ROAD VIEWERS' REPORT.

Clearfield County, ss:

At a Court of Quarter Sessions of the Peace of the county Clearfield, held at Clearfield, in and for said county, on the 17th day of January A. And therefore praying the Court to appoint proper persons to view and lay out the same, according to law. Whereupon, the Court, upon due consideration had of the premises, do order and appoint *David Reams John Beck* *David Dressler*, who, after being respectively sworn or affirmed to perform the duties of their appointment with impartiality and fidelity, are to view the ground proposed for said road; and if any two of them agree that there is occasion for such road, they shall proceed to lay out the same, as agreeably to the desire of the petitioners as may be, having respect for the best ground for a road, and the shortest distance, in such manner as to do the least injury to private property; and shall make report thereof, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances, with reference to the improvements through which it may pass, to the next Court of Quarter Sessions to be held for said county.
