LIEN NOTICE

Dear Property Owner:

Please find enclosed a copy of a Municipal Lien filed against your property for unpaid user charges for water and/or sewage services provided by the Indiana County Municipal Services Authority. This lien has been filed in accordance with the Authority's rules and regulations, and the applicable State Statutes.

It is our hope, that the lien filing will prompt payment for these delinquent user fees. Once payment has been received, the lien will be satisfied and a copy of the satisfaction will be promptly mailed to you.

If your property was or is tenant occupied, law still permits the filing of the lien against the property which received the service. Under these circumstances, it is the responsibility of the owner to see that the tenant pays the water or sewage bill and satisfies the lien; otherwise the property owner will have the ultimate responsibility to discharge the lien.

Your attention to this matter will be appreciated.

Sincerely,

ICMSA
