if available.

You are also advised that the above response is based on comparison of fingerprints and associated requester-furnished information against a name index and fingerprints contained in the files of the Pennsylvania State Police Central Repository - only - and does not preclude the existence of other criminal records which may be obtained in the repositories of other local, state, or federal criminal justice agencies.

If we may be of any further assistance to you concerning this matter, please contact us at the above address or telephone number.

Sincerely,

Director, Criminal Records
and Identification Division
