SOP #: Fire 7-10		
Subject: Fire Alarm and Sprinkler System Testing		

## **FIRE ALARM AND SPRINKLE SYSTEM TESTING**

Information regarding alarmed sprinkler systems and/or alarm systems that are being worked on or tested will be taken by the Communications Center. The dispatcher will obtain a building name and address and also the name and phone number of the caller and enough additional information to determine if a dispatch will be necessary should the alarm activate. The caller will also be instructed to call back when the work is complete.
