To the Hon. Judges of the Court of
Common Pleas

The petitioners of the undersigned citizens of
Cranbury Township respectfully
petition against the Corporation absolutely
of a certain road leading at or near
where the East Creek runs on the North
side of the Allegheny crosses the public
road leading to Fred Shaffers by the nearest
and best route to a point in the former
said road at or near Shaffers Bridge.
The petitioners respectfully represent that
the proposed road is not laid out on the best
and best route, and to open it as proposed
would entail a heavy expense upon the
without any corresponding advantages, that
the old road proposed to be vacated is located
on better ground, is more direct and a shorter
distance than the road laid out and called
to be opened. They therefore ask that
a review may be granted, to change
the location of the road as now reported.

And they will supply
