## **CAREER SERVICE PAGING POLICY**

- When paging a career service for calls when all first due crews are committed to other calls, or at the request of a service member, the dispatcher will activate the off duty (supervisor) tones and the crew due will be announced. Ex. “Station tone, off duty tone activation, Clearfield County Medic 1, 4<sup>th</sup> crew due for chest pain, Mountain Laurel, 700 Leonard Street, Lawrence Township, 13:51” If a 4<sup>th</sup> or 5<sup>th</sup> crew call is announced and an already committed unit becomes available and takes the call, the off duty (supervisor) tone will be activated and the dispatcher will announce “Clearfield County Medic 1, 4<sup>th</sup> crew may cancel, call being handled by Medic 1-53”.
