Petition

To the Honorable the Judges of the
Court of Quarter Sessions of the Peace of
Beauford County

The petition of
J. H. Polter of the County of Beauford,
respectfully represents: That your
petitioner labors under great inconve-
nience for want of a private road, to lead
from Potter's Mill in Hawthaus Township
to line of land belonging to Cass Adair's
abor near Bonaways Run in said
Township. Your petitioner, therefore
prays the Court to appoint proper persons
to view and lay out the same, according
to law; and he will ever pray, &c

J. H. Polter.
