Billing Rights Summary. In Case of Errors or Questions About Your Bill: If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet of paper at Discover MoreSM, P.O. Box 15192, Wilmington, DE 19850-5192, as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights. In your letter, give us the following information:

- Your name and Account number
- The dollar amount of the suspected error
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

Special Rule for Credit Card Purchases: If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address. If we own or operate the merchant, or if we mailed you the advertisement for the goods or services, all purchases are covered regardless of the amount or location of purchase.)

Payments. Payments. Send only your payment and the top portion of this statement in the envelope provided. Do not send cash. By sending your check as described above, you authorize us to use information on your check to make an electronic fund transfer from your account at the financial institution indicated on your check or to process the payment as a check transaction. If payment is processed as an electronic fund transfer, the transfer will be for the amount of the check. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

The processing of your payment may be delayed if you send cash, correspondence or other items with your payment. If you send the payment to any other address or if you use an envelope other than the one provided, Payments received on or after 1 PM Monday through Friday or on a weekend or bank holiday will be posted to your Account as of the next business day. If you have misplaced your envelope, send your payment to Discover Bank, P.O. Box 15251, Wilmington, DE 19886-5251. Please allow 7-10 days for delivery. If your payment is returned unpaid, we reserve the right to resubmit it as an electronic debit.

You can pay your minimum payment or a greater amount over the telephone. Call us at 1-800-347-2683. You will need this statement and your bank account information. You must ensure that sufficient funds are available in your bank account, and all transactions must comply with U.S. law. You will be asked to provide the first 5 digits of your account statement zip code. By entering those numbers as your electronic signature, you will be agreeing to this authorization to allow us and your bank to deduct each payment you authorize, in the amount requested by you, from your bank account. In order to cancel a payment we must receive notice at least three days in advance of the scheduled payment. You may notify us by phone at 1-800-347-2683 or by mail at address listed in the previous paragraph.

Credit Reporting. We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report. We normally report the status and payment history of your Account to credit reporting agencies each month. If you believe that our report is inaccurate or incomplete, please write us at the following address: Discover MoreSM Card, P.O. Box 15316, Wilmington, DE 19850-5316. Please include your name, address, home telephone number and Account number.

PERIODIC FINANCE CHARGES. Periodic Finance Charges are imposed on all transactions from the date the transaction is posted to your Account until the date you pay your entire New Balance, by making payments or receiving credits. However, we will provide the following "grace period." If you paid the New Balance on our previous billing statement by the Payment Due Date shown on that statement, and you pay the New Balance by the Payment Due Date on this statement, we will not impose Periodic Finance Charges on new purchases, that is, purchases first appearing on this statement. Otherwise, you will receive a billing statement next month that includes Periodic Finance Charges on those new purchases. There is no grace period on balance transfers or cash advances.

We sort your transactions into groups of purchases, cash advances, and balance transfers and then further sort the transactions within each group by their Annual Percentage Rate. For example, purchases subject to a promotional rate and purchases subject to a standard rate would be separate groups. We refer to these groups as transaction categories. At the end of each billing period, we compute balances and Periodic Finance Charges for each day of the billing period for each transaction category. We use the following equation to compute Periodic Finance Charges for each transaction category: Average Daily Balance x number of days in the billing period x Daily Periodic Rate. (See the finance charge summary on your statement for these amounts.) Then we add up the Periodic Finance Charges for each transaction category to get the total Periodic Finance Charges for your Account. The Average Daily Balance is shown as zero if, because of the grace period, no Periodic Finance Charges apply to the balance in a transaction category.

We use the two-cycle average daily balance (including new transactions) method of calculating the balance upon which we impose Periodic Finance Charges. This means if you do not pay the New Balance shown on the billing statement you received during the previous billing period by the Payment Due Date shown on that statement, we will impose Periodic Finance Charges on new purchases that first appeared on that billing statement, as well as new purchases that first appear on the current billing statement, unless we already imposed Periodic Finance Charges on the purchases on your previous billing statement.

We compute the Average Daily Balance for each transaction category by adding up all the daily balances in a billing period for a transaction category and dividing the total by the number of days in the billing cycle. We compute the daily balance for each transaction category on each day by first adding the following to the previous day's daily balance: transactions made that day, fees charged that day and Periodic Finance Charges accrued on the previous day's daily balance; and by then subtracting any credits and payments that are applied against the balance of the transaction category on that day. In calculating the daily balance for the previous billing period, we consider the "previous day's daily balance" to have been zero on the first day of the billing period if a transaction is posted to your Account after the close of the billing period in which it occurs, we will treat the transaction as having occurred on the first day of the billing period in which it is posted to your Account.

All fees charged to your Account are added to the standard purchase transaction category with the exception of Cash Advance Transaction Fee Finance Charges which are added to the applicable cash advance transaction category and Balance Transfer Transaction Fee Finance Charges which are added to the applicable balance transfer transaction category. When the special rate expires, we move the unpaid balance of the balance transfer and the Balance Transfer Transaction Fee Finance Charges to the standard purchase transaction category. However, if the special rate has been terminated under the Default Rate Plan, we leave the unpaid balance of the balance transfer and the Balance Transfer Transaction Fee Finance Charges in the applicable transaction category until the special rate would have expired.
