**ANSWER, NEW MATTER AND COUNTERCLAIM**

NOW COMES, Dennis Mollura, Defendant above named, and by his Attorneys, Belin, Kubista & Ryan, files his Answer, New Matter and Counterclaim to the Complaint of Plaintiff as follows:

**ANSWER**

1. Admitted.
2. Admitted, with the exception that Defendant's zip code is 16833.
3. Admitted insofar as the parties did enter into a contract for certain work consisting of labor and materials to be provided by the Plaintiff to the Defendant. Denied insofar as the document attached to the Complaint as Exhibit A is not a complete copy of the contract and further denied for the reasons set forth in Defendant's New Matter.
4. Admitted in part and denied in part. Admitted insofar as Plaintiff did provide labor and materials for a portion of the work to be completed pursuant to the contractual agreements between the parties. Denied insofar as Plaintiff did not perform in accordance with the terms of the contract, for the reasons set forth in Defendant's New Matter and Counterclaim. Admitted insofar as Defendant ultimately did refuse to make further payment to

Plaintiff and did direct Plaintiff to cease work and leave the job site, all for the reasons set forth in Defendant's New Matter and Counterclaim.

5. Admitted.

6. Admitted in part and denied in part. Admitted insofar as the agreements between the parties did call for certain allowances. Denied insofar as Defendant is without knowledge as to the amounts spent on said allowances by Plaintiff in that to date Plaintiff has failed and refused to provide Defendant with any receipts or other verification of materials purchased, therefore the averments as to said amounts are denied and proof thereof demanded at the time of trial.

7. Denied. Defendant to date has paid the Plaintiff a total amount of \$64,442.81 for labor and materials on said project.

8. Denied. Plaintiff has failed and refused to perform the work as agreed under the contracts between the parties, and a substantial portion of the work that was performed was substandard.

9. Denied. Defendant believes and therefore avers that the window and mirror listed at Exhibit D remain at Lezzer's in Curwensville and further avers that when he attempted to obtain and pay for those items, he was unable to do so as they were ordered under Plaintiff's account and Plaintiff refused to allow the items to be paid for by and released to Defendant. The shower door ordered by Plaintiff was of the wrong size and could have been returned to Lezzer's but was removed from the Defendant's premises by Plaintiff and its present whereabouts are unknown to Defendant.

10. Denied. Defendant has paid Plaintiff the total amount of \$64,442.81.

11. Denied. On the contrary, a substantial portion of the construction performed by the Plaintiff was substandard and has resulted in the Defendant being forced to incur expense to repair, replace and correct shoddy work performed by Plaintiff, as set forth in Defendant's New Matter and Counterclaim. Further, Defendant will be forced to incur additional expense in the future to repair, replace and correct such work performed by Plaintiff.

12. Admitted insofar as Defendant has refused to pay any additional amounts to Plaintiff. Denied in that Defendant believes and therefore avers that he owes no money to the Plaintiff and in fact, for reasons set forth in Defendant's New Matter and Counterclaim, Plaintiff is liable to Defendant in an amount in excess of the jurisdiction of the Board of Arbitrators.

WHEREFORE, Defendant requests that Plaintiff's Complaint be dismissed, and that judgment be entered in his favor and against the Plaintiff.

NEW MATTER

13. Paragraphs 1 through and including Paragraph 12 of Defendant's Answer are incorporated herein by reference as if set forth at length.

14. On or about October 27, 2006, Plaintiff and Defendant entered into a written contract for certain construction work consisting of labor and materials to be provided by the Plaintiff to the Defendant at a total cost of Nine Thousand (\$9,000.00) Dollars. A true and correct copy of the said contract is attached hereto, marked as Exhibit 1 and incorporated by reference as if set forth at length.

15. On or about October 27, 2006, pursuant to said contract, Defendant paid Plaintiff the amount of Four Thousand Five Hundred (\$4,500.00) Dollars.

16. On or about November 22, 2006, Plaintiff and Defendant entered into a second contract for additional construction work consisting of labor and materials to be provided by the Plaintiff to the Defendant at a total cost of Seventy-One Thousand Fifty (\$71,050.00) Dollars. A true and correct copy of the said contract is attached hereto, marked Exhibit 2 and incorporated herein by reference as if set forth at length.

17. On or about December 8, 2006, Plaintiff presented Defendant with a revised contract, in the same amount as the November 22, 2006, contract, but with an increased amount of Five Thousand Eight Hundred (\$5,800.00) Dollars to be paid upon completion of foundations. Further, the November 22, 2006, attached hereto as Exhibit 2, as well as the December 8, 2006, contract, contained a page titled "Extras already included in estimate". A true and correct copy of the said contract is attached hereto, marked Exhibit 3 and incorporated herein by reference as if set forth at length.

18. Prior to commencement of work, James Kyler advised Defendant that the initial payment of \$4,500.00 made on October 27, 2006, would be deposited by Plaintiff in an "allowance account" and that Plaintiff would draw from that account to purchase materials, which would allow Plaintiff to obtain a contractor's discount on items purchased, with the savings passed along to Defendant.

19. By the time of the execution of the contract on December 8, 2006, Defendant had made the following payments to Plaintiff toward the said "allowance account":

- a. October 27, 2006 - \$4,500.00;
- b. November 24, 2006 - \$2,000.00;
- c. December 5, 2006 - \$5,000.00.

20. It is believed and therefore averred that Plaintiff failed to draw from the said "allowance account" and instead deliberately utilized monies paid by Defendant to purchase materials for use on other jobs.

21. James Kyler admitted to Defendant on more than one occasion that Plaintiff did use monies paid by Defendant on other jobs and accordingly needed more money in order to purchase materials needed for Defendant's project.

22. Defendant made following additional payments toward "allowances":

- a. January, 2007 - \$292.81 (electrical);
- b. March 3, 2007 - \$7,500.00 (kitchen);
- c. March 10, 2007 - \$4,000.00 (kitchen and bath extras);
- d. March 20, 2007 - \$350.00 (tree cutting and removal).

The total paid by Defendant toward "allowances" was \$23,642.81.

WHEREFORE, Defendant requests that judgment be entered in his favor and against the Plaintiff.

COUNTERCLAIM

COUNT I - BREACH OF CONTRACT

23. Paragraphs 1 through and including Paragraph 22 of Defendant's Answer and New Matter are incorporated herein by reference as if set forth at length.

24. Plaintiff breached the contracts with Defendant in that:

- a. Plaintiff failed to provide the labor and materials specified under the terms of the said contracts, despite having been paid for same by the Defendant in a timely manner;

- b. Plaintiff failed to utilize monies paid by Defendant on Defendant's project, instead it used said funds on other projects, as James Kyler admitted to Defendant;
- c. Plaintiff arbitrarily and without consulting Defendant deviated from the plans and specifications provided to Plaintiff for the project;
- d. Plaintiff failed to complete various aspects of the project in a timely and reasonable manner, which resulted in damage to the structure from exposure to the elements;
- e. A substantial portion of the work that was completed by the Plaintiff was not performed in a reasonable and workmanlike manner, which has resulted in Defendant being forced to expend funds to repair and replace work performed by Plaintiff.

25. As the result of Plaintiff's failure to perform, Defendant has incurred expense in an amount which has not been totally ascertained as of the time of the filing of this Counterclaim, but which is believed and therefore averred to be in excess of the jurisdiction of the Board of Arbitrators.

**COUNT II – VIOLATION OF UNFAIR TRADE PRACTICES  
AND CONSUMER PROTECTION ACT**

26. Paragraphs 1 through and including Paragraph 25 of Defendant's Answer, New Matter and Counterclaim are incorporated herein by reference as if set forth at length.

27. The actions of the Plaintiff as described herein above represent violations of the Unfair Trade Practices and Consumer Protection Law, 73 P.S. 201-1, et seq.

28. Specifically, Plaintiff has violated said act by doing the following:

- a. Making false or misleading statements of fact concerning the reasons for, the existence of, or amounts of price reductions;

- b. Making repairs, improvements, or replacements on tangible, real or personal property, of a nature or quality inferior to or below the standard of that agreed to in writing;
- c. Engaging in other fraudulent or deceptive conduct which creates a likelihood of confusion or misunderstanding.

29. As the result of Plaintiff's violations of the said statute, Defendant is entitled to recover his actual damages, or in the discretion of the court, up to three (3) times the actual damages sustained, together with costs, reasonable counsel fees and such other relief as the court deems necessary and proper.

WHEREFORE, Defendant requests that judgment be entered in his favor and against the Plaintiff, in an amount in excess of the jurisdiction of the Board of Arbitrators, and to include treble damages as authorized by statute, together with counsel fees, costs and such other relief as the court deems necessary and proper.

**MOTION TO EXTEND TIME FOR THE FILING OF**  
**POST TRIAL MOTIONS**

NOW COMES, Dennis Mollura, Defendant above named, and by his Attorneys, Belin, Kubista & Ryan, LLP, moves the Honorable Court as follows:

1. The trial of the above captioned action was held before the Honorable Charles C. Brown, Jr., Senior Judge on December 22 and 23, 2008.
2. On February 23, 2009, Judge Brown issued a Verdict which was then entered onto the docket on February 25, 2009, as evidenced by a true and correct copy of the Docket Entries attached hereto as Exhibit “A”. The said docket entries show that no copies were served on the parties.
3. Counsel for Defendant received a copy of the said Verdict on March 12, 2008, from the Clearfield County Prothonotary’s Office.
4. Attached hereto and marked as Exhibit “B” is a true and correct copy of the said Verdict, which is stamped as having been filed on February 25, 2009, and as having been certified on March 11, 2009.

5. Also attached as Exhibit "C" is a copy of the slip attached to the copy of the Verdict received by Counsel for Defendant. Said slip is a document generated by the Prothonotary's Office and is dated March 11, 2009.

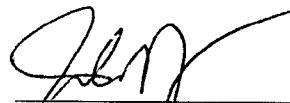

6. Under the Rules of Civil Procedure, the time period for the filing of Post Trial Motions is ten (10) days after the verdict is issued.

7. As the result of the Verdict not being delivered to Counsel until nearly three (3) weeks after its issuance and entry upon the docket, the said time period has elapsed.

8. While Defendant is unaware of the reason for the undue delay as described above, he should not be prejudiced by this apparent breakdown in the administration of the Court system, and should be granted an extension of time for the filing of Post Trial Motions should be elect to do so.

WHEREFORE, Defendant requests, for the reasons set forth above, that he be granted ten days from March 12, 2009, for the filing of Post Trial Motions.
