**MOTION FOR SUMMARY JUDGMENT**

AND NOW comes the Defendants, BOROUGH OF CLEARFIELD and HAROLD M. TITUS, by and through their attorney, Edmond R. Joyal, Jr., Esquire and the Law Office of Joseph S. Weimer, and hereby files the following Motion For Summary Judgment as follows:

1. This action involves an automobile accident which occurred on or about July 27, 2003.
2. In the Complaint, Plaintiff alleges that she sustained injuries and damages as a result of the accident in question.
3. On or about November 15, 2005, Defendants served Request for Admissions on Plaintiff through counsel for Plaintiff. (Attached hereto as Exhibit A).
4. More than thirty (30) days have elapsed since the service of the Request for Admissions.
5. No response to the Request for Admissions has been made within the thirty day period as set forth in Pa. R. C. P. 4014.
6. Because of Plaintiff's failure to respond within thirty days the matters contained therein are admitted, Rule 4014 (b).

7. Request number 14 states: "On July 27, 2004, Plaintiff, Theresa Ogden, made a left turn onto the Rt. 879 bypass from Northbound Park Avenue/Rt. 153 into the path of the Defendant, Officer Titus, who was lawfully operating his vehicle southbound on Park Avenue/Rt. 153."

8. Request number 14 states: "The collision on July 23, 2003, was caused by the actions of Theresa Ogden in turning in front of Officer Titus' vehicle."

9. Request number 15 states: "There was no obstruction to Theresa Ogden's view of the road on July 23, 2003, at the time of the accident."

10. Although there is a typographical error at Requests 14 and 15, it is clear that the accident occurred on July 27, 2004, as set forth in Plaintiffs' Complaint.

11. Plaintiff's failure to respond to these Requests within the time period set forth in Rule 4014 (b), operates as an admission of the facts contained therein.

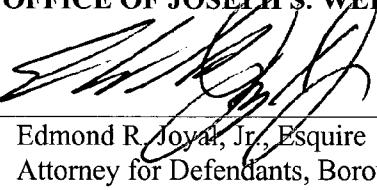

12. Plaintiff's admission that she made a turn into the path of Defendant's vehicle and that her actions caused the accident create no issues of material fact.

13. The typographical error in Request 14 should be held as harmless since Plaintiff and her counsel were well aware of the correct date of the accident and did not respond either by answer, objection or request of Court to extend time.

14. These Defendants are entitled to Summary Judgment as a matter of law.

WHEREFORE, the Defendants request this Honorable Court to grant their Motion For Summary Judgment, according to the form of the attached proposed Order of Court.
