Road built by the Citizens of Jefferson County
leading to Buckwayville - ^{from Appomattox to the Port and then} Your Petitioners would
respectfully represent that the proposed road will
open up a good section of farming country and
materially shorten the distance of many settlers
to the rail road and the County Seat and that
at no distant day the same will be made a Post
Road or Mail Route and accommodate many
Citizens and Taxpayers in the said Townships
of Brady & Houston now suffering great in-
convenience for the want of said road
And as in due bound Your Petitioners will pray &c
