To the Honourable The Judges of the Court of
Quarter Sessions of Cleburne county.

The Petition of the undersigned citizens of Beaman
and Jordan townships respectfully represent
that a public Road has lately been laid out
in the township of Jordan "Beginning at the
"old Saw mill" on the Bear Road, South twenty
and a half acres Seventy four paches
to Turnpike near Lotts road". That the viewers
appointed to lay out said road made re-
port to the June Session of this Court that
if said Road is confirmed it will work great
injury and inconvenience to the owners of
land through which it passes, and will
especially damage the Farm of Mrs James
Patterson.

Your Petitioners therefore pray
your honour to appoint reviewers, to re-
view and lay out said Road according
to the act of Assembly in such case made
and provided & they will ever pray &c.
