To the Honorable the Judges  
of the Court of Quarter Session

We the undersigned Citizens of Lawrence Township, respectfully represent:  
That we labor under great inconvenience  
for the want of a public road or highway,  
leading from Clearfield Street in West  
Clearfield at its intersection with William  
Street, to the river road, being an extension  
of William Street past the property  
of R. Heckman to the road along the river.  
We therefore pray the Court to appoint three  
viewers to view and lay out the same, and make  
report of their proceedings to the next Court  
And they will so

To the Honorable Judges of the Court of Quarter Sessions of Clearfield County.

The undersigned viewers appointed by your Honor in and by virtue of the Order of Court hereto annexed, Respectfully Report,

That they gave due, timely & legal notice of the time and place of the meeting of the viewers by posting advertisements in three public places in the township of Lawrence for more than five days preceding the time of viewing said road, appointing Monday the 8<sup>th</sup> day of April 1880 for making the view, when John L. Gittle attended at the time and place - and learned that the other viewers were engaged in rafting there being a flood - subsequently on the same day, A. H. Gulick, was seen and the view was continued until Monday the 12<sup>th</sup> of April - by consent and notice to that effect posted on Tuesday the 6<sup>th</sup> April giving notice of the continuance of said view.

And now 12<sup>th</sup> April 1880. All the viewers met at the time and place above mentioned, and proceeded to examine the ground proposed for said road, and have laid out and now return for Public use, the following course & distances, viz Beginning at north side of River road between the houses and lots of Rich<sup>d</sup> Shaws Estate and house lot of R. H. Shaw, thence North four degrees East by and between lots of Reuben Hackman on west - and lots of Richard Shaws Estate, & lots of Hiram Shaffer & R. H. Shaw on East Five hundred and seventy five feet, to South side of William Street, as laid out in the place of West Clearfield. The said course and distance having been laid out for a continuation of Clearfield street as laid out, opened and used in West Clearfield, And we further find that no damages ought to be assessed, as the ground proposed for said road is necessary for the proper enjoyment of the persons who have purchased building lots out of the estate of Hon Richard Shaw, deceased; and we further state that we were all duly sworn to & affirmed previous to making the view, all of which is respectfully submitted - A plot or draft is hereto annexed
