**NOTICE OF APPEAL OF DRIVER LICENSE SUSPENSION
AND REQUEST FOR SUPERSEDEAS**

COMES NOW, Russell George Woods, by and through his attorney, Dwight L. Koerber, Jr., Esquire, and files the within pleading directed to the June 21, 2006 Notice of the Department of Transportation, which states that Appellant's privileges to drive a commercial vehicle is being disqualified for a period of six (6) months.

1. Appellant is Russell George Woods (referred to hereinafter as "Woods" or "Appellant"), who resides at 650 Woods Hollow Road, West Decatur, PA, 16878, such address and residency being in Clearfield County, Pennsylvania.

2. Appellee is the Commonwealth of Pennsylvania, Department of Transportation, Bureau of Driver Licensing (referred to hereinafter as "DOT" or "Appellee"), which has an address of Office of Chief Counsel, Third Floor, Riverfront Office Center, Harrisburg, PA, 17104.

3. Woods holds a commercial driver's license from the Commonwealth of Pennsylvania, identified as driver's license number 22464739.

4. Woods is a truck driver currently employed by Kephart Trucking Co., of P. O. Box 386, Bigler, PA, 16825.

5. On June 21, 2006, DOT served notice upon Woods, informing him that effective July 26, 2006, at 12:01 a.m., he was disqualified to operate a commercial motor vehicle for a period of six (6) months.

6. Attached hereto as Appendix A is a true and correct copy of the June 21, 2006 Notice of Disqualification.

7. As shown by the Notice of Disqualification, the action is taken as a result of Appellant allegedly violating Section 1606A of the Vehicle Code by driving a commercial motor vehicle without a CDL on May 31, 2006.

8. As a matter of fact, the events that occurred are that Appellant does hold a CDL which was valid on May 31, 2006. The CDL in question, however, did not have a "hazardous materials" designation on it.

9. The date upon which Appellant was alleged to have been adjudicated as violating Section 1606A of the Vehicle Code was set as shown on the June 21, 2006 Notice as being June 9, 2006. That date is not correct, as no adjudication of any nature has occurred.

10. The matter that occurred on or about June 9, 2006 is that Appellant's employer sent in the fine pertaining to the underlying citation, but Appellant never at any time signed the guilty plea pertaining to such violation.

11. Appellant is now in the process of filing Notice of Appeal of the alleged adjudication that occurred on June 9, 2006, involving the alleged violation of May 31, 2006, and he anticipates being adjudicated as not guilty of the underlying offense. By filing a Notice of Appeal, Appellant is entitled to a hearing de novo before the Court of Common Pleas of Monroe County.

12. Attached hereto as Appendix B is a true and correct copy of the Notice of Appeal that Appellant has filed with Monroe County.

13. In addition to stating that he has never been adjudicated as being guilty of operating a commercial vehicle without a CDL, Appellant is also prepared to demonstrate in a hearing on the merits of his underlying conviction that he is not guilty of illegally operating a commercial vehicle as alleged.

14. Appellant requests that a hearing on the merits of the present suspension notice, as covered by the June 21, 2006 Notice served by DOT, not be held until a date after there has been a final adjudication on the merits of the underlying incident which occurred on May 31, 2006.

15. With there being no adjudication and in fact with there being no guilty plea having been properly entered against him, Appellant has not been convicted of the May 31, 2006 incident which underlies the issuance of the June 21, 2006 Notice of Disqualification.

WHEREFORE, Russell George Woods requests that his appeal be granted and that the suspension/disqualification of his commercial driving privileges be vacated and

that the June 21, 2006 Notice, attached as Appendix A to this Notice of Appeal, be reversed and set aside.

REQUEST FOR SUPERSEDEAS

16. Section 1550(b)(2) of the Vehicle Code, 75 Pa. C.S.A. §1550 (b)(2), provides that a supersedeas may be granted by the Court of Common Pleas on an ex parte basis, upon a showing of the reasonable likelihood of success of prosecution of the appeal.

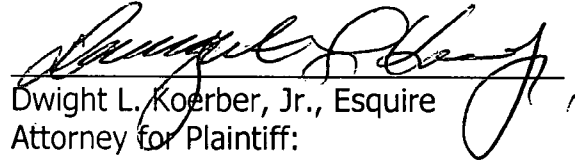

17. Appellant submits that there is a probability of succeeding in the merits of the appeal herein, inasmuch as he has filed a Notice of Appeal effectively staying the alleged adjudication that occurred on June 9, 2006 finding him guilty of Section 1606A of the Vehicle Code. Furthermore, Appellant submits that he has at all times held a valid CDL and that he is not guilty of knowingly driving without a CDL as alleged in the May 31, 2006 incident.

18. Appellant would experience irreparable harm if the supersedeas request is not granted, as he would lose his CDL driving privileges before he has a hearing on the merits of the underlying case. Loss of his CDL would deprive Appellant of the only employable skills he has and would produce economic ruination of himself and his family.

WHEREFORE, Woods prays that a supersedeas be granted, so that the Notice issued on June 21, 2006, attached hereto as Appendix A, does not result in a disqualification for 6 months effective July 26, 2006, that the June 21, 2006 Notice of

the Department of Transportation be vacated and set aside, and that the proposed Order, attached hereto, be entered.

Respectfully submitted,

Please be aware that if you elect to obtain this noncommercial Class C or M license, you are still prohibited from operating a commercial motor vehicle. If you do so, you are subject to additional penalties, including possible lifetime disqualification of your commercial driving privilege.

**Re: Russell George Woods v. Commonwealth of Pennsylvania,
Department of Transportation, Bureau of Driver Licensing
Docket No. 2006-1073-CD**

Dear Judge Ammerman:

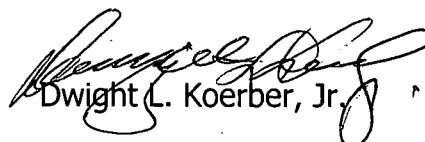

I am enclosing herewith a copy of the Order entered by the Court of Common Pleas of Monroe County dismissing the citation that had been entered against Russell Woods, such citation being the basis of the Notice of Revocation that the Department of Transportation had issued that we addressed in the Notice of Appeal filed in Clearfield County, where we sought both to have the Notice set aside and to obtain a supersedeas while the underlying proceeding was being addressed.

After looking at my file, I can see from my file that I had a discussion with the Court Administrator on September 11, 2007 outlining the events that had occurred. From that discussion I was under the impression that the case would be scheduled for hearing and at that point the Department of Transportation would present the required information to properly dispose of the case.

To fill in the "missing blanks", I am attaching hereto a copy of my letter to the Chief Counsel of the Department of Transportation and a copy of the reply I had received.

If anything further is needed on this matter, I would be pleased to forward it to the Court or if necessary file a motion.

Very truly yours,

Dwight L. Koerber, Jr.

**Re: Russell George Woods
Drivers License No: 22464739
Date of Birth: 07/29/1969**

Dear Chief Counsel:

I represent Russell George Woods and am writing in conjunction with an ongoing legal proceeding involving his CDL.

As background information, Mr. Woods was issued a six (6) month suspension notice of his CDL driving privileges, for allegedly transporting hazardous materials. Later investigation confirmed that Mr. Woods did not violate the Federal Motor Carriers Safety Regulations in transporting the extremely small amount of product that he did, as diethylenetramine in minimal levels transported on the tractor trailer unit does not require special CDL endorsement. In order to correct the action that had been taken here, I am enclosing herewith copies of the following documents:

- (1) Copy of Order from Judge Miller dated September 20, 2006, remanding the case, thereby reopening the guilty verdict.
- (2) Copy of Motion that dated February 2, 2007, filed by the Assistant District Attorney from Monroe County, seeking to have the prosecution against Mr. Woods dismissed.
- (3) Copy of Order dated February 5, 2007, by Judge Miller, dismissing the prosecution in this matter.

Now pending before the Court of Common Pleas of Clearfield County is a Notice of Appeal including a Petition for Supersedeas. I would take the position that that proceeding is now moot, in view of the dismissal of the underlying charges that had

Andrew S. Gordon, Chief Counsel

Page 2

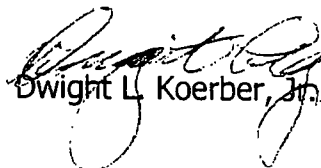

February 13, 2007

given rise to the suspension notice. Accordingly, I would respectfully request that your office kindly send notice to Clearfield County confirming that you are not opposing the Notice of Appeal.

So that Russell George Woods driving record is corrected to show that he does not have a blotch on it for improperly transporting hazardous materials, I would ask that the entry that had been given in this case, arising out of the transportation services rendered on May 31, 2006 be removed from Mr. Woods record.

If anything further is required on my part to move forward as requested herein, please advise what it is. Otherwise, I would ask that your office kindly move forward to implement the procedures necessary to give effect to Judge Miller's Order dated February 5, 2007.

Very truly yours,

RE: Russell G. Woods

Dear Mr. Koerber:

This is in response to your recent correspondence regarding your client's driving privilege.

A review of your client's driving record indicates that the violation of Section 1611 of the Vehicle Code was deleted on March 8, 2007.

However, as a result of the Motor Carrier Safety Improvement Act, PennDOT was required by law to process and to maintain the non-sanctioned speeding violation on your client's driving record.

If you have any questions regarding this matter, please call my office at (717) 787-2977 or Darlene Savercool at (717) 787-4219.

For ease in reference, I am attaching a copy of Mr. Woods' current MVR. I have circled the second page pertaining to conviction date of December 1, 2005. That should be deleted from Mr. Woods' driving record.
