To the Honorable the Judges of the Court of Quarter Sessions of
the Peace of the County of Clearfield, now holding a Court of
General Sessions at September Sessions A.D. 1872.

The undersigned Reviewers appointed by your Honor in
and by the order of Court hereto annexed, Respectfully Report.

That they met upon the ground, and examined the road as
originally laid out and found the road opened to Centre Hill School house
on about one third of the original route, and followed the remainder of the
original route to the Turnpike, and found the terminus to be 19 perches from
a road made and used by Abraham Hummel. We then proceeded to lay
out the following road. Beginning at the Turnpike at the terminus of the road
laid out by James Mitchell, thence by Turnpike $551\frac{1}{2}^{\circ}$ nineteen perches to
Hummel road, thence by Hummel road, $541^{\circ}W$ 64 perches, $525^{\circ}10'.$ twenty
one perches, $57^{\circ}W.$ eighteen perches, 528° twelve perches, $57\frac{1}{2}^{\circ}W.$ fifteen
perches, $529\frac{1}{2}^{\circ}W.$ nine perches, $547\frac{1}{2}^{\circ}W.$ forty perches, $573\frac{1}{2}^{\circ}W.$ twenty two
perches, $560^{\circ}W.$ twenty perches, $579^{\circ}W.$ fifty two perches, $576\frac{1}{2}^{\circ}W.$ fifty eight
perches, and curve includes 36 perches in all) 94 perches, a road is made on the above
route and has been used for three years last past, and we recommend the said
Review of the road as necessary and return the same for Public use, and we further
state that the time and place of the meeting of the review was duly advertised
for more than five days previous to the review, and that we were duly sworn
or affirmed according to law. The said road being one mile and forty seven perches
in length. And in consideration of the work being done for a Private road
we do assess damages to amount of One Hundred Dollars to be paid
to Abraham Hummel who made said road.
