To the Honourable the Judges of Court of
Quarter Sessions in and for Clevedon Co.

The Undersigned Citizens of Morris Township
respectfully represents

That an application
is before the Court to appoint Viewers to view
a public road leading from Morrisdale
Mines or a point near Wise Farm to Trapp
Bridge on Morshannon Creek in Morris
Township and that to make such road
would be detrimental to the Citizens of
Sauce Township and to build such road
would be at a much more cost than
the Citizens at first anticipated from
the location of the Country in which
it would pass through and would be
very expensive to keep up if ever made
and very inconvenient for the people
living in the upper end of said Township.

For Petitioners therefore respec-
tfully beg leave to remonstrate against
the formation of said road and
humbly pray the Court not to confirm
the same.
