To the Judges of the Court of Quarter-
session of Clearfield Co.

We the Viewers appointed by said
Court to view right for a Bridge
across Little Clearfield Creek on road
~~leading from Littleton Church to~~
New Whiteport in Knox Twp. Have met
this 21st day of August, have viewed
the right according to Order of Court
and report the following.

Have selected the old right, Have
measured the distance and find that
it will require a ninety foot span,
And we do think that the Expenses
for Building the same will be too great
for said Township to bear and recommend
the Court to grant an appropriation,

Petition for a Bridge on a Township line

To the judges of the Court of Quarter session,
The petition of the subscribers in the Townships of
Knox and Ferguson in the County of Clearfield
State of Pennsylvania, respectfully represent:
That a Bridge is much wanted and greatly
needed, over Little Clearfield Creek at or near
New Millport being the place where the public
road crosses the said Creek and said creek
being the line between said Townships in
said County of Clearfield, and that the erection
of such Bridge will require more expense
than is reasonable the said Townships should bear,
your petitioners pray the Court to appoint persons
to view the premises and take such order on
the subject as is required and directed by
the acts of assembly in such ^{cases} made and
provided, and we will ever pray,
