AGREEMENT TERMS. The word "Account" means your Discover Card Account. The word "Card" means any one or more Discover Cards issued to you or someone else with your authorization. The words "you", "your", or "yours" refer to, in addition to you, the Cardmember, any other person or persons who are also contractually liable under this Agreement. The words "we", "us" and "our" refer to Discover Bank, the issuer of your Discover Card. The words "Authorized User" mean any person whom you authorize to use your Account or a card, whether you notify us or not. The words "Pricing Schedule" mean the document accompanying your Card and listing the Finance Charge rates that apply to your Account. The Pricing Schedule is part of this Agreement.

ACCEPTANCE OF AGREEMENT. The use of your Account or a Card by you or an Authorized User, or your failure to cancel your Account within 30 days after receiving a Card, means you accept this Agreement, including the Arbitration of Disputes provision on page 12. You may, however, reject the Arbitration of Disputes section by providing us a notice of rejection within 30 days after receiving a Card, at the following address: Discover Card, P.O. Box 30938, Salt Lake City, UT 84130-0938. If you were previously subject to arbitration with respect to any Account, this right to reject arbitration will not apply to you in the event that the Account has been reopened or replacement Cards are sent to you. Your rejection notice must include your name, address, telephone number, Account number and signature and must not be sent with any other correspondence. Calling us to indicate that you reject the Arbitration of Disputes section or sending a rejection notice in a manner or format that does not comply with all applicable requirements is insufficient notice. In order to process your notice, we require that the notice be provided by you directly and not through a third party. Rejection of arbitration will not affect your other rights or responsibilities under this Agreement or your obligation to arbitrate disputes under any other account as to which you and we have agreed to arbitrate disputes. If you do not send a rejection notice, you will be obligated by the Arbitration of Disputes section with respect to this and any prior account you have had with us, even if you have previously sent a rejection notice with respect to that prior account.

USE OF YOUR ACCOUNT. Your Account may be used for:

- Purchases - to purchase or lease goods or services from participating merchants by presenting your Card or Account number.
- Cash Advances - to obtain cash advances from participating automated teller machines, financial institutions or other locations, or by means of checks which we may furnish to you, all in accordance with such additional terms and conditions as may be imposed from time to time.
- Balance Transfers - to transfer balances from other creditors or to make other transactions by means of balance transfer coupons or checks, in accordance with such additional terms and conditions as we may offer from time to time.

In addition, your Account may be used to guarantee reservations at participating establishments. You will be liable for

guaranteed reservations that are not canceled prior to the time specified by the establishment.

Your Account may be used for personal, family, household and charitable purposes. Your Account may not be used to obtain loans to purchase, carry or trade in securities, or to pay any amount you owe under this Agreement ("Prohibited Transactions"). Prior to its use, each Card must be signed by the person to whom it is issued. We are not responsible for the refusal of anyone to accept or honor a Card or to accept checks that we have provided you. You must return any Card or unused checks to us upon request.

If a merchant fails to provide your purchase to your satisfaction and, at your request, we issue a credit to your Account, you will be deemed to have assigned to us your claim against the merchant and/or any third party for the credited amount. Upon our request, you agree to provide us with written evidence of such assignment.

Your rights and responsibilities under the Fair Credit Billing Act described in the billing rights summary on pages 17-18 and on the back of your monthly billing statement apply only to credit card transactions. This special rule for credit card transactions does not apply to purchases made with a balance transfer check or cash advance. Therefore, if you have a problem with the quality of goods or services that you purchased with a balance transfer check, cash advance check or the proceeds of a cash advance, you do not have the right to withhold payment of the amount due.

AUTHORIZED USERS. If you want to cancel the authority of a current Authorized User to use your Account or a Card, you must notify us in writing or by telephone and destroy any Card in that person's possession. None of your rights under this Agreement (other than to pay amounts owed) may be exercised by any person not a party to this Agreement acting pursuant to a power of attorney, without our separate written agreement (which we are not obligated to give).

UNAUTHORIZED USE. If a Card is lost or stolen, or if you think that someone is using your Account or a Card without your permission, notify us immediately. You can notify us by telephoning 1-800-DISCOVER (1-800-347-2683), or by writing DISCOVER CARD, PO Box 15156, Wilmington, DE 19886-1002. You agree to assist us in determining the facts relating to any theft or possible unauthorized use of your Account or a Card and to comply with such procedures as we may require in connection with our investigation. If our records indicate that you have enrolled in an automatic billing arrangement, such as a monthly gym membership, we will attempt to provide your new Account number to that merchant. However, if you no longer wish to continue the automatic billing arrangement, you must contact the merchant directly.

CREDIT LIMIT-AVAILABLE CREDIT. We will advise you of your Account credit limit. We may impose a lower limit that will apply to cash advances, referred to as the cash advance credit limit. You agree not to allow your unpaid balance, including Finance Charges and fees, to exceed your Account credit limit. If you exceed your Account credit limit, we may request immediate

payment of the amount by which you exceed your Account credit limit.

We may increase or decrease your Account credit limit or your cash advance credit limit without notice. The credit available for your use may, from time to time, be less than your Account credit limit. For purposes of determining your available credit, we reserve the right to postpone for up to 15 business days reducing your unpaid balances by the amount of any payment that we receive. Your available credit will not be increased by the amount of any credit balance.

PROMISE TO PAY. You agree to pay us in U.S. Dollars for all purchases, cash advances and balance transfers including applicable Finance Charges and other charges or fees, incurred by you or anyone you authorize or permit to use your Account or a Card, even if you do not notify us that others are using your Account or a Card. We will convert purchases and cash advances made in a foreign currency to U.S. Dollars at a rate existing on the date of conversion. If you pay us in other than U.S. Dollars, we may refuse to accept the payment or charge your Account our cost to convert your payment to U.S. Dollars. All checks must be drawn on funds on deposit in the U.S. You may not use a cash advance check, balance transfer check or coupon, or any other promotional check drawn on any Discover Bank credit card account to make payments on your Account.

If your Account is a joint Account, each of you agrees to be liable individually and jointly for the entire amount owed on your Account. We can accept late payments or partial payments or checks and money orders marked "payment in full" or with any other restrictive endorsement without losing any of our rights under this Agreement.

MONTHLY BILLING STATEMENT. Unless we waive our right to do so, we will send you a billing statement after each monthly billing period in which you have a debit or credit balance of \$1.00 or more. The billing statement will show all purchases, cash advances, balance transfers, Finance Charges and other charges or fees and all payments or other credits posted to your Account during the billing period. It will show your New Balance, Minimum Payment Due and Payment Due Date.

MONTHLY PAYMENT OPTIONS. You may at any time pay the entire New Balance shown on your billing statement, but each month you must pay at least the Minimum Payment Due. All payments must be made in accordance with the terms, including the payment cutoff time, stated on your monthly billing statement, and we will credit your Account in accordance with those terms. In addition, we reserve the right to change those terms without prior notice. We will apply payments and credits to the New Balance shown on your current billing statement in order of the Annual Percentage Rate applicable to the balance of each transaction category (as referenced in the Periodic Finance Charges Section), from lowest to highest beginning with the balance subject to the lowest Annual Percentage Rate. We then apply payments and credits to any new transactions using the same method. However, we have the right to apply payments and credits to balances with higher Annual Percentage Rates prior to balances with lower Annual Percentage Rates, such as

when there are two initial special rates applicable to your Account and the lower Annual Percentage Rate will expire before the higher Annual Percentage Rate.

MINIMUM MONTHLY PAYMENT. The Minimum Payment Due each month will be the sum of any amount past due and the minimum monthly payment. The minimum monthly payment each month will be the greater of \$10.00 or 1/50th of the New Balance, rounded to the next higher whole dollar amount. If any ANNUAL PERCENTAGE RATE applicable to your Account is greater than 22.99%, your minimum monthly payment will be the greater of \$10 or 1/45th of the New Balance, rounded to the next higher whole dollar amount. Regardless of the Annual Percentage Rates on your Account, if the New Balance is less than \$10.00, the minimum monthly payment will be the amount of the New Balance. Paying the Minimum Payment Due may be insufficient to bring your Account balance below your Account credit limit and, consequently, may not avoid the imposition of the Overlimit Fee described in the Overlimit Fee Section. We may from time to time allow you to not make a minimum monthly payment, and will notify you when this option is available. If you take advantage of this offer and do not make a minimum monthly payment, finance charges and any applicable fees will accrue on your Account in accordance with this Agreement, and you must pay the Minimum Payment Due for the following billing periods.

CREDIT BALANCES. We will refund any credit balance within seven business days from receipt of your written request. If you do not request a refund, we will automatically refund credit balances greater than \$1.00 which remain in your Account after two billing periods.

BALANCE TRANSFERS. We may periodically offer you the opportunity to transfer balances from other creditors or to make other transactions to your Account by means of balance transfer coupons or checks. Each offer will contain an initial special rate, which will be the Annual Percentage Rate that will apply to transferred balances for the time period specified in the offer, subject to the Default Rate Plan Section, and may contain a Balance Transfer Transaction Fee Finance Charge for each balance transfer made during the term of the offer, as disclosed in the offer and as set forth in the Pricing Schedule, if applicable. After the expiration of this time period, the Annual Percentage Rate that applies for purchases will apply to transferred balances. Balance transfers subject to the initial special rate are referred to as special rate balance transfers; balance transfers for which the initial special rate has expired are referred to as purchase rate balance transfers. Each offer will contain an expiration date. If you attempt to transfer balances by means of a check after the expiration date, we will treat the transaction as a cash advance. We will not make balance transfers attempted by means of a coupon after the expiration date.

FINANCE CHARGES. You can avoid payment of Periodic Finance Charges on new purchases if you pay the New Balance shown on the billing statement on which the purchase first appears by the Payment Due Date, and the Payments and Credits on that statement equal or exceed your Previous Balance. We call this

the "grace period." You do not have a grace period on balance transfers or cash advances. Periodic Finance Charges are imposed on new balance transfers and cash advances beginning with the date the transaction occurs.

PERIODIC FINANCE CHARGES. Periodic Finance Charges are imposed on all transactions until the date of repayment. Repayment means payment of your entire New Balance. However, if you pay the New Balance shown on the current billing statement by the Payment Due Date, and the Payments and Credits shown on this statement equal or exceed the Previous Balance, we will not impose Periodic Finance Charges on new purchases, that is, purchases first appearing on the current statement. Otherwise, you will receive a billing statement the next month that includes Periodic Finance Charges imposed until the date of repayment.

We compute Periodic Finance Charges each day for purchases, cash advances, and balance transfers (which we refer to as transaction categories) by using the following equation: Average Daily Balance x number of days in the billing period x Daily Periodic Rate. (You may refer to the finance charge summary on the front of your billing statement for these amounts.) Then we add all the Periodic Finance Charges for each transaction category to get the total Periodic Finance Charges for your Account. The Average Daily Balance is shown as zero if no Periodic Finance Charges apply to the balance in a transaction category.

We use the two-cycle average daily balance (including new transactions) method of calculating the balance upon which we impose Periodic Finance Charges. This means if you did not pay the New Balance shown on the billing statement you received during the previous billing period by the Payment Due Date, we will impose Periodic Finance Charges on new purchases that first appeared on that billing statement, as well as new purchases that first appear on the current billing statement, unless we already imposed Periodic Finance Charges on the purchases on your previous billing statement. We compute the average daily balance for each transaction category by adding up all the daily balances in a billing period for a transaction category and dividing the total by the number of days in the billing cycle. We compute the daily balance for each transaction category on each day by first adding the following to the previous day's daily balance: transactions made that day, fees charged that day and Periodic Finance Charges accrued on the previous day's daily balance; and by then subtracting any credits and payments that are applied against the balance of the transaction category on that day. In calculating the daily balance for the previous billing period, we consider the "previous day's daily balance" to have been zero on the first day of the billing period.

Special rate balance transfers and Balance Transfer Transaction Fee Finance Charges are included in the daily balance of the balance transfer transaction category. Balance transfers that were subject to an initial special rate that has been terminated due to a late payment or because your outstanding Account balance exceeded your Account credit limit are also included in this category until the initial special rate otherwise would have

expired. In calculating the daily balance of the balance transfer transaction category on the first day of the billing period, we subtract the unpaid balance of those Balance Transfer Transaction Fee Finance Charges and balance transfers that become purchase rate balance transfers on that day and we add that unpaid balance to the balance of the purchase transaction category.

All fees charged to your Account are added to the purchase transaction category with the exception of Cash Advance Transaction Fee Finance Charges which are added to the cash advance transaction category and Balance Transfer Transaction Fee Finance Charges which are added to the balance transfer transaction category. If a transaction is posted to your Account after the close of the billing period in which it occurs, we will treat the transaction as having occurred on the first day of the billing period in which it is posted to your Account.

(1) Rate Plans

The Daily Periodic Rate and corresponding Annual Percentage Rate that apply to each transaction category is either a fixed rate or a variable rate as set forth in your Pricing Schedule. The Daily Periodic Rate is 1/365th of the corresponding Annual Percentage Rate. The variable Annual Percentage Rate for a transaction category is determined by adding a specified number of percentage points to the Prime Rate. This is shown on the Pricing Schedule as "Prime + (percentage points)." For purposes of this Agreement, the Prime Rate is the highest rate of interest listed as the "prime rate" in the money rates section of *The Wall Street Journal* on the last business day of the month. The Prime Rate is merely a pricing index and does not represent the lowest or best interest rate available to a borrower at any bank at any given time. Your Annual Percentage Rate will increase or decrease when the Prime Rate changes. This change will be effective beginning on the first day of the billing period that begins during the same month as the change in the Prime Rate.

(2) Annual Percentage Rate for Purchases

We may have offered you an introductory rate on purchases. The introductory rate is the Annual Percentage Rate that will apply to purchases for the time period specified in the offer, subject to the Default Rate Plan Section. After expiration of this time period, the Annual Percentage Rate for purchases will apply. The Daily Periodic Rates and corresponding Annual Percentage Rates in effect on the date this Agreement is furnished to you are set forth in the Pricing Schedule.

(3) Annual Percentage Rate for Cash Advances

The Daily Periodic Rate and corresponding Annual Percentage Rate in effect on the date of this Agreement is furnished to you are set forth in the Pricing Schedule.

(4) Annual Percentage Rate for Balance Transfers

The Daily Periodic Rate and corresponding Annual Percentage Rate in effect for special rate balance transfers will be set forth in the offer from us under which you make the balance transfer. As indicated in the Balance Transfers Section above, purchase

rate balance transfers will be subject to the Daily Periodic Rate and corresponding Annual Percentage Rate that apply to purchases and the Default Rate-Plan Section.

The Daily Periodic Rate and corresponding Annual Percentage Rate in effect on the date this Agreement is furnished to you are set forth in the Pricing Schedule.

DEFAULT RATE PLAN. We will review your Account on the last day of each billing period to determine the Annual Percentage Rates that will apply to your Account. In reviewing your Account, we will look at the current billing period as well as the previous eleven billing periods. Any increased rate described below will apply beginning with the first day of the billing period in which we review your Account.

If we did not receive a required payment by the Payment Due Date during the billing period in which we review your Account, then any initial special rate on balance transfers and any introductory or promotional rate on purchases that currently applies to your Account, and any such rate that we have previously offered to you, will terminate and the standard Annual Percentage Rate for purchases will apply to your balance of balance transfers and purchases as well as any introductory or promotional rate on purchases and any initial special rate on balance transfers that we have previously offered to you. In addition, if the standard Annual Percentage Rate for purchases is less than 19.99% and during the immediately preceding eleven billing periods we did not receive a required payment by the Payment Due Date, then the Standard ANNUAL PERCENTAGE RATE for purchases will be increased to 19.99% (a Daily Periodic Rate of .05477%).

If your outstanding balance exceeds your Account credit limit as of the day we review your Account and your outstanding balance exceeded your Account credit limit as of the last day of any billing period in the immediately preceding eleven billing periods, then any initial special rate on balance transfers and any introductory or promotional rate on purchases that currently applies to your Account, and any such rate that we have previously offered to you will terminate and the standard Annual Percentage Rate for purchases will apply to the balance of your balance transfers and purchases as well as any introductory or promotional rate on purchases and any initial special rate on balance transfers that we have previously offered to you. If the standard Annual Purchase Rate for purchases is less than 19.99%, then the standard ANNUAL PERCENTAGE RATE for purchases will be increased to 19.99% (a Daily Periodic Rate of .05477%).

If your standard ANNUAL PERCENTAGE RATE for purchases is less than 24.99% and during the current and immediately preceding eleven billing periods you either failed three times to make a required payment when due or exceeded your Account credit limit three times as of the last day of a billing period, then the standard ANNUAL PERCENTAGE RATE for purchases and for cash advances will be increased to 24.99% (a Daily Periodic Rate of .06847%).

CASH ADVANCE TRANSACTION FEE FINANCE CHARGES. We will charge you a Cash Advance Transaction Fee Finance Charge of

3% of the amount of each new cash advance. There is a minimum Cash Advance Transaction Fee FINANCE CHARGE of \$5.00 and no maximum Cash Advance Transaction Fee FINANCE CHARGE. The imposition of Cash Advance Transaction Fee Finance Charges may result in an Annual Percentage Rate for cash advances that is higher than the nominal Annual Percentage Rate. All forms of cash advances, including the use of Discover Card checks, regardless of the purpose for which used, are subject to Cash Advance Transaction Fee Finance Charges. To obtain the total Finance Charge on cash advances for each billing period, we add any Cash Advance Transaction Fee Finance Charges for the billing period charged under this Section to any Periodic Finance Charges calculated under the Periodic Finance Charges Section for the cash advance transaction category.

BALANCE TRANSFER TRANSACTION FEE FINANCE CHARGES. If the balance transfer offer you receive contains a Balance Transfer Transaction Fee Finance Charge, we will charge you a Balance Transfer Transaction Fee Finance Charge for the amount of each balance transfer made under that offer. If there is a Balance Transfer Transaction Fee Finance Charge in conjunction with the offer you received when you applied for an Account, it will be in the amount set forth in the Pricing Schedule. The imposition of Balance Transfer Transaction Fee Finance Charges may result in an Annual Percentage Rate for balance transfers that is higher than the nominal Annual Percentage Rate. To obtain the total Finance Charge on balance transfers for each billing period, we add any Balance Transfer Transaction Fee Finance Charges calculated under the Periodic Finance Charges section for the balance transfer transaction category.

MINIMUM FINANCE CHARGE. We will charge you a minimum FINANCE CHARGE of \$.50 for any billing period in which some FINANCE CHARGE of less than \$.50 would otherwise be imposed.

RETURNED CHECK FEE. We will charge you a Returned Check Fee of \$29.00 each time you pay us with a check that is returned unpaid. This fee will also apply if a debit transaction to a deposit account from which you have authorized us in writing, electronically or orally to periodically deduct all or a part of an amount you owe us under this Agreement is returned unpaid. We will charge you this fee the first time any payment is returned unpaid, even if it is paid upon resubmission.

RETURNED DISCOVER CARD CHECK FEE. We will charge you a Returned Check Fee of \$29.00 each time we decline to honor a Discover Card cash advance check, balance transfer check or other promotional check.

STOP PAYMENT FEE. We may charge a Stop Payment Fee of \$15.00 each time we stop payment at your request on a cash advance check, balance transfer check, or other promotional check.

LATE FEE. We will charge you a Late Fee if you have failed, as of the Payment Due Date, to make the Minimum Payment Due that was required to be paid by that date. The amount of the Late Fee is based on the sum of all outstanding purchases, cash advances, balance transfers, other charges, other fees and Finance Charges at the end of the billing period. If the sum is less

than \$100, the Late Fee is \$15. If the sum is equal to or greater than \$100, and less than \$1,000, the Late Fee is \$25. If the sum is equal to or greater than \$1,000, the Late Fee is \$35.

PAY-BY-PHONE FEE. We may from time to time allow you to make payments by authorizing us over the telephone to transfer or pay funds from a deposit account to your Account. We will charge a Pay-by-Phone Fee of \$10 for each such transfer or payment.

RESEARCH FEE. We may charge you a Research Fee of \$5.00 for each copy of a billing statement or sales slip that you request. However, we will not charge a fee if you request copies in connection with a billing error.

OVERLIMIT FEE. We will charge you an Overlimit Fee each time that, as of the close of a billing period, your outstanding Account balance exceeds your Account credit limit. This fee may be charged even if the transaction which causes you to exceed your Account credit limit is authorized by us or if you exceed your Account credit limit due to the posting of Finance Charges or fees to your Account. The amount of the Overlimit Fee is based on the sum of all outstanding purchases, cash advances, balance transfers, other charges, other fees and Finance Charges at the end of the billing period. If the sum is equal to or less than \$1,000, the Overlimit Fee is \$15. If the sum is greater than \$1,000, the Overlimit Fee is \$35.

DEFAULT-ACCELERATION-COLLECTION COSTS. You are in default if you become insolvent; if you file a bankruptcy petition or have one filed against you; if we have a reasonable belief that you are unable or unwilling to repay your obligations to us; if you are declared incompetent by a court or if a court appoints a guardian for you or a conservator for your assets; if you die; or if you fail to comply with the terms of this Agreement, including failing to make a required payment when due, exceeding your Account credit limit, or using your Card or Account for a Prohibited Transaction. If you are in default, we may declare the entire balance of your Account immediately due and payable without notice. If we refer the collection of your Account to an attorney or employ an attorney to represent us with regard to recovery of money that you owe us, we may charge you reasonable attorneys' fees and court or other collection costs as permitted by law and as actually incurred by us. We may delay enforcing or not enforce any of our rights under this Agreement without losing or waiving any of them.

CANCELLATION. You may cancel your Account by notifying us in writing or by telephone and returning or destroying every Card and unused check that we have provided you. Of course, you will still be responsible to pay any amount you owe us according to the terms of this Agreement. If your Account is a joint Account, each of you may cancel your Account. If our authorization system is not working, we may not be able to authorize a transaction. We will not be liable to you if any of these events happen.

CHANGE OF TERMS. We may change any term or part of this Agreement, including any finance charge rate, fee or method of computing any balance upon which the finance charge rate is assessed, or add any new term or part to this Agreement by sending you a written or electronically delivered notice at least 15 days before the change is to become effective. We may apply any such change to the outstanding balance of your Account on the effective date of the change and to new charges made after
