The acceptance by the said holder hereof of any payment of principal, interest, or charges as herein reserved, after a default in the same, shall not be considered as a waiver of the right to enforce payment of all subsequent installments pursuant to the terms hereof, when and as the same shall become due, or to enforce any of the conditions of this agreement.

The judgment entered upon this note, or upon the note of which this note is a renewal, or part-renewal, shall be collateral security for the loan and for any and all renewals or part-renewals hereof, and for any and all new loans made during the life of said judgment, and shall not be satisfied until all of the indebtedness of any of the makers hereof to the payee, shall be fully paid.

I/we acknowledge the receipt of a statement of the above loan from the lender as required by the Small Loan Law upon which also is printed in English a copy of the maximum interest rate section of the Small Loan Law.
