Road Viewers' Report.

CLEARFIELD COUNTY, SS:

At a Court of Quarter Sessions of the Peace of the County of Clearfield, held at Clearfield, in and for said county, on the 13th day of June, A. D. 1875, before the Judges of the said Court, upon the petition of sundry inhabitants of the townships of ~~Woodward & Knox~~, in said county, setting forth that they labor under great inconvenience for the want of a ~~road~~ ^{Bridge} on highway, leading from ~~Thomas Henderson in~~ Woodward Township to New Millport in Knox Township at the ford on said road ~~across~~ on the line of the two townships —

And therefore praying the Court to appoint proper persons to view and lay out the same, according to law. Whereupon, the Court, upon due consideration had of the premises, do order and appoint

G. H. Sytle *J. S. Williams* *John Hile*
who, after being respectively sworn or affirmed to perform the duties of their appointment with impartiality and fidelity, are to view the ground proposed for said road; and if any two of them agree that there is occasion for such road, they shall proceed to lay out the same, as agreeably to the desire of the petitioners as may be, having respect for the best ground for a road, and the shortest distance, in such manner as to do the least injury to private property; and shall make report thereof, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, with reference to the improvements through which it may pass, to the next Court of Quarter Sessions to be held for said county. In which report they shall state that they have been sworn or affirmed according to law.

BY THE COURT.

Eli Bloody
Clerk Quarter Sessions.

We the persons appointed by the Court to view the place proposed for the Bridge in the within order mentioned report, that we have viewed the same and that in our opinion a Bridge over the Big Clearfield Creek at the point where the publick road leading from Thomas Henderson in Woodward Township to New Millport in Knox Township crosses said Creek is indispensably necessary and that the expense of erecting such a Bridge would be attended with more cost than the Township of Woodward could bear.

In the Honorable Judges of the Court of Quarter
Sessions of the Peace in and for the County of
Clearfield.

The petition of the undersigned, inhabitants
of the Township of Knox and Woodward in
the said County, respectfully sheweth, That
a Bridge is much wanted over Clearfield Creek,
at the place where the public road leading from
Bro. Henderson's in Woodward Township to New
Millport in Knox Township crosses the said
Creek on the line between the two Townships before
mentioned. The ford there being frequently rendered
impassable by reason of Ice and high water;
and that the expense of erecting said Bridge
would be so heavy and burdensome upon the
inhabitants of said Townships. Your petitioners
therefore pray your Honors to appoint
proper persons to view the premises and
take such order on the subject as is ordin-
ed and directed by the Act of the General
Assembly in such case made and provided.
And they will ever pray,
