7. At the time of the accident herein described, plaintiff was lawfully traveling on Route 2023 in the appropriate lane for northerly traffic.

8. That the defendant, traveling southerly on Route 153, proceeded from a stop without clearance at the intersection of Route 2023 and struck the plaintiff's motorcylce head on.

9. The accident was directly and proximately caused by the negligence and carelessness of defendant, which consisted, among other things, of the following:

COUNT I

11. Plaintiff incorporates by reference all of the preceding paragraphs of this Complaint as if each and every one were individually set forth within this Count.

12. As a result of defendant's negligence, plaintiff sustained the following injuries, some or all of which may be permanent: closed fracture of the tibia and fibula of his right leg which required surgery and hardware placement in the leg and physical therapy; injury to his left hand and index finger including a contusion and sprain with a resulting laxity of the radial collateral ligament of the MP joint in his index finger; strain and sprain to the muscles impacted; and general bruises and contusions.

13. As a result of defendant's negligence, plaintiff has suffered great bodily pain and suffering, as well as mental anxiety and nervousness, to his great detriment and loss.

16. As a result of defendant's negligence, plaintiff has suffered a loss of earnings and or earning capacity. Plaintiff is a self-employed business owner, whose business depends on his participation. Said business has suffered a loss due to defendant's negligence.

17. That plaintiff's loss of earnings is approximately \$80,000.00 over the course of the last 18 months.

18. As a result of defendant's negligence, plaintiff's motorcycle sustained damage and defendant has paid plaintiff an amount of \$7526.77. That despite this payment damage to the windshield of plaintiff's motorcycle required repairs over and above this amount and in particular in the amount of \$430.31. Plaintiff further incurred towing and storing charges the reasonable cost and value of which was

\$673.10, which were not accounted for in defendant's payment to plaintiff. A true and correct copy of receipts for storage and towing and for the windshield replacement are attached collectively hereto as Exhibit "A."

19. That despite this payment of \$7,526.77 by defendant, an amount of approximately \$1,103.41 is still owed to plaintiff to compensate for the damage to his motorcycle and for storage and towing.

20. That as a result of defendant's negligence, plaintiff sustained damage to his clothing and eyeglasses worn at the time of the accident described herein, the reasonable cost and value of which was \$516.50. True and correct copies of receipts for leather vest and shoes, eyeglasses and pants are attached hereto collectively as Exhibit "B."

21. As a result of defendant's negligence, plaintiff has suffered an interruption of his daily habits and pursuits to his great and permanent detriment and loss.

22. That as a result of defendant's negligence, plaintiff was required to enlist the services of others for activities he would have normally performed himself. These items include but are not limited to the mowing of lawns on property owned by plaintiff and repairs at rental properties owned by plaintiff. That the approximate amount paid by plaintiff to others for said services is in excess of \$9,000.00.

23. Plaintiff has made a demand for compensation of the aforesaid injuries and losses, which defendant has failed and refused and still refuses to pay.

WHEREFORE, plaintiff demands judgment against defendant in an amount in excess of \$25,000.00, exclusive of interest and costs.
