No Sheriff shall be required to render any service in any civil proceedings until he receives indemnity satisfactory to him for the payment of his official fees, mileage, expenses, and legal costs or payment of same, from the party at whose instance or for whose benefit such service is to be performed, but any money advanced for his charges, and not earned or expended shall be refunded to the payer thereof. And in case he does not receive his charges in advance or upon demand, he may file with his return an itemized list of unpaid fees, mileage, costs and expenses respecting the services to which such return relates, and if no exceptions are filed to the same within thirty days, from the time of making such return, the items included in such list shall be considered taxed, and confirmed as fees and costs due such Sheriff and become a judgment in law against the party for whose benefit the services were rendered as well as against any other party who may be or become liable for such fees and costs by law; and the said Sheriff may issue an execution for the amount so taxed, and collect the same from any party so chargeable therewith without further suit, and shall not be disqualified to enforce such execution by reason of his interest therein.
