To the Honorable, the Judges of the Court of Common Pleas of County of Cleaveland:

The petition of the subscribers respectfully sheweth: That the public road leading from Cherrytree to New Washington, ^{as} ~~at~~ present located, is very injurious to your petitioners. It cuts our improved land in such a manner as to make the fields irregular shaped and inconvenient, and your petitioners further represent that said road could be put upon ~~the good~~ ground by altering or changing it, so as to straighten it or make the turn at a right angle.

Your petitioners therefore pray the court to appoint proper persons to review the said road from the point where it crosses the South line of Robert Young's land to the top of the hill north of our premises, on said road, on lands of Horace Patchin.
