CLEARFIELD COUNTY BOARD OF ELECTIONS'
PETITION TO REDISTRICT WOODWARD TOWNSHIP

The Clearfield County Board of Elections ("Board"), by and through its undersigned counsel, respectfully submits this Petition to Redistrict Woodward Township ("Petition), and in support thereof avers as follows:

1. That the Board is a duly constituted Board of Elections as set forth pursuant to 25 P.S. §2641.
2. That the Election Code, specifically 25 P.S. §2702, permits the Court of Common Pleas of a county in which an election district is located to modify the district "so as to suit the convenience of the electors and to promote the public interests."
3. That the Election Code, specifically 25 P.S. §2704, allows the Board to "petition the court for the.... consolidation of adjoining election districts."
4. That effective January 1, 2026, the City of DuBois and Sandy Township will merge into one municipality.
5. That the City of DuBois is currently divided into five (5) precincts based on wards used to elect City Council members which will no longer apply after January 1, 2026.
6. That Sandy Township currently has five (5) precincts.
7. That the Board recommends an adjustment to various lines as reflected on the maps and per the verbal descriptions attached hereto as **Exhibits A-F**. Specifically, the exhibits represent the following:

- a. Exhibit A: Current precinct Sandy Falls Creek 1 proposed to be known as DuBois City – Clear Run with no change to current boundaries;
 - b. Exhibit B: Current precinct Sandy - Treasure Lake proposed to be known as DuBois City- Treasure Lake with no change to current boundaries.
 - c. Exhibit C: Current precinct Sandy – Sabula proposed to be known as DuBois City – Sabula with no change to current boundaries.
 - d. Exhibit D: Current precinct Sandy – West Sandy proposed to be known as DuBois City – West Sandy with no changes to current boundaries.
 - e. Exhibit E: Current precinct Sandy – Oklahoma proposed to be known as DuBois City – Oklahoma which will incorporate the prior Sandy – Oklahoma precinct with a portion of the DuBois City – 4th precinct also being included.
 - f. Exhibit F: Proposed DuBois City – 1st.
 - g. Exhibit G: Proposed DuBois City – 2nd.
 - h. Exhibit H: Proposed DuBois City – 3rd.
8. That the attached exhibits reflect in resulting districts with “clearly visible physical features conforming with census block lines from the most recently completed Federal decennial census” as required under the Election Code for those precincts with boundary changes.
9. That absent a showing of good cause, the resulting district shall not contain more than one thousand two hundred (1,200) registered electors or less than one hundred (100) registered electors. *Id. at* §2702.

10. That the below illustrates the current number of registered electors within the current districts and the total of the proposed consolidated districts:

<i>Current Precincts</i>	<i>Number of Registered Electors</i>
DuBois City – 1 st	770
DuBois City – 2 nd	1,307
DuBois City – 3 rd	1,295
DuBois City – 4 th	670
DuBois City – 5 th	858
Sandy – Falls Creek 1	720
Sandy – Treasure Lake	3,304
Sandy – Sabula	639
Sandy – West Sandy	1,738
Sandy – Oklahoma	1,045

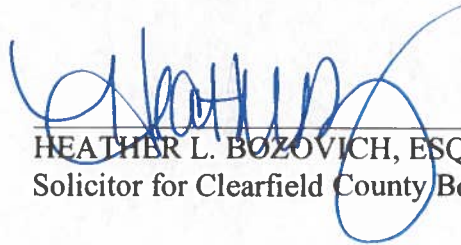

<i>Proposed Precincts</i>	<i>Number of Registered Electors</i>
DuBois City – 1 st	1,234
DuBois City – 2 nd	1,551
DuBois City – 3 rd	1,295
DuBois City Clear Run	1,121
DuBois City – Treasure Lake	3,304
DuBois City – Sabula	644
DuBois City – West Sandy	1,738
DuBois City – Oklahoma	1,460

11. That the Board has consulted with stakeholders in each precinct as well as held public meetings prior to the filing of this Petition.

12. That the Board believes and avers that good cause exists for the consolidation of these precincts and the consolidation will not have a negative impact on any elector. Additionally, any elector who may be impacted would have the right to request a mail-in ballot.
13. That the Board also believes and avers that the new district will assist the Board and County by reducing the number of poll workers needed which have had vacancies and have become increasingly more difficult positions to fill. The same will also help reduce costs by requiring less equipment and overall simplifying the administration of elections without degrading the voting experience or creating any significant additional burden on the electors in the election districts that are proposed to be consolidated.
14. That the DuBois Area School District has likewise filed a petition before this Honorable Court to modify its respective districts to align with the proposed districts as set forth in this Petition.
15. That prior to considering this Petition, the Board is required to post five notices in each of the proposed resulting districts, including one in each polling place.
16. That this Court setting a date for a hearing on this Petition is a precondition to the Board posting these notices, as the Election Code requires the Board to publicize the date of the hearing on the Petition on each notice.

WHEREFORE, the Board respectfully requests this Honorable Court schedule a hearing date, not shorter than ten (10) days from the date of this filing, as soon thereafter as possible, to hear the Board's Petition and after holding a hearing and considering any relevant factors, including opposition hereto, enter an Order approving the redistricting of the City of DuBois and Sandy Township according to the plans proposed in **Exhibits A-H**.

Respectfully submitted,

HEATHER L. BOZOVICH, ESQUIRE
Solicitor for Clearfield County Board of Elections
