CIVIL ACTION

MICHAEL SHELOW :
 Petitioner :

 vs. : No. 06 - - CD
 : :
COMMONWEALTH OF PENNSYLVANIA :
DEPARTMENT OF TRANSPORTATION :
 Respondent :

PETITION FOR HEARING ON SUPERCEDES

1. Petitioner is Michael Shelow of 500 Brisbin Street, Houtzdale, Pennsylvania, 16651.

2. Petitioner was notified by the Commonwealth of Pennsylvania, Department of Transportation, by letter dated May 12, 2006 that his driving privilege is being suspended as of June 2, 2006.

3. The Commonwealth cited that medical information had been received which indicated that Petitioner has a seizure disorder condition which prevents him from safely operating a motor vehicle.

4. Petitioner has filed an Appeal on this date, and has alleged that he has not been diagnosed with a seizure disorder condition and has never seen any medical documentation that sets forth any such condition.

Further, Petitioner alleged that he has been treated by Joseph D. Clark, M.D. of Blair Medical Associates, and was advised by Dr. Clark that the episode in question was not a frank epileptic seizure. A copy of said medical report being attached hereto marked Exhibit "A".

Petitioner requests at this time that a supersedes be entered so that he may operate his motor vehicle pending a hearing on the Appeal of his Driver's License Suspension.

6. Petitioner files this Petition for a hearing pursuant to Section 1550 of the Pennsylvania Motor Vehicle Code which sets for that an Appeal shall not act as a supercedes if the suspension is based on reasons set forth in Section 1519.

7. Section 1550 sets forth that the Appeal shall not act as a supercedes unless Ordered by the Court after hearing attended by Petitioner.

8. Petitioner requests that the Court conduct a hearing and determine whether a supercedes has been entered so that Petitioner can operate a motor vehicle pending the Appeal.

AND NOW, this 19th day of June, 2006, this being the date set for rule returnable relative the Petition for Supersedeas; the Court noting that the Commonwealth, despite proof of service, has not appeared and that the Court has no medical information that was apparently submitted to the Commonwealth which resulted in the Petitioner's license being suspended for medical reasons; the Court not being willing to grant a supersedeas based solely upon the medical report attached to the Petition for Hearing on the Supersedeas, it is the ORDER of this Court that the Court Administrator schedule a one-hour evidentiary hearing on the merits, at which time a representative of the Commonwealth shall be present and shall be prepared to litigate the appeal of the driver's license suspension.

PETITION TO APPEAL SUSPENSION OF DRIVER'S LICENSE

NOW COMES, Petitioner, Michael Shelow, by and through his Attorney, Paul Colavecchi, Esquire, files this Petition to Appeal Suspension of Driver's License and respectfully avers as follows:

1. Petitioner, Michael Shelow, by letter dated May 12, 2006, received notice that his privilege to operate a motor vehicle is being suspended as of June 2, 2006, a copy of said letter being attached hereto marked Exhibit "A".

2. The reason given for the suspension of driving privileges is that the Commonwealth of Pennsylvania, Department of Transportation, had received medical information indicating that Petitioner has a seizure disorder condition which prevents him from safely operating a motor vehicle.

3. Pursuant to said letter, Petitioner's driving privileges have been recalled indefinitely as mandated by Section 1519(c) of the Pennsylvania Vehicle Code, said Section titled, Termination of Competency.

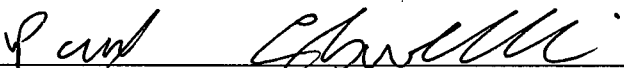

4. Petitioner contends that although he was examined by Dr. DeSantis on April 17, 2004, he was not made aware that he has a seizure disorder condition, nor to his knowledge was he diagnosed with a seizure disorder condition.

5. Further, Petitioner was examined at Blair Medical Associates by Joseph D. Clark, M.D. on May 5, 2006 and was advised by Dr. Clark that the episode in question was not an epileptic seizure. Petitioner was advised that the episode in question was severe light-headedness caused due to loss of blood to the brain brought on by extreme fatigue. Dr. Clark advised Petitioner that the episode in question was a convulsive syncope episode due to orthostasis and not a frank epileptic seizure, a copy of said medical report being attached hereto marked Exhibit "B".

6. Petitioner is aggrieved at this time by the suspension of his driver's privileges because it is his only means of getting to his employment.

7. Petitioner contends that the Commonwealth has not met its burden of proof in making a determination of incompetence so that his driving privilege should be suspended indefinitely.

WHEREFORE, Petitioner prays that your Honorable Court grant this Appeal and after hearing on the merits, reverse said suspension.

MICHAEL SHELOW
500 BRISBIN ST
HOUTZDALE PA 16651

Dear Mr. MICHAEL SHELOW:

We have received medical information indicating that you have a Seizure Disorder condition which prevents you from safely operating a motor vehicle.

As of 06/02/2006, you may no longer drive. Your driving privilege is hereby recalled indefinitely as mandated by Section 1519(c) of the Vehicle Code.

This decision has been made by comparing your medical condition with the standards recommended by our Medical Advisory Board and adopted by this Department. This action will remain in effect until we receive medical information that your condition has improved and you are able to safely operate a motor vehicle.

Since you have a seizure disorder, you must remain seizure free for a six month period, with or without medication, before you will be eligible for reinstatement of your driving privilege. Our records indicate that your seizure occurred on 4/17/2006.

In order to comply with this action, you must return all current Pennsylvania driver's licenses, learner's permits, temporary driver's licenses (camera cards) in your possession, on or before the effective date listed above. If you cannot comply with the requirements stated above, a sworn affidavit stating that you are aware of the sanction against your driving privilege must be submitted. When the Department receives your license or affidavit, we will send you a receipt.

If you do not return all current driver license products, we must refer this matter to the Pennsylvania State Police for prosecution under SECTION 1571 (a) (4) of the Pennsylvania Vehicle Code.

YOU MAY NOT RETAIN YOUR DRIVER'S LICENSE FOR IDENTIFICATION PURPOSES. However, you may apply for and obtain a photo identification card at any Driver License Center. You must present two (2) forms of proper identification (e.g., birth certificate, valid U.S. passport, marriage certificate, etc.) in order to obtain your photo identification card.

You have the right to appeal to the Court of Common Pleas (Civil Division) within thirty (30) days of the mail date of this notice. If you file an appeal in the County Court, the Court will give you a time-stamped certified copy of the appeal. In order for your appeal to be valid, you must send this time-stamped certified copy of the appeal by certified mail to:

Pennsylvania Department of Transportation
Office of Chief Counsel
Third Floor, Riverfront Office Center
Harrisburg, PA 17104

You still must send in your license before the effective date of recall unless you appear in person before a judge and receive an order permitting you to continue driving.

If you have any questions or need further information, please contact the Medical Unit, P.O. Box 68682, Harrisburg, PA 17106-8682 or call (717) 787-9662 between the hours of 8:00 a.m. and 4:30 p.m.
