**CLEARFIELD COUNTY BOARD OF ELECTIONS'**  
**PETITION TO REDISTRICT MORRIS TOWNSHIP**

The Clearfield County Board of Elections (“Board”), by and through its undersigned counsel, respectfully submits this Petition to Redistrict Morris Township (“Petition”), and in support thereof avers as follows:

1. That the Board is a duly constituted Board of Elections as set forth pursuant to 25 P.S. §2641.
2. That the Election Code, specifically 25 P.S. §2702, permits the Court of Common Pleas of a county in which an election district is located to modify the district “so as to suit the convenience of the electors and to promote the public interests.”
3. That the Election Code, specifically 25 P.S. §2704, allows the Board to “petition the court for the.... consolidation of adjoining election districts.”
4. That the Board recommends consolidating Morris Township #1 and Morris Township #2 as reflected on the map and per the verbal description attached hereto as “**Exhibit A.**”
5. That the attached “Exhibit A” reflects in a resulting district with “clearly visible physical features conforming with census block lines from the most recently completed Federal decennial census” as required under the Election Code as it incorporates the entire municipality.

6. That absent a showing of good cause, the resulting district shall not contain more than one thousand two hundred (1,200) registered electors or less than one hundred (100) registered electors. *Id. at §2702.*
7. That the below illustrates the current number of registered electors within the current districts and the total of the proposed consolidated district:

<b><i>Morris Township #1</i></b>	<b><i>Morris Township #2</i></b>	<b><i>Consolidated Morris Township</i></b>
Number of Registered Electors	Number of Registered Electors	Consolidated Number of Registered Electors
<i>1,382 electors</i>	<i>505 electors</i>	<i>1,887 electors</i>

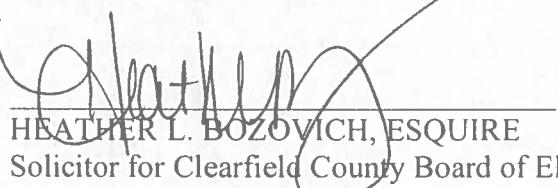

8. That the Board believes good cause exists to exceed the proposed 1,200 elector cap as with the passage of Act 77 pertaining to mail-in voting the in-person turnout has decreased and the County is confident one precinct can handle the proposed electors.
9. That the Board has consulted with stakeholders in each precinct as well as held public meetings prior to the filing of this Petition.
10. That the Board believes and avers that good cause exists for the consolidation of these precincts and the consolidation will not have a negative impact on any elector. Additionally, any elector who may be impacted would have the right to request a mail-in ballot.
11. That the Board also believes and avers that the new district will assist the Board and County by reducing the number of poll workers needed which have had vacancies and have become increasingly more difficult positions to fill. The same will also help reduce costs by requiring less equipment and overall simplifying the administration of elections without

degrading the voting experience or creating any significant additional burden on the electors in the election districts that are proposed to be consolidated.

12. That prior to considering this Petition, the Board is required to post five notices in each of the proposed resulting districts, including one in each polling place.
13. That this Court setting a date for a hearing on this Petition is a precondition to the Board posting these notices, as the Election Code requires the Board to publicize the date of the hearing on the Petition on each notice.

WHEREFORE, the Board respectfully requests this Honorable Court schedule a hearing date, not shorter than ten (10) days from the date of this filing, as soon thereafter as possible, to hear the Board's Petition and after holding a hearing and considering any relevant factors, including opposition hereto, enter an Order approving the redistricting of Morris Township according to the plan proposed in "**Exhibit A.**"

Respectfully submitted,
