

No. 4 Janf. Term 1872

Street in

vs.

Osceola Borough

Contents,

X

To The Honorable The Judges of the Court
of Quarter Sessions of the Peace for the
County of Clearfield:

The petition of the Under-Signed Citizens
of the borough of Osceola in said County
respectfully sheweth that by reason of
the street called Hale Street in the general
Plan of said borough of Osceola having
never been fully opened or laid out through
said borough of Osceola your Petitioners
labor under great inconvenience for the
want of a public street or high way to lead
from the end of Hale Street (now only extending
south to Turner Street) to the Moorhannon
Creek in a straight line with Hale Street as
aforesaid. They therefore pray the Court to
appoint persons duly qualified to view the
proposed street value damages and to lay
out the same according to law.
