## ARGUMENT

To sustain driver's license suspension for failure to submit to chemical testing Department of Transportation need only prove that driver: (1) was arrested for driving under the influence; (2) was requested to submit to chemical testing; (3) was informed that refusal to undergo testing would result in ~~the~~ suspension of operating privileges; and (4) refused to submit to test; thereafter, burden shifts to driver to prove incapacity to make knowing and conscious refusal to take test. *Keenan v. Commonwealth Department of Transportation, Bureau of Driver Licensing*, 657 A.2d. 134 (1995)

In the case at bar, the appellant submit to a chemical test and is awaiting the result. The Department of Motor Vehicle made a error in suspending the appellant license without having the results from the test. Section 1550 of title 75 Pa. C.S.A., provide that any person whose license is suspended shall have the right to appeal, and the court shall set the matter for a hearing, entitled license whose driver's license was taken away, to a de novo hearing on the merits of the suspension. *Liebler v. Commonwealth, Department of Transportation Bureau of Traffic Safety*, 476 A.2d. 1389 (1984). The appellant never received a hearing and is requesting to have a hearing and evidentiary hearing for the appeal.

This section giving a person whose license is suspend a right to appeal, and a right to a hearing, is mandatory. *Liebler (supra.)* On this appeal in driver's license suspension case, all conflicts in evidence must be resolved in prevailing party ■ submitting proof of tangible evidence. *Stump v. Commonwealth Department of Transportation Bureau of Driver Licensing*, 664 A.2d. 1102 (1995)

## CONCLUSION

For the foregoing reasons, the defendant counsel respectfully requests that this Honorable Court grant the defendant/Appellant motion or the provide the Appellant a "probationary License" and hold a hearing on the matter at bar.

Respectfully Submitted,

VIOLATIONS SPECIFIED: It is alleged that Probationer violated condition #13 of his Probation Order by failing to refrain from the use of alcoholic beverages.

SUPPORTING EVIDENCE: At 12:30 a.m., on 9-21-04, DuBois City Police received a call from a person whom earlier was in a minor traffic accident with Probationer. During the exchange of vehicle information the caller believed that Probationer had been consuming alcohol. A description of the vehicle was obtained and was later spotted by Officer Dilullo in the Sheetz parking lot located on Brady St. in DuBois.

When the Officer approached the vehicle he found that Probationer was located behind the wheel and in the process of attempting to sell a television and stereo equipment. During the questioning of Probationer the Officer found him to be in an intoxicated state.

Officer Dilullo contacted on-call Officer Gillespie, apprised him of the situation and informed him he would be filing charges of D.U.I. (M1). Officer Gillespie had him detained by the Officer and he was transported to the Clearfield County Jail where he was placed on a Permanent Order to Detain. As the date of this report charges are pending as DuBois Police await B.A.C. results

When this Officer spoke with Probationer he admitted to consuming Alcohol on the night in question.

**PROVIDING PROOF OF INSURANCE**

Within the last 30 days of your suspension/revocation, we will send you a letter asking that you provide proof of insurance at that time. This letter will list acceptable documents and what will be needed if you do not own a vehicle registered in Pennsylvania.
