be responsible for the payment of taxes, insurance and all other amounts payable with respect to the Premises until title to the Premises shall be conveyed at a sheriff's sale or other similar proceeding.

E. If the Event of Default relates to the payment of any tax, assessment, water or sewer rent or governmental charge, or the payment of a premium for insurance, or the obligation to keep the Premises in satisfactory repair and condition, or to otherwise preserve the security of this Mortgage, then the Mortgagee, in addition to or in lieu of exercising any other rights which it may have hereunder or under any other document executed in connection with any Secured Obligations secured hereby, may pay the tax, assessment, water or sewer rent, governmental charge, insurance premium, or the cost of placing the Premises in satisfactory repair and condition, or the cost of otherwise preserving the security of this Mortgage, and the amount so paid shall be added to the moneys owing on the Secured Obligations and shall be secured hereby and shall be due and payable on demand with interest equal to the prevailing interest rate under the Secured Obligations plus four percent (4%).

F. Upon the occurrence of any Event of Default, the Mortgagee is hereby empowered and appointed attorney-in-fact of the Mortgagors to enter upon and take possession of the Premises and rent the same, either in its name or in the name of the owner of such property, and to demand, collect and receive from the tenants, lessees or other occupants then in possession of the Premises or any part thereof, the rents, issues and profits as they become due as well as all past due rents, income or profits which have not been collected by the Mortgagors, to endorse the name of the Mortgagors or any subsequent owner of the Premises on any checks, notes or other instruments for the payment of money, to give any and all acquaintances or any other instrument in relation thereto in the name of the Mortgagors, and to institute, prosecute, settle or compromise any summary or legal proceedings in the name of the Mortgagors or in the name of the Mortgagee for the recovery of such rents, income or profits, or for the abatement of any nuisance thereon, and to defend, at the Mortgagee's option and sole discretion, any legal proceedings brought against the Mortgagors arising out of the operation of the Premises. All rents, issues and profits collected or received by the Mortgagors after an Event of Default shall be accepted and held for the Mortgagee in trust and shall not be commingled with the funds and property of the Mortgagors, but shall be promptly paid over to the Mortgagee; and the Mortgagors agrees to pay the Mortgagee, if demanded by it, a reasonable rental for the portion of the Premises occupied by the Mortgagors, monthly in advance as a tenant from month to month, and in default of any such payment the Mortgagors may be dispossessed by summary proceedings, such tenancy to expire upon delivery of deed in foreclosure; and the Mortgagee shall apply the rents, issues and profits, after the payment of the necessary charges and expenses, including management fees and commissions, on account of the Secured Obligations hereby secured, being accountable only for rents, issues and profits as are collected by it while in possession.

G. Upon the filing of a complaint to collect the amount due on any Secured Obligation, the Mortgagee shall be entitled to the appointment of a receiver of the rents, issues and profits of the Premises without the necessity of proving either inadequacy of the security or insolvency of the Mortgagors or any person who may be legally or equitably liable to pay moneys secured hereby, and the Mortgagors and each such person waive such proof and consent to the appointment of a receiver.

H. To exercise any and all rights and remedies conferred upon secured parties by the Uniform Commercial Code and other applicable laws.

In addition to the above remedies, if the Mortgagors commits a breach or threatens to commit a breach of this Mortgage, the Mortgagee shall have the right and remedy, without posting bond or other security, to have the provisions of this Mortgage specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach will cause immediate and irreparable injury to the Mortgagee and that the Mortgagee's rights in and to the Premises will not provide an adequate remedy therefor.

All proceeds received from the sale or other disposition of the whole or any part of the Premises shall be applied as follows: (i) first, to the payment of all fees, costs and expenses incurred by the Mortgagee in connection with such sale or disposition; (ii) second, to the payment in full of the Secured Obligations; and (iii) third, the balance, if any, of such proceeds remaining after payment in full of the foregoing, to the Mortgagors or as a court of competent jurisdiction may otherwise direct.

Without limiting the foregoing, in exercising its remedies upon the occurrence of an Event of Default, the Mortgagee (i) shall not be responsible nor liable for any shortage, discrepancy, damage, loss or destruction of any part of the Premises regardless of the cause thereof unless the same shall happen through its gross negligence or willful misconduct; (ii) shall be entitled to the appointment (without notice and without proof of diminution in value of the Premises) of a receiver to take possession of all or any portion of the Premises and to exercise such powers as the court shall confer upon the receiver; and (iii) generally may perform all acts necessary or proper to carry out the intention of this Mortgage, as fully and completely as though the Mortgagee were the absolute owner of the Premises for all purposes, and the Mortgagors hereby ratifies and confirms all that the Mortgagee shall do by virtue of this grant of power.

The rights and remedies of the Mortgagee hereunder shall be in addition to every other right and remedy now and hereafter provided by law; the rights and remedies of the Mortgagee shall be cumulative and not exclusive one of the other; the Mortgagee may exercise the same at such times, in such order, to such extent, and as often as Mortgagee deems advisable, and without regard to whether the exercise of one precedes, concurs with, or succeeds the exercise of another; no delay or omission by the Mortgagee in exercising a right or remedy shall exhaust or impair the same, or constitute a waiver of, or acquiescence in, the Event of Default; and no waiver of an Event of Default by the Mortgagee shall extend to or affect any other Event of Default or impair any right or remedy with respect thereto.

C. If any representation or warranty made by the Mortgagors in this Mortgage or in any other Loan Document shall prove to have been false, incorrect or misleading in any material respect on the date as of which made.

D. If the Premises shall be sold, transferred, assigned or otherwise conveyed, including without limitation, the entering into by the Mortgagors of a long-term lease of the Premises, or if title to the Premises or any part thereof shall be transferred or conveyed to any person, firm, corporation, trust, association or other entity, including without limitation, the passing of title to, or possession of the Premises by, a receiver, trustee or assignee for the benefit of creditors.

E. If any default shall occur under the terms of any of the Permitted Encumbrances.

F. If a default or event of default occurs under a mortgage that is prior or subordinate to the lien of this Mortgage, including without limitation, if any mortgagee claims a right to possession or commences a foreclosure action.

G. (i) The Mortgagors shall commence any case, proceeding or other action (A) under any existing or future law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, winding-up, liquidation, dissolution, composition or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian or other similar official for all or any substantial part of its assets, or (ii) the Mortgagors shall make a general assignment for the benefit of creditors; or (iii) the Mortgagors shall commence, or there shall be commenced against the Mortgagors, any case, proceeding or other action of a nature referred to in clause (i) above which (A) results in the entry of an order for relief of any such adjudication or appointment or (B) remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iv) there shall be commenced against the Mortgagors any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distress or similar process against all or any substantial part of its assets, which results in the entry of an order for any such relief which shall not have been vacated, discharged, or stayed or bonded pending appeal within sixty (60) days from the entry thereof; or (v) the Mortgagors shall take any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clauses (i), (ii), (iii) or (iv) above; or (v) the Mortgagors shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due.

H. The Mortgagors shall (i) default in any payment with respect to any indebtedness for money borrowed, whether from the Mortgagee or any other lender, beyond the period of grace, if any, provided in the instrument or agreement under which such indebtedness was created; or (ii) default in the observance or performance of any other agreement or condition relating to any such indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur, the effect of which default or other event is to cause, or to permit the holder of such indebtedness (or a trustee or agent on behalf of such holder) to cause, with the giving of notice if required, such indebtedness to become due prior to its stated maturity. In addition, the Mortgagors acknowledges and agrees that any Event of Default hereunder or under any other Loan Document shall be an event of default under and with respect to all other indebtedness, whether actual or contingent, of the Mortgagors to the Mortgagee.

I. A final judgment shall be entered against the Mortgagors by any court for the payment of money which, together with all other outstanding judgments against the Mortgagors, exceeds fifty thousand dollars (\$50,000) in the aggregate, which judgment is not fully covered by insurance, or a warrant of attachment or execution or similar process shall

be issued or levied against property of the Mortgagors which, together with such other property subject to such process, exceeds in value fifty thousand dollars (\$50,000) in the aggregate and, if within sixty (60) days (ten (10) days if such aggregate amount exceeds one hundred thousand dollars (\$100,000)) after the entry, issue or levy thereof, such judgment, warrant or process shall not have been discharged or stayed pending appeal, or, if within sixty (60) days (ten (10) days if such aggregate amount exceeds one hundred thousand dollars (\$100,000)) after the expiration of any such stay, such judgment, warrant or process shall not have been discharged.

J. The Mortgagors shall enter into any junior financing of the Premises without the prior written consent of the Mortgagee.

V. REMEDIES.

In case one or more Events of Default shall have occurred, the Mortgagee shall have the following rights and remedies:

A. The Mortgagee may declare all amounts outstanding (with accrued interest thereon) and all other amounts owing to it under the Secured Obligations to be immediately due and payable, whereupon the same shall become due and payable forthwith without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Mortgagor.

B. To take any action at law or in equity to collect the payments due under the Secured Obligations secured hereby or to enforce the performance and observance of the obligations, agreements and covenants of the Mortgagors contained in this Mortgage and the other Loan Documents.

C. Enter into possession of the Premises and employ watchmen to protect the Premises from injury.

D. To institute an action of mortgage foreclosure, or take other action as the law may allow, at law or in equity, for the enforcement of this Mortgage, and proceed therein to final judgment and execution for the entire unpaid balance of the Secured Obligations, including costs of suit, interest and reasonable attorneys' fees. In case of any sale of the Premises by virtue of judicial proceedings, the Premises may be sold in one parcel and as an entirety or in such parcels, manner or order as the Mortgagee in its sole discretion may elect. The failure to make any tenants parties defendant to a foreclosure proceeding and to foreclose their rights will not be asserted by the Mortgagors as a defense in any proceeding instituted by the Mortgagee to collect the Secured Obligations secured hereby or any deficiency remaining unpaid after the foreclosure sale of the Premises. Notwithstanding anything herein to the contrary, the Mortgagors shall continue to be responsible for the payment of taxes, insurance and all other amounts payable with respect to the Premises until title to the Premises shall be conveyed at a sheriff's sale or other similar proceeding.

E. If the Event of Default relates to the payment of any tax, assessment, water or sewer rent or governmental charge, or the payment of a premium for insurance, or the obligation to keep the Premises in satisfactory repair and condition, or to otherwise preserve the security of this Mortgage, then the Mortgagee, in addition to or in lieu of exercising any other rights which it may have hereunder or under any other document executed in connection with any Secured Obligations secured hereby, may pay the tax, assessment, water or sewer rent, governmental charge, insurance premium, or the cost of placing the Premises in satisfactory repair and condition, or the cost of otherwise preserving the security of this Mortgage, and the amount so paid shall be added to the moneys owing on the Secured Obligations and shall be secured hereby and shall be due and payable on demand with interest equal to the prevailing interest rate under the Secured Obligations plus four percent (4%).

F. Upon the occurrence of any Event of Default, the Mortgagee is hereby empowered and appointed attorney-in-fact of the Mortgagors to enter upon and take possession of the Premises and rent the same, either in its name or in the name of the owner of such property, and to demand, collect and receive from the tenants, lessees or other occupants then in possession of the Premises or any part thereof, the rents, issues and profits as they become due as well as all past due rents, income or profits which have not been collected by the Mortgagors, to endorse the name of the Mortgagors or any subsequent owner of the Premises on any checks, notes or other instruments for the payment of money, to give any and all acquaintances or any other instrument in relation thereto in the name of the Mortgagors, and to institute, prosecute, settle or compromise any summary or legal proceedings in the name of the Mortgagors or in the name of the Mortgagee for the recovery of such rents, income or profits, or for the abatement of any nuisance thereon, and to defend, at the Mortgagee's option and sole discretion, any legal proceedings brought against the Mortgagors arising out of the operation of the Premises. All rents, issues and profits collected or received by the Mortgagors after an Event of Default shall be accepted and held for the Mortgagee in trust and shall not be commingled with the funds and property of the Mortgagors, but shall be promptly paid over to the Mortgagee; and the Mortgagors agrees to pay the Mortgagee, if demanded by it, a reasonable rental for the portion of the Premises occupied by the Mortgagors, monthly in advance as a tenant from month to month, and in default of any such payment the Mortgagors may be dispossessed by summary proceedings, such tenancy to expire upon delivery of deed in foreclosure; and the Mortgagee shall apply the rents, issues and profits, after the payment of the necessary charges and expenses, including management fees and commissions, on account of the Secured Obligations hereby secured, being accountable only for rents, issues and profits as are collected by it while in possession.

G. Upon the filing of a complaint to collect the amount due on any Secured Obligation, the Mortgagee shall be entitled to the appointment of a receiver of the rents, issues and profits of the Premises without the necessity of proving either inadequacy of the security or insolvency of the Mortgagors or any person who may be legally or equitably liable to pay moneys secured hereby, and the Mortgagors and each such person waive such proof and consent to the appointment of a receiver.

H. To exercise any and all rights and remedies conferred upon secured parties by the Uniform Commercial Code and other applicable laws.

In addition to the above remedies, if the Mortgagors commits a breach or threatens to commit a breach of this Mortgage, the Mortgagee shall have the right and remedy, without posting bond or other security, to have the provisions of this Mortgage specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach will cause immediate and irreparable injury to the Mortgagee and that the Mortgagee's rights in and to the Premises will not provide an adequate remedy therefor.

All proceeds received from the sale or other disposition of the whole or any part of the Premises shall be applied as follows: (i) first, to the payment of all fees, costs and expenses incurred by the Mortgagee in connection with such sale or disposition; (ii) second, to the payment in full of the Secured Obligations; and (iii) third, the balance, if any, of such proceeds remaining after payment in full of the foregoing, to the Mortgagors or as a court of competent jurisdiction may otherwise direct.

Without limiting the foregoing, in exercising its remedies upon the occurrence of an Event of Default, the Mortgagee (i) shall not be responsible nor liable for any shortage, discrepancy, damage, loss or destruction of any part of the Premises regardless of the cause thereof unless the same shall happen through its gross negligence or willful misconduct; (ii) shall be entitled to the appointment (without notice and without proof of diminution in value of the Premises) of a receiver to take possession of all or any portion of the Premises and to exercise such powers as the court shall confer upon the receiver; and (iii) generally may perform all acts necessary or proper to carry out the intention of this Mortgage, as fully and completely as though the Mortgagee were the absolute owner of the Premises for all purposes, and the Mortgagors hereby ratifies and confirms all that the Mortgagee shall do by virtue of this grant of power.

The rights and remedies of the Mortgagee hereunder shall be in addition to every other right and remedy now and hereafter provided by law; the rights and remedies of the Mortgagee shall be cumulative and not exclusive one of the other; the Mortgagee may exercise the same at such times, in such order, to such extent, and as often as Mortgagee deems advisable, and without regard to whether the exercise of one precedes, concurs with, or succeeds the exercise of another; no delay or omission by the Mortgagee in exercising a right or remedy shall exhaust or impair the same, or constitute a waiver of, or acquiescence in, the Event of Default; and no waiver of an Event of Default by the Mortgagee shall extend to or affect any other Event of Default or impair any right or remedy with respect thereto.

CORPORATE GUARANTY

Date: April 5, 1996

General Electric Capital Corporation
44 Old Ridgebury Road
Danbury, CT 06810

To induce you to enter into, purchase or otherwise acquire, now or at any time hereafter, any promissory notes, security agreements, chattel mortgages, pledge agreements, conditional sale contracts, lease agreements, and/or any other documents or instruments evidencing, or relating to, any lease, loan, extension of credit or other financial accommodation (collectively "Account Documents" and each an "Account Document") to **Ed Hanslovan Coal Co., Inc.**, a corporation organized and existing under the laws of the State of Pennsylvania ("Customer"), but without in any way binding you to do so, the undersigned, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby guarantee to you, your successors and assigns, the due regular and punctual payment of any sum or sums of money which the Customer may owe to you now or at any time hereafter, whether evidenced by an Account Document, on open account or otherwise, and whether it represents principal, interest, rent, late charges, indemnities, an original balance, an accelerated balance, liquidated damages, a balance reduced by partial payment, a deficiency after sale or other disposition of any leased equipment, collateral or security, or any other type of sum of any kind whatsoever that the Customer may owe to you now or at any time hereafter, and does hereby further guarantee to you, your successors and assigns, the due, regular and punctual performance of any other duty or obligation of any kind or character whatsoever that the Customer may owe to you now or at any time hereafter (all such payment and performance obligations being collectively referred to as "Obligations"). Undersigned does hereby further guarantee to pay upon demand all losses, costs, attorneys' fees and expenses which may be suffered by you by reason of Customer's default or default of the undersigned.

This Guaranty is a guaranty of prompt payment and performance (and not merely a guaranty of collection). Nothing herein shall require you to first seek or exhaust any remedy against the Customer, its successors and assigns, or any other person obligated with respect to the Obligations, or to first foreclose, exhaust or otherwise proceed against any leased equipment, collateral or security which may be given in connection with the Obligations. It is agreed that you may, upon any breach or default of the Customer, or at any time thereafter, make demand upon the undersigned and receive payment and performance of the Obligations, with or without notice or demand for payment or performance by the Customer, its successors or assigns, or any other person. Suit may be brought and maintained against the undersigned, at your election, without joinder of the Customer or any other person as parties thereto. The obligations of each signatory to this Guaranty shall be joint and several.

The undersigned agrees that its obligations under this Guaranty shall be primary, absolute, continuing and unconditional, irrespective of and unattected by any of the following actions or circumstances (regardless of any notice to or consent of the undersigned): (a) the genuineness, validity, regularity and enforceability of the Account Documents or any other document; (b) any extension, renewal, amendment, change, waiver or other modification of the Account Documents or any other document; (c) the absence of, or delay in, any action to enforce the Account Documents, this Guaranty or any other document; (d) your failure or delay in obtaining any other guarantor of the Obligations (including, without limitation, your failure to obtain the signature of any other guarantor hereunder); (e) the release of, extension of time for payment or performance by, or any other indulgence granted to the Customer or any other person with respect to the Obligations by operation of law or otherwise; (f) the existence, value, condition, loss, subordination or release (with or without substitution) of, or failure to have title to or perfect and maintain a security interest in, or the time, place and manner of any sale or other disposition of any leased equipment, collateral or security given in connection with the Obligations, or any other impairment (whether intentional or negligent, by operation of law or otherwise) of the rights of the undersigned; (g) the Customer's voluntary or involuntary bankruptcy, assignment for the benefit of creditors, reorganization, or similar proceedings

7/24/ (Initial)

affecting the Customer or any of its assets; or (h) any other action or circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor.

This Guaranty may be terminated upon delivery to you (at your address shown above) of a written termination notice from the undersigned. However, as to all Obligations (whether matured, unmatured, absolute, contingent or otherwise) incurred by the Customer prior to your receipt of such written termination notice (and regardless of any subsequent amendment, extension or other modification which may be made with respect to such Obligations), this Guaranty shall nevertheless continue and remain undischarged until all such Obligations are indefeasibly paid and performed in full.

The undersigned agrees that this Guaranty shall remain in full force and effect or be reinstated (as the case may be) if at any time payment or performance of any of the Obligations (or any part thereof) is rescinded, reduced or must otherwise be restored or returned by you, all as though such payment or performance had not been made. If, by reason of any bankruptcy, insolvency or similar laws affecting the rights of creditors, you shall be prohibited from exercising any of your rights or remedies against the Customer or any other person or against any property, then, as between you and the undersigned, such prohibition shall be of no force and effect, and you shall have the right to make demand upon, and receive payment from, the undersigned of all amounts and other sums that would be due to you upon a default with respect to the Obligations.

Notice of acceptance of this Guaranty and of any default by the Customer or any other person is hereby waived. Presentment, protest demand, and notice of protest, demand and dishonor of any of the Obligations, and the exercise of possessory, collection or other remedies for the Obligations, are hereby waived. The undersigned warrants that it has adequate means to obtain from the Customer on a continuing basis financial data and other information regarding the Customer and is not relying upon you to provide any such data or other information. Without limiting the foregoing, notice of adverse change in the Customer's financial condition or of any other fact which might materially increase the risk of the undersigned is also waived. All settlements, compromises, accounts stated and agreed balances made in good faith between the Customer, its successors or assigns, and you shall be binding upon and shall not affect the liability of the undersigned.

Payment of all amounts now or hereafter owed to the undersigned by the Customer or any other obligor for any of the Obligations is hereby subordinated in right of payment to the indefeasible payment in full to you of all Obligations and is hereby assigned to you as a security therefor. The undersigned hereby irrevocably and unconditionally waives and relinquishes all statutory, contractual, common law, equitable and all other claims against the Customer, any other obligor for any of the Obligations, any collateral therefor, or any other assets of the Customer or any such other obligor, for subrogation, reimbursement, exoneration, contribution, indemnification, setoff or other recourse in respect of sums paid or payable to you by the undersigned hereunder, and the undersigned hereby further irrevocably and unconditionally waives and relinquishes any and all other benefits which it might otherwise directly or indirectly receive or be entitled to receive by reason of any amounts paid by, or collected or due from, it, the Customer or any other obligor for any of the Obligations, or realized from any of their respective assets.

THE UNDERSIGNED HEREBY UNCONDITIONALLY WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF, DIRECTLY OR INDIRECTLY, THIS GUARANTY, THE OBLIGATIONS GUARANTEED HEREBY, ANY OF THE RELATED DOCUMENTS, ANY DEALINGS BETWEEN US RELATING TO THE SUBJECT MATTER HEREOF OR THEREOF, AND/OR THE RELATIONSHIP THAT IS BEING ESTABLISHED BETWEEN US. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT (INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS). THIS WAIVER IS IRREVOCABLE MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS GUARANTY, THE OBLIGATIONS GUARANTEED HEREBY, OR ANY RELATED DOCUMENTS. IN THE EVENT OF LITIGATION, THIS GUARANTY MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

As used in this Guaranty, the word "person" shall include any individual, corporation, partnership, joint venture, association, joint-stock company, trust, unincorporated organization, or any government or any political subdivision therof.

This Guaranty is intended by the parties as a final expression of the guaranty of the undersigned and is also intended as a complete and exclusive statement of the terms thereof. No course of dealing, course of

performance or trade usage, nor any paid evidence of any kind, shall be used to supplement or modify any of the terms hereof. Nor are there any conditions to the full effectiveness of this Guaranty. This Guaranty and each of its provisions may only be waived, modified, varied, released, terminated or surrendered, in whole or in part, by a duly authorized written instrument signed by you. No failure by you to exercise your rights hereunder shall give rise to any estoppel against you, or excuse the undersigned from performing hereunder. Your waiver of any right to demand performance hereunder shall not be a waiver of any subsequent or other right to demand performance hereunder.

This Guaranty shall bind the undersigned's successors and assigns and the benefits thereof shall extend to and include your successors and assigns. In the event of default hereunder, you may at any time inspect undersigned's records, or at your option, undersigned shall furnish you with a current independent audit report.

If any provisions of this Guaranty are in conflict with any applicable statute, rule or law, then such provisions shall be deemed null and void to the extent that they may conflict therewith, but without invalidating any other provisions hereof.

Each signatory on behalf of a corporate guarantor warrants that he had authority to sign on behalf of such corporation and by so signing, to bind said guarantor corporation hereunder.

IN WITNESS WHEREOF, this Guaranty is executed the day and year above written.

Re: Ed Hanslovan Coal Co., Inc.
Corporate Guaranty dated 4/5/96

Dear Ms. Hanslovan:

This office has been retained to represent General Electric Capital Corporation ("GE Capital") with respect to Hanslovan Trucking Company, Inc.'s ("Hanslovan Trucking") Guaranty dated April 5, 1996 (the "Guaranty"), guaranteeing the obligations owing to GE Capital, by Ed Hanslovan Coal Co., Inc. ("Ed Hanslovan").

Ed Hanslovan has defaulted under Modification Agreement, GE Account No. 6048055-003 and Modification Agreement, GE Account No. 6048055-004 dated August 2002, (the "Obligations"), having failed, among other things, to make required payments thereunder. As a result of the default, and in accordance with the terms of the Obligations, GE Capital has accelerated the obligations under the Obligations and declared the entire balance to be immediately due and payable plus accruing interest, costs, expenses, attorney's fees, and all other amounts owing to GE Capital, under the Obligations.

Demand is hereby made that by no later than Thursday, July 10, 2003, Hanslovan Trucking contact me to confirm delivery to this office, to the attention of the undersigned, a check for the total accelerated amount due under the Obligations pursuant to Hanslovan Trucking's obligations under the Guaranty. The check should be made payable to "General Electric Capital Corporation." Please contact the undersigned to obtain the exact amount of the indebtedness, as of the date of payment.

In the event payment in full is not received by July 10, 2003, GE Capital will exercise any and all rights and remedies under the Obligations, the Guaranty, related documents and/or applicable law, including, but not limited to, the commencement of an action against Hanslovan Trucking, to among other things, recover all amounts due under the Obligations and Guaranty.

PLAINTIFF'S MOTION TO CONTINUE STATUS CONFERENCE

NOW COMES Plaintiff, General Electric Capital Corporation, ("Plaintiff"), by and through its undersigned counsel, and respectfully moves to continue the status conference in the above-captioned matter, which is currently scheduled for Monday, April 1, 2013, and in support thereof, states as follows:

1. Plaintiff filed a Complaint against Defendant Hanslovan Trucking Company, Inc. ("Defendant") in the instant matter on or about November 18, 2003.
2. Defendant never answered or otherwise responded to the Complaint, nor did any counsel enter an appearance on Defendant's behalf.
3. Plaintiff's counsel of record, Joseph Rodkey of Reed Smith LLP, filed a Statement of Intention to Proceed on or about December 24, 2007. The parties have not taken any subsequent action in this case.
4. On March 1, 2013, this Court scheduled a status conference to take place on April 1, 2013.

5. Both Mr. Rodkey and the attorneys assisting him on this matter left Reed Smith LLP several years ago.

6. Moreover, it appears that the employee of Plaintiff who functioned as the decision-maker as to this case has left Plaintiff's employment. Plaintiff's counsel has diligently searched for the employee of Plaintiff with authority to make decisions related to this matter, but because Plaintiff is a large corporation with many employees, Plaintiff's counsel has been unsuccessful as of the date of this filing.

7. Finally, Plaintiff has been unable to serve Defendant with the order scheduling the status conference pursuant to the instructions accompanying the order, as the only address that Plaintiff had for Defendant (the same address at which the Complaint was originally served in 2003) is apparently no longer valid.

8. The trial court retains broad discretion to grant continuances for various reasons. *See Pa R. Civ. P. 216.*

9. No party will be prejudiced by the granting of this continuance.

WHEREFORE, Plaintiff respectfully requests that this Court continue the status conference scheduled for April 1, 2013, to May 8, 2013, or as soon thereafter as suits the convenience of the Court.

DATED this the 27th day of March, 2013.
