**PETITION FOR APPEAL FROM ACTION ON APPEALS
FROM 2007 REAL ESTATE ASSESSMENT**

TO THE HONORABLE, THE JUDGES OF SAID COURT:

AND NOW COMES the Appellant, SEARS HOLDINGS MANAGEMENT CORPORATION (CLEARFIELD COUNTY INDUSTRIAL DEVELOPMENT AUTHORITY) by and through its attorneys, JONATHAN M. KAMIN, ESQUIRE, JOHN J. ARMINAS, ESQUIRE and the law firm of GOLDBERG, KAMIN & GARVIN, and files an Appeal from the Decision of the Board of Assessment Appeals of Clearfield County, pursuant to the Fourth to Eighth Class County Assessment Law of 1943, May 21, P.L. 571, art. I, §101, as amended, 72 P.S. §5453.101, et seq., as follows:

1. The Appellant in the within matter is Sears Holdings Management Corporation (Clearfield County Industrial Development Authority). The property which is the subject matter of this appeal is leased by the Appellants and is located at RD 3 State Route 225N, Clearfield, Clearfield County, Pennsylvania, and is further known and numbered as Map No.1280- C03-000-00059-DW-01 in the Office of Deed Registry of Clearfield County, Pennsylvania.

2. Pursuant to the Lease Agreement between the parties, Appellant has the authority to file this Petition.

3. The Board of Assessment Appeals of Clearfield County, Pennsylvania, is a board duly created, under and pursuant to the Act of May 21, 1943, P.L. 571, art. I, as amended, (72 P.S. §5453.101 et seq.) to assess objects of taxation, including real estate within the City of Clearfield, and having an office located at 230 East Market Street, Suite 117, Clearfield, Pennsylvania 16830.

4. The township, county and school district in which the subject property is located in Sandy Township, County of Clearfield and Dubois Area School District; and thus each of the aforesaid are interested parties in this appeal.

5. The Board of Assessment Appeals of Clearfield County originally assessed the subject property at \$185,100.00 based upon a fair market value of \$740,400.00 for the year 2007.

6. On October 11, 2006, the Board of Assessment Appeals of Clearfield County issued a decision in this matter sustaining both the market valuation at \$740,400.00 and also the assessment on the subject property at \$185,100.00. A true and correct copy of this Order from real estate assessment is attached hereto as Exhibit "A" and is incorporated by reference herein.

7. Appellant believes and avers the subject property assessment as revised is over-assessed and prays this Honorable Court to reduce the assessment of the property in question to such an amount as fair and reasonable, and in support thereof avers the following:

- (a) The assessment is not equal or uniform with other similar property located in County of Clearfield, Commonwealth of Pennsylvania; and

- (b) The ratio between the market value and the assessment value of the property of the Appellant is substantially higher than other similarly situated property in the County; and
- (c) Appellant is entitled to the benefits of the common level ratio, and therefore its assessment should be appropriately reduced; and
- (d) Appellant's assessed value is not consistent with the appropriate value for the property based upon either its current market value or its base year market value; and
- (e) Appellant reserves the right to present any other reasons that may develop at the time of the hearing.

WHEREFORE, Appellant, being aggrieved by the assessment of the Board of Assessment Appeals, requests this Honorable Court to decrease the assessment on the subject property of Sears Holdings Management Corporation (Clearfield County Industrial Development Authority) to such an amount as may be right and proper.

WRITTEN RESPONSE BY CLEARFIELD COUNTY
BOARD OF ASSESSMENT APPEALS

To: The Honorable Fredric J. Ammerman, President Judge

AND NOW, comes the Clearfield County Board of Assessment Appeals and Clearfield County (collectively referred to hereinafter as "County") by Kim C. Kesner, Esquire, Clearfield County Solicitor and files this written response to the Rule issued by this Honorable Court on November 17, 2006:

1. Admitted.
2. County is without sufficient knowledge or information to form a belief as to the truth of the averments contained in Paragraph 2 of the Petition for Appeal and therefore, proof of Appellants' authority is requested at hearing.
3. Admitted.
4. Admitted.
5. Admitted.
6. Admitted.

7. The averments contained in Paragraph 7 of the Petition for Appeal constitute contentions or conclusions of law to which no response is required. By way of further answer:

a. Appellants' Petition does not set forth a cognizable uniformity challenge to the subject assessment. It is specifically denied that the assessment is not equal or uniform with other similar properties.

b. It is specifically denied that the ratio between the market value and the assessed value of the property of Appellants is substantially higher than other similarly situated property in the County. To the contrary, the same predetermined ratio is utilized for all properties in Clearfield County.

c. It is specifically denied that the application of the Common Level Ratio to the current market value of Appellants' property would produce a reduced assessment.

d. It is specifically denied that the subject assessment is not properly based upon the actual value of the property as required by the Fourth to Eight Class County Assessment Law.

e. County objects to any attempt by Appellants to raise any other issues not raised and preserved in its Petition for Appeal.

WHEREFORE, County, after hearing requests this Honorable Court to sustain or increase the assessment of the subject property as the evidence supports.

Respectfully submitted:

MOTION FOR STATUS CONFERENCE

AND NOW COMES, Appellees Board of Assessment Appeals (of Clearfield County) and County of Clearfield, by Kim C. Kesner, Esquire, Solicitor of Clearfield County and in support of this Motion avers as follows:

1. Movants are Board of Assessment Appeals (of Clearfield County) and County of Clearfield (jointly referred to hereinafter as "County") parties Appellee in this Assessment Appeal.
2. Respondent/Appellant is Sears Holdings Management Corporation ("Sears Holding") which filed this Assessment Appeal on November 7, 2006.
3. Respondents/Appellees are Sandy Township and DuBois Area School District, two of the three taxing districts interested in this Appeal.
4. After filing its appeal, Sears Holding secured a Rule Returnable from this Court dated November 17, 2006, returnable by written response only on or before December 8, 2006.

5. The County, Sandy Township and DuBois Area School District filed Written Responses on December 7, 2006.
6. At or around this time, Counsel for Sears Holding indicated that it had no appraisal supporting its Appeal but had retained an appraiser to perform one.
7. On August 1, 2007, Sears Holding filed a Petition to Schedule Hearing and received an Order of Court dated August 7, 2007, scheduling a hearing for September 20, 2007.
8. Prior to the scheduled hearing date, Counsel for Sears Holdings contacted Counsel for the County indicating that its appraisal was not completed.
9. Counsel for the County and Sears Holdings agreed to a continuance which was granted by this Court. The hearing was rescheduled for November 19, 2007.
10. Prior to this scheduled hearing date, Counsel for Sears Holdings again indicated that its appraisal was not completed and the November 19, 2007, hearing was rescheduled for February 20, 2008.
11. Prior to this scheduled hearing date, Counsel for Sears Holdings again indicated that its appraisal was not completed and the February 20, 2008, hearing was rescheduled for April 23, 2008.
12. As of the date of the filing of this Motion, County has not received a report of any appraisal from Sears Holding or indication as to when one might be received.
13. The agreement between Counsel to the County and Counsel for Sears Holdings from prior to the first scheduled hearing was that the County would receive and have a reasonable opportunity to review Sears Holdings appraisal report and then have reasonable time prior to any hearing to perform an appraisal if desired.

This Court in granting the latest continuance advised Counsel that no further continuances would be granted.

14. However, even if an appraisal report was provided to the County concurrent with the filing of this Motion, the remaining time prior to the scheduled hearing date would be insufficient to do a competent appraisal.

15. The County respectfully requests this Court to conduct a status conference to ascertain the status of this matter and to enter a Case Management Order fair to all parties.

WHEREFORE, the County respectfully requests this Honorable Court to schedule a status conference before it.

ORDER

AND NOW, this 26th day of June, 2008, this matter having been previously scheduled by this Court for hearing de novo on June 27, 2008, upon the above Stipulation, this Court makes the following determinations:

1. The market value as of the date such appeal was filed before the Board of Assessment Appeals applicable to tax year 2007 identified by Clearfield County Assessment Map Number 128.0-C03-000-00059-DW-01 is Eight Hundred Ninety-Nine Thousand (\$899,000.00) Dollars.
2. The common level ratio which was applicable in the original appeal to the Board was 18.28%.
3. The established predetermined ratio applicable to the appeal was twenty-five (25%) percent. Thus, the Court shall apply said common ratio because the common level ratio does vary by more than fifteen (15%) percent from the established predetermined ratio.
4.
