To the Hon the Judges of the Court of Quarter
Sessions of Clearfield County.

The petition of the subscribers cit-
izens of Chest and Burnside township in said
County.

Humbly sheweth.

That all that part
of the old Glen Laurel road in Chest township
which lies between the land of Jonathan Wiste-
ver and the intersection of Snyder's road has
become useless, inconvenient and burdensome,
and has been supplanted by a new road.

They therefore pray the Court to ap-
point proper persons to view, inquire of and
vacate the same.

And they will pray to
