This instrument executed the 2nd day of August, 2004, by _____

CONTINENTAL CONSTRUCTION, INC., (the "Contractor"), for the benefit of
SANDY TOWNSHIP SUPERVISORS, municipal entities organized and existing under the laws of the
Commonwealth of Pennsylvania ("Owner").

W I T N E S S E T H

A. Owner intends to enter into an agreement (the "Agreement") with the Contractor which provides for the Contractor to perform tasks related to the West Sandy Waterline, Sanitary Sewer and Storm Sewer Replacement ("System") on tracts of ground located in Sandy Township, Clearfield County, Pennsylvania. The improvements to be constructed are herein called "Improvements" designated as Contract No. 2004-1 on parcels of ground in said locations, owned by Sandy Township Supervisors, or by public or private landowners from which the Owner has obtained legal temporary construction and permanent easements.

B. By the terms of the Agreement, Contractor will covenant, promise, and agree that no mechanics' or materialmen's liens will be filed or maintained against the Improvements or the estate or title of Owner in the System or any part thereof, or the appurtenances thereto, either by itself or anyone else for or on account of any work, labor or materials supplied in the performance of the Agreement, or under any supplemental contract or for extra work, or in the erection, construction or completion of the Improvements on the System or any appurtenance thereto.

NOW, THEREFORE, in consideration of the contract and intending to be legally bound hereby:

(5) FILING WITH PROTHONOTARY. This instrument is made and intended to be filed with the Prothonotary in accordance with the requirements of Section 1402 of the Mechanics Lien Law of 1963 of the Commonwealth of Pennsylvania.
