<p>1. How To Avoid A Finance Charge.</p> <p>† a. Grace Period. You will have a minimum grace period of 25 days without finance charge on new purchases, new balance transfers, new special purchases and new other charges if you pay your total "New Balance", in accordance with the Important Notice for payments below, and in time for it to be credited by your next statement closing date. There is no grace period on cash advances and special transfers. In addition, there is no grace period on any transaction if you do not pay the total "New Balance".</p> <p>b. Accruing Finance Charge. Transactions which are not subject to a grace period are assessed finance charge 1) from the date of the transaction or 2) from the date the transaction is processed to your Account or 3) from the first calendar day of the current billing period. Additionally, if you did not pay the "New Balance" from the previous billing period in full, finance charges continue to accrue to your unpaid balance until the unpaid balance is paid in full. This means that you may still owe finance charges, even if you pay the entire New Balance indicated on the front of your statement by the next statement closing date, but did not do so for the previous month. Unpaid finance charges are added to the applicable segment of your Account.</p> <p>† c. Minimum Finance Charge. For each billing period that your account is subject to a finance charge, a minimum total FINANCE CHARGE of \$0.50 will be imposed. If the total finance charge resulting from the application of your periodic rate(s) is less than \$0.50, we will subtract that amount from the \$0.50 minimum and the difference will be billed to the purchase segment of your account.</p> <p>† d. Temporary Reduction in Finance Charge. We reserve the right to not assess any or all finance charges for any given billing period.</p> <p>2. Average Daily Balance (Including New Purchases).</p> <p>a. Finance charge is calculated by multiplying the daily balance of each segment of your account (e.g., cash advance, purchase, special transfer, and special purchase) by the corresponding daily periodic rate(s) that has been previously disclosed to you. At the end of each day during the billing period, we apply the daily periodic rate for each segment of your account to the daily balance of each segment. Then at the end of the billing period, we add up the results of these daily calculations to arrive at your periodic finance charge for each segment. We add up the results from each segment to arrive at the total periodic finance charge for your account. To get the daily balance for each segment of your account, we take the beginning balance for each segment and add any new transactions and any periodic finance charge calculated on the previous day's balance for that segment. We then subtract any payments or credits posted as of that day that are allocated to that segment. This gives us the separate daily balance for each segment of your account. However, if you paid the New Balance shown on your previous statement in full (or if your new balance was zero or a credit amount), new transactions which post to your purchase or special purchase segments are not added to the daily balances. We calculate the average daily balance by adding all the daily balances together and dividing the sum by the number of the days in the current billing cycle. To calculate your total finance charge, multiply your average daily balance by the daily periodic rate and by the number of days in the billing period. Due to rounding on a daily basis, there may be a slight variance between this calculation and the amount of finance charge actually assessed.</p> <p>b. If the code Z or N appears on the front of this statement next to "Balance Rate Applied To," we multiply the average daily balance of each segment by your monthly</p>	<p>periodic rate. To obtain the average daily balance for the billing period covered by this statement, we take the beginning balance of each segment each day, add any new transactions to each segment, and subtract any payments or credits. (If the code N appears on the front of this statement next to "Balance Rate Applied To," we also subtract any unpaid finance charge included in the balance of each segment.) This gives us the daily balance of each segment. Then, we add up all the daily balances for each segment for the billing period and divide by the total number of days in the billing period. This gives us the average daily balance of each segment.</p> <p>3. Annual Percentage Rates (APR).</p> <p>a. The term "Annual Percentage Rate" may appear as "APR" on the front of this statement.</p> <p>b. If the code P (Prime), L (3-mo. LIBOR), C (Certificate of Deposit), or S (Bankcard Prime) appears on the front of this statement next to the periodic rate(s), the periodic rates and corresponding ANNUAL PERCENTAGE RATES may vary quarterly and may increase or decrease based on the stated indices, as found in <i>The Wall Street Journal</i>, plus the margin previously disclosed to you. These changes will be effective on the first day of your billing period covered by your periodic statement ending in the months January, April, July and October.</p> <p>c. If the code D (Prime), F (1-mo. LIBOR) or G (3-mo. LIBOR Replicated Monthly) appears on the front of your statement next to the periodic rate(s), the periodic rates and corresponding ANNUAL PERCENTAGE RATES may vary monthly and may increase or decrease based on the stated indices, as found in <i>The Wall Street Journal</i>, plus the margin previously disclosed to you. These changes will be effective on the first day of your billing period each month.</p> <p>4. Assessment of Late, Overlimit and Returned Payment Fees. Your account will be assessed no more than two of the fees listed here that occur during any billing period. Under the terms of your customer agreement, we reserve the right to waive or not to assess any fees without prior notification to you without waiving our right to assess the same or similar fees at a later time.</p> <p>5. † Renewing Your Account. If a membership fee appears on the front of this statement, you have 30 days from the date this statement was mailed to you to avoid paying the fee or to have such fee credited to you. If you cancel your account. During this period, you may continue to use your account without having to pay the membership fee. To cancel your account, you must notify us by calling our Customer Relations Department and pay your "New Balance" in full (excluding the membership fee) prior to the end of the thirty-day period.</p> <p>6. † If You Close Your Account. You can request to close your account by calling our Customer Relations Department. You must destroy your credit cards and account access checks, cancel all preauthorized billing, and cease using your account. If you do not cancel preauthorized billing arrangements, we will consider receipt of a charge your authorization to reopen your account. Additionally, your account will not be closed until you pay all amounts you owe us including: any transactions you have authorized, finance charges, past due fees, overlimit fees, returned payment fees, cash advance fees and any other fees assessed to your account. You are responsible for these amounts whether they appear on your account at the time you request to close the account or they are incurred subsequent to your request to close the account. This may result in charges appearing on your account after you have requested the account to be closed or the reopening of</p>	<p>your account if it has already been closed. For example, if you authorized a purchase from a merchant and we receive the transaction from the merchant after your account has been closed, your account will be reopened, the amount of the charge will be added to your account, and you will be responsible for payment. If there is a membership fee for your account, the fee will continue to be charged, to the extent permitted by law, until the account balance has been paid in full as defined above.</p> <p>7. Using Your Account. Your card or account cannot be used in connection with any internet gambling transactions.</p> <p>BILLING RIGHTS SUMMARY (In Case Of Errors Or Questions About Your Bill)</p> <p>If you think your bill is wrong, or if you need more information on a transaction or bill, write to us on a separate sheet as soon as possible at the address for inquiries shown on the front of this statement. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can call our Customer Relations number, but doing so will not preserve your rights. In your letter, give us the following information: your name and account number, the dollar amount of the suspected error, a description of the error and an explanation, if possible, of why you believe there is an error; or if you need more information, a description of the item you are unsure about. You do not have to pay any amount in question while we are investigating it, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.</p> <p>† † Special Rule For Credit Card Purchases</p> <p>If you have a problem with the quality of property or services that you purchased with a credit card and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. You have this protection only when the purchase price was more than \$50.00 and the purchase was made in your home state or within 100 miles of your mailing address. (If we own or operate the merchant, or if we mailed you the advertisement for the property or services, all purchases are covered regardless of amount or location of purchase.) Please remember to sign all correspondence.</p> <p>† Does not apply to consumer non-credit card accounts</p> <p>† Does not apply to business non-credit card accounts</p> <p>Capital One supports information privacy protection: see our website at www.capitalone.com.
