Order to Re-view

Public Road in Lawrence Township

versus

R. S. #1 - Page 271

Part Rt. 17052

To the Honorable the Judges of the Court of Quarter Sessions of the Peace in and for Cheasfield
County.

The Petition of the undersigned citizens of Lawrence Township in said County.

Respectfully Represent.

That a road has lately been laid out, leading
from near the house of Mr. Moses Fulton, in Lawrence Township, to the Mouth of Lick
Run, in said Township, which they are given to understand will be very expensive
to make, and a portion of it very dangerous to travel when made, and which increases
the distance between said points, about one and one half miles - and as your petitioners
believe a new route for a road from the mouth of Wolf Run to Lick Run, is
necessary, and can be found and made at one tenth of the expense required for
the construction of the road lately laid out, they respectfully ask that a Re-viewer
of the Road between the Mouth of Wolf Run Bridge to Lick Run be granted &
that the Court appoint proper persons to Re-view and lay out the same - and that
the Re-viewers be required to show the courses, distances, grade and probable expense
of opening and preparing the road from Wolf Run Bridge to Lick Run by the route
lately laid out - as well as the road now applied for should a suitable route be found
by the Re-viewers so as to guide the Court in a final decision in the matter, and
they will pray &c.
