To the Honorable the Judges of the Court of Quarter Sessions of Cleared County Pa

The petition of sundry citizens of Burnside township, respectfully represent, that at March Sessions the Associate Judges confirmed absolutely a certain road leading from New Washington to Burnside, against the remonstrance and wishes of the people of Burnside township that the petitioners who signed the petition for said road live in the Borough of New Washington, that there are already roads leading from the points named, that the said road would become extremely burdensome to the people of said township of Burnside and that they do not desire the same, and that if compelled to build the same they will be compelled to levy and collect an additional road tax. And they therefore pray your honors to ^{grant a review without delay to review the} ~~vacate~~ the same, and vacate such part as they may deem proper. And they will ever pray.
